The Glory Days
of a
Boom Town

By D. Karl Newsom

Drumright The Glory Days Of A Boom Town

Thomas Barthel

Drumright The Glory Days Of A Boom Town:

Drumright! the Glory Days of a Boom Town D. Earl Newsom, 1985 Frank Little and the IWW Jane Little Botkin, 2017-05-25 Franklin Henry Little 1878 1917 an organizer for the Western Federation of Miners and the Industrial Workers of the World IWW fought in some of the early twentieth century's most contentious labor and free speech struggles Following his lynching in Butte Montana his life and legacy became shrouded in tragedy and family secrets In *Frank Little and the IWW* author Jane Little Botkin chronicles her great granduncle's fascinating life and reveals its connections to the history of American labor and the first Red Scare Beginning with Little's childhood in Missouri and territorial Oklahoma Botkin recounts his evolution as a renowned organizer and agitator on behalf of workers in corporate agriculture oil logging and mining Frank Little traveled the West and Midwest to gather workers beneath the banner of the Wobblies as IWW members were known making soapbox speeches on city street corners organizing strikes and writing polemics against unfair labor practices His brother and sister in law also joined the fight for labor but it was Frank who led the charge and who was regularly threatened incarcerated and assaulted for his efforts In his final battles in Arizona and Montana Botkin shows Little and the IWW leadership faced their strongest opponent yet as powerful copper magnates countered union efforts with deep laid networks of spies and gunmen an antilabor press and local vigilantes For a time Frank Little's murder became a rallying cry for the IWW But after the United States entered the Great War and Congress passed the Sedition Act 1918 to ensure support for the war effort many politicians and corporations used the act to target labor radicals squelch dissent and inspire vigilantism Like other wage working families smeared with the traitor label the Little family endured raids arrests and indictments in IWW trials Having scoured the West for firsthand sources in family library and museum collections Botkin melds the personal narrative of an American family with the story of the labor movements that once shook the nation to its core In doing so she throws into sharp relief the lingering consequences of political repression *Oil, Wheat & Wobblies* Nigel Anthony Sellars, 1998 *The Industrial Workers of the World or Wobblies* a radical labor union played an important role in Oklahoma between the founding of the union in 1905 and its demise in 1930 In *Oil Wheat Wobblies* Nigel Anthony Sellars describes IWW efforts to organize migratory harvest hands and oil field workers in the state and relationships between the union and other radical and labor groups such as the Socialist Party and the American Federation of Labor Focusing on the emergence of migratory labor and the nature of the work itself in industrializing the region Sellars provides a social history of labor in the Oklahoma wheat belt and the midcontinent oil fields Using court cases and legislation he examines the role of state and federal government in suppressing the union during World War I *Oil What Wobblies* concludes with a description of the IWW revival and subsequent decline after the war suggesting that the decline is attributable more to the union's failure to adapt to postwar technological change its rigid attachment to outmoded tactics and its internal policy disputes than to political repression In Sellars's view the failure of the IWW in Oklahoma largely explains the failure of both the IWW and the

labor movement in the United States during the twenties Chronicles of Oklahoma James Shannon Buchanan, 2004

Impossible Subjects Mae M. Ngai, 2014-04-27 This book traces the origins of the illegal alien in American law and society explaining why and how illegal migration became the central problem in U S immigration policy a process that profoundly shaped ideas and practices about citizenship race and state authority in the twentieth century Mae Ngai offers a close reading of the legal regime of restriction that commenced in the 1920s its statutory architecture judicial genealogies administrative enforcement differential treatment of European and non European migrants and long term effects She shows that immigration restriction particularly national origin and numerical quotas remapped America both by creating new categories of racial difference and by emphasizing as never before the nation s contiguous land borders and their patrol

Grappling with Demon Rum James E. Klein, 2014-10-22 Social classes collide over morality and social propriety in a brand new state Well before the Volstead or National Prohibition Act of 1919 Oklahoma was dry Oklahomans banned liquor at their state s inception in 1907 and maintained the ban even after the repeal of national prohibition In this book James E Klein examines the social and cultural conflicts that led Oklahomans to outlaw liquor and discusses the economic and political consequences of the ban Grappling with Demon Rum identifies who favored and who opposed prohibition showing that its proponents were largely middle class citizens who disdained public drinking establishments and who sought respectability for a young state still considered a frontier society Klein tells how the Oklahoma Anti Saloon League orchestrated a dry campaign to raise moral standards reduce crime and improve the quality of life twice convincing voters to support prohibition Going beyond the usual evangelical versus ritualist rural versus urban and ethnocultural oppositions used by other historians to explain prohibition Klein shows that Oklahoma s immigrant and Catholic populations were too small to account for those voting against the measure or for the large customer base that supported bootleggers He points instead to the large number of working class Oklahomans who patronized saloons whether legal or not and focuses on class conflict in early efforts to control alcohol He also describes the trials of enforcement officers who worked to plug leaks in statewide and later national prohibition A cultural and social history of liquor in early Oklahoma Grappling with Demon Rum provides a fresh look at crusaders against vice at the regional level In portraying this conflict between middle and working class definitions of social propriety Klein provides new insight into forces at work throughout America during the Progressive Era

Babe Ruth and the Creation of the Celebrity Athlete Thomas Barthel, 2018-07-30 From his first year in the majors George Herman Babe Ruth knew he could profit from celebrity Babe Ruth Cigars in 1915 marked his first attempt to cash in Traded to the Yankees in 1920 he soon signed with Christy Walsh baseball s first publicity agent Walsh realized that stories of great deeds in sports were a commodity and in 1921 sold Ruth s ghostwritten byline to a newspaper syndicate for 15 000 187 000 today Ruth hit home runs while Walsh s writers made him a hero crafting his public image as a lovable scalawag Were the stories true It didn t matter they sold Many survive but have never been scrutinized until now Drawing on primary

sources this book examines the stories separating exaggerated facts from clear falsehoods This book traces Ruth s ascendance as the first great media created superstar and celebrity product endorser **From Syria to Seminole** Ed Aryain,2006 Sixty years after his arrival in America in 1913 at age fifteen Syrian American Mohammed Ed Aryain recounts his life as first a dry goods peddler and then a merchant and family man on the Great Plains eventually owning a store in Seminole Texas Introduction and notes provide historical context Provided by publisher King of the Wildcatters Ray Miles,1996 The Orphans' Nine Commandments William Roger Holman,2013-05-31 When Roger Bechan was six his mother packed his suitcase and took him to the Oklahoma Society for the Friendless He never saw her again No wonder he and his orphan friends omit the tenth commandment to honor your father and mother His long journey through three orphanages and several foster homes is recalled with surprising humor and insight Eventually the boy finds a home in a small Oklahoma oil town obtains degrees from two universities marries and raises three sons and becomes the youngest director of the San Francisco Public Library and an award winning book designer The book is an unsentimental look at Bechan s life in the child welfare system of Depression era Oklahoma **Small Press Record of Books in Print** ,1990 **Oil History** ,1995 OIL HISTORY is the definitive guide to the romance history lore of the global petroleum business The oilfield s past was wild woolly a time of greed guts glory goofups A lot has been written about those colorful days of yesteryear from the old Venango Oil Regions 1866 to the new The Prize 1991 OIL HISTORY reviews 810 titles of enormous variety Look at just the long the short of it The encyclopedic A Brief History of the Pennsylvania Oil Region 652 pages to the terse We Drilled Spindletop 37 pages Author publisher length date of publication are also provided The extensive index will help readers find titles by either author or subject No matter what your interest in the history of the worldwide petroleum business it s represented in this unique volume Published in hardcover the 6 inch by 9 inch OILFIELD HISTORY is handsomely cloth bound in royal blue with distinguished silver lettering Order from IADC Publications P O Box 4287 Houston TX 77210 4287 713 578 7171 ext 214 FAX 713 578 0589 *Oklahoma History* Oklahoma Historical Society.
