We See You! Daisy M. Jenkins, 2024-08-26 One warm Arizona morning Daisy Jenkins was talking with God during her daily walk and lamenting to Him about the negativity vitriol and hatred permeating US news media Whatever happened to kindness and goodness Jenkins wondered Why didn't newspapers and TV broadcasts ever highlight stories of love and support especially in the wake of the devastating COVID 19 pandemic Instead American society was being bombarded with reporting on the violence mass shootings political wrangling and racial injustice that kept our country angry mistrustful and constantly on edge God Jenkins said somebody needs to write more about the positive things happening in our world today God's answer was immediate You're a writer Why don't you write something positive and stop waiting for someone else to do it As soon as Jenkins heard this call to action she got to work This book features thirty amazing men ranging in age from twenty two to ninety eight with heartfelt and inspiring life stories to share Their experiences may not be a cure all for the troubles of this world but they offer us precious liberation even for a short while from negativity They remind us that when we look for goodness we will find that it is still alive and well and that it's high time we shine a brighter light on it to reveal the truth that the more we see the goodness around us the more we allow others to see it within us

Adventures of Wyatt West W. Todd Lindsay,2014-01-03 Wyatt West is a fictional Character in realistic situations Most of the stories are from memories of my family and friends Ranch and farm life is a totally different life from that of a kid that lives in a city So with the Wyatt West series people can learn what ranch life is like Many people cannot believe that there is anything to do in the country They think life would be boring without the city lights malls game rooms parks and many other activities to try to keep youth busy in a city In the country kids with free time make their own fun There are horses to ride and miles of land to explore Fun can be found with imagination and curiosity Safety is usually not a big concern because the kids learn from an early age the dangers of certain critters and equipment that can be around a ranch or farm Country kids learn to be respectful of adults and more self dependent from an early age It really is not much effort for a young person on a ranch to be responsible for the care and management of a horse Most kids in the country are expected to help with their part of chores and work around a ranch or farm It takes a family to manage a ranch or farm in todays economy
