Drunk With Pleasure Nick Wadleys Guide To Wine:

Drunk with Pleasure Nicholas Wadley, 2003 Schooled in serious art he may be but Nick Wadley also has a full bodied whimsical side as proven here in *Drunk with Pleasure* With pun in cheek and a deft minimalist style of drawing he gives readers a skewed but comprehensive overview of favorite vintages Showing none of the arrogance so often associated with the wine crowd Wadley pays homage to both the lowly and the exalted like Chateau LaFeet The intoxicating glossary at the back of this little gem is a handy reference for experts and neophytes alike ick Wadley headed the Department of Art History at the Chelsea School of Art in London for fifteen years As an art historian he has written chiefly about late nineteenth century painting and drawing Wadley also writes about modern and contemporary art and has curated exhibitions and lectured in Europe the United States and Japan Since the mid nineties his drawings and cartoons have been appearing in catalogs journals and newspapers

Nick Wadley's Guide to British Artists Nicholas Wadley, 2003 Here s a useful guide to classic and contemporary British artists including expatriates like Whistler and Fuseli In his usual ponderful style Wadley renders his view of his fellow artists based on their names or style of art Turner is of course a wheel Whistler whistles away as a kettle Fry gets cooked as two eggs up in a frying pan Mackintosh models a dashing mac Heron struts on his birdy legs Fuseli burns to a crisp To refresh your memory the index lists the dates and tells you the particular field of each artist All a good show in a great little book Enjoy the tour of this visual museum
