History of Literature in the English Language Roger Lonsdale (Anglist, Grossbritannien),1970     Johnson's Chief Lives of the Poets Samuel Johnson,Thomas Babington Macaulay Baron Macaulay,Thomas Carlyle,1889     **Johnson's Critical Presence** Philip Smallwood,2017-07-05 Johnson s Critical Presence demonstrates how Johnson s criticism has for long been divided from the issues of modern criticism by historical narratives that have marked the progress of criticism from classic to romantic The image of Johnson constructed by his immediate antagonists has been preserved by the routines of historical representation and mediated to the present day most recently by the characterizations of radical theory By an in depth analysis of major works by Johnson Smallwood argues that the historicization of eighteenth century criticism can be more fruitfully understood in the light of the dialogic and translational historiography of such thinkers as Collingwood and Ricoeur and that the contexts of Johnson s criticism must include the poetry he read as well as the theories he espoused In this way the book reinstates Johnson s presence as critic while displacing the history of ideas as the leading paradigm for conceptualizing the history of criticism     **Johnson's Life of Dryden** Samuel Johnson,1896     **Johnson's and Webster's Verbal Examples** Kusujiro Miyoshi,2008-12-19 This book analyses Noah Webster s and Samuel Johnson s use of verbal examples in their dictionaries as a means of giving guidance on word usage The author s major interest lies in elucidating how uniquely Webster who was originally a grammarian made use of verbal examples In order to achieve this purpose the author provides chapters based on types of entry words in their functional contexts Johnson s selection of sources of citations and the frequency of his quoting citations tended to vary strongly according to the type of entry word he also supplied invented examples rather than citations when he thought it especially necessary to clarify the use of a word By contrast with the exception of biblical ones almost all of Webster s citations were taken from Johnson s Dictionary However Webster significantly made full use of such citations to express his view on word usage which differs essentially from Johnson s Besides Webster had a strong tendency to quote phrases and sentences from the Bible for the same purpose     **Johnson on Dryden and Pope** G. J. H. Clingham,1986     Boswell's Life of Johnson: Life (v.1, 1709-1765; v.2 1765-1776; v.3, 1776-1780;
