Drums Along The Mohawk New York Classics:

Drums Along the Mohawk Walter D. Edmonds, 2015-02-03 The bestselling novel behind John Ford's acclaimed film starring Claudette Colbert, Henry Fonda and Edna May Oliver. When newlyweds Gilbert and Lana Martin settle in the Mohawk Valley in 1776, they work tirelessly against the elements to build a new life. But even as they clear land and till soil to establish their farm, the shots of the Revolutionary War become a rallying cry for both the loyalists and the patriots. Soon Gil and Lana see their neighbors choose sides against each other as British and Iroquois forces storm the valley, targeting anyone who supports the revolution. Originally published in 1936, this classic novel was a bestseller for two years, second only to *Gone with the Wind*, and was adapted into a motion picture in 1939. Now, some three quarters of a century later, *Drums Along the Mohawk* stands as a brilliant account of the majesty of the New York frontier, the timeless rhythms that shape a marriage and the battles of a revolution that would change the world. Foreword by Diana Gabaldon. Vintage Movie Classics spotlights classic films that have stood the test of time, now rediscovered through the publication of the novels on which they were based.

The Mohawk Codman Hislop, 1989-10-01 Hislop writes living history. Father Jogues is there, as are Sir William Johnson and Molly Brant, Nicholas Herkimer, DeWitt Clinton, Eliphalet Nott, the Remingtons, Charles Steinmetz, and a host of others. Fur trading, land grabbing, Dutch Palatines, Yankees, the Battle of Oriskany, the Erie Canal, the Mohawk and Hudson Railroad, General Electric, are all part of the story of The Mohawk. Hislop's presentation of this unique region is both informative and compelling.

Drums Along the Mohawk Walter Dumaux Edmonds, 1963 Gilbert Martin and his new bride Lana pioneers in the Mohawk Valley, live and protect their land through weather disasters, love and hate, and Indian attacks.

The First Way of War John Grenier, 2005-01-31 This 2005 book explores the evolution of Americans' first way of war to show how war waged against Indian noncombatant population and agricultural resources became the method early Americans employed and ultimately defined their military heritage. The sanguinary story of the American conquest of the Indian peoples east of the Mississippi River helps demonstrate how early Americans embraced warfare shaped by extravagant violence and focused on conquest. Grenier provides a major revision in understanding the place of warfare directed on noncombatants in the American military tradition, and his conclusions are relevant to understand US special operations in the War on Terror.

The Boyds of Black River Walter D. Edmonds, 1988-11-01

Savages and Saints Bob Herzberg, 2014-01-10 The history of American Indians on screen can be compared to a light shining through a prism. We may have seen bits and pieces of the genuine culture portrayed, but rarely did we see a satisfying and informative whole picture. *Savages and Saints* deals with the changing image of the American Indian in the Western film genre, contrasting the fictionalized images of native Americans portrayed in classic films against the historical reality of life on the American frontier. The book tells the stories of frontier warriors, Indian and white, revealing how their stories were often drastically altered on screen according to the times the films were made, the stars involved in the film's production, and the social

political beliefs of the filmmakers Studio correspondence letters from government files and passages from western novels adapted for the screen are used to illustrate the various points

Instructors considering this book for use in a course may request an examination copy here

In the Hands of the Senecas Walter D. Edmonds,1995-12-01 These stories tell how the Indians captured pioneer women on the warring frontier in revolutionary New York how the rigours of frontier life affected the women and how in many cases they were equal to the situation The book is organised as a series of loosely related narratives

The Classical Hollywood Reader Stephen Neale,2012 First Published in 2012 Routledge is an imprint of Taylor Francis an informa company

Mount Allegro Jerre Mangione,1998-03-01 Mount Allegro is an extraordinary memoir a celebration of Sicilian life an engaging sociological portrait a moving reminiscence of a fledgling writer s escape from the restrictive culture in which he grew up Jerre Mangione s autobiographical chronicle of his youth in a Sicilian community in Rochester is one of the truly enduring books about the immigrant experience in this country Family squabbles soul nourishing food and the casting of evil eyes are only some of the ingredients of this richly textured book although they must all take second place to its unforgettable characters As Eugene Paul Nassar writes in the book s Foreword Mount Allegro gave a literary visibility and identity amiable and appealing to a poorly understood ethnic group in America and did so at a very high level of artistry

Classic Book Jackets Thomas Stansfield Hansen,2005 Salter s life and work bridged two continents and cultures and spanned the political turmoil of the mid twentieth century He survived both world wars the rise of National Socialism in Germany and permanent exile in a new land but nothing halted his tireless and brilliant design work Classic Book Jackets tells Salter s story and describes the innovative thinking he brought to his clients and students including his designation of seven jacket types that are still valid today It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jackets designs and lettering jobs for the book trade

BOOK JACKET

The Best Adirondack Stories of Philander Deming Philander Deming,1997-03-01 In simple darkly faceted stories Philander Deming writes as a person whose childhood knowledge of the Adirondacks has been honed to a fine sense for its potential human tragedy In this the first collection of his best work a haunting vision of the Adirondacks comes through that is hard to forget Deming s themes revolve around deception and self deception loneliness and good intentions gone awry Most of his stories occur just before or after the Civil War In almost every story however Deming shows his characters looking back towards the mountains from the Mohawk or St Lawrence Valley or from lonely settlements on the edge of the forest or across Lake Champlain Few Adirondack writers have been so convincing in conveying the keen isolation of life in the northern forest and its peculiar effects on the human mind The wilderness community is cruel fostered by ignorance and isolation In the end the mountains seemingly a neutral back drop against which individuals confront a collective morality are the real source of his inspiration

Injun Joe's Ghost Harry John Brown,2004 What does it mean to be a mixed blood and how has our understanding of this term changed over the last two centuries What processes have

shaped American thinking on racial blending Why has the figure of the mixed blood thought too offensive for polite conversation in the nineteenth century become a major representative of twentieth century native consciousness In Injun Joe s Ghost Harry J Brown addresses these questions within the interrelated contexts of anthropology U S Indian policy and popular fiction by white and mixed blood writers mapping the evolution of hybridity from a biological to a cultural category Brown traces the processes that once mandated the mixed blood s exile as a grotesque or criminal outcast and that have recently brought about his ascendance as a cultural hero in contemporary Native American writing Because the myth of the demise of the Indian and the ascendance of the Anglo Saxon is traditionally tied to America s national idea nationalist literature depicts Indian white hybrids in images of degeneracy atavism madness and even criminality A competing tradition of popular writing however often created by mixed blood writers themselves contests these images of the outcast half breed by envisioning hybrid vigor both biologically and linguistically as a model for a culturally heterogeneous nation Injun Joe s Ghost focuses on a significant figure in American history and culture that has until now remained on the periphery of academic discourse Brown offers an in depth discussion of many texts including dime novels and Depression era magazine fiction that have been almost entirely neglected by scholars This volume also covers texts such as the historical romances of the 1820s and the novels of the twentieth century Native American Renaissance from a fresh perspective Investigating a broad range of genres and subject over two hundred year of American writing Injun Joe s Ghost will be useful to students and professionals in the fields of American literature popular culture and native studies
