Drums And Woodwinds Three Sets Of Sequences:

Acoustic and MIDI Orchestration for the Contemporary Composer Andrea Pejrolo, Richard DeRosa, 2016-11-09 *Acoustic and MIDI Orchestration for the Contemporary Composer Second Edition* provides effective explanations and illustrations to teach you how to integrate traditional approaches to orchestration with the use of the modern sequencing techniques and tools available to today's composer. By covering both approaches, Pejrolo and DeRosa offer a comprehensive and multifaceted learning experience that will develop your orchestration and sequencing skills and enhance your final productions. A leading manual on its subject, the second edition allows experienced composers and producers to be exposed to sequencing techniques applied to traditional writing and arranging styles. The book continues to provide a comprehensive and solid learning experience and has been fully revised to include the latest tools and techniques. The new edition has been updated to include a new chapter on cover writing and sequencing for vocal ensembles. Coverage of writing for different ensemble sizes. A new final chapter on writing and production techniques for mixed contemporary ensembles. All new techniques, tools, and sound libraries available to today's composer. A companion website www.routledge.com/cw/pejrolo includes a wide selection of audio examples, templates, sounds, and videos showcasing operational processes, allowing you the opportunity to listen to the techniques discussed within the book.

Creative Sequencing Techniques for Music Production Andrea Pejrolo, 2012-07-26 An inspirational guide for all levels of expertise, *Creative Sequencing Techniques for Music Production* shows you how to get the most out of the four leading audio sequencers: Logic Pro, Tools, Digital Performer, and Cubase. Using real-life examples, Andrea Pejrolo demonstrates a wide range of technical and creative techniques, giving you tips and new ideas to help you take your work to the next level. If you are producing music and looking to build your skills in orchestration, composition, and mixing, you will find all the techniques and practical advice you need in this book. Featuring essential tools that are now part of the everyday creative process in a digital production environment to give you the most recent and cutting-edge techniques, including swipe, comping, time stretching, pitch correction, elastic time, advanced freezing, and new software synthesizers. The material on the website contains loops, templates, audio examples, and end-of-chapter exercises to practice new skills. This illustrated practical guide provides all the tools you will need to give your music the vital edge. Whether you are a student or amateur aspiring to more professional results or a professional wanting to master new skills, this book will help you to improve and take the quality of your work to the next level.
