Couples With Intellectual Disabilities Talk About Living And Loving:

Couples with Intellectual Disabilities Talk about Living and Loving Karin Melberg Schwier,1994 Ce document propose des informations sur les relations de couples des personnes ayant une déficience intellectuelle partir d'entrevue auprès de 15 couples de personnes ayant une déficience intellectuelle d'âges variés l'auteur partagent ces conversations où les personnes parlent ouvertement de leur partenaire de leurs espoirs de leurs aspirations ainsi que de leurs désires les plus secrets

Disability and the Life Course Mark Priestley,2001-07-05 Disability and the Life Course first published in 2001 explores the global experience of disability using a novel life course approach The book explores how disabling societies impact on disabled people's life experiences and highlights the ways in which disabled people have acted to take more control over their own lives It provides a unique combination of analysis policy issues and autobiography offering the reader a rare opportunity to make links between the theoretical the political and the personal in a single volume The material is set in a truly international context with contributions from thirteen different countries bringing together established and emerging writers both disabled and non disabled The book bridges some important gaps in the existing disability literature by including issues relevant to disabled people of all ages and with different kinds of impairments and also by offering a unique analysis of the relationship between disability and generation in a changing world

Rethinking Disability Patrick Devlieger,Beatriz Miranda-Galarza,Steven E. Brown,Megan Strickfaden,2016-06-15 The act of life is a lived experience common and unique that ties each of us to every other lived experience The fact of disability does not alter this fundamental truth In this edition of Rethinking Disability World Perspectives in Culture and Society we are presented with a system of thinking that considers the values of disability as a resource as a creative source of culture that moves disability out of the realm of victimized people and insurmountable barriers and provides opportunities to use the experience of disability to enter into networks that recognize strengths of differing abilities The authors within will intrigue you will move you will charm you but always will challenge your notion of sameness and difference as they confront the construct and de construct of disability and ableism They present compelling arguments for viewing disABILITY through the multiple lenses of disability culture They explore themes and issues that transcend past and origins time and place nuances of genetics to experiences of present and becoming and towards the future and beyond mere human yet always intrinsically connected to being human This book is intended for all audiences who dare to confront difference and sameness within themselves and in connection with others to inspire researchers who wish to explore and examine disability across social cultural and economic barriers It is an invitation to push away the barriers bring ableism inside to a place where the prosthesis is no longer the elephant in the room

Solitary Courage Mona Winberg,2010-10-26 Solitary Courage is the story of a mother's tough love determination her severely disabled daughter's astonishing triumphs and a documentary record of the political battles organizational conflicts and human struggles that citizens with disabilities face and fight every day of their lives Mona Winberg became a pioneer of

independent living and emerged a leading advocate for citizens with mental and physical disabilities Her courageous causes erupted from her deep reservoir of compassion and concern Her unflinching challenges to the status quo expressed both optimism and realism about life and society Her life is testament to the power of Solitary Courage Between 1986 and 1999 she was the only newspaper columnist in North America regularly writing about disability issues Through her award winning column Disabled Today in Toronto's Sunday Sun Mona Winberg painstakingly built up a body of work of more than 600 articles chronicling front line battles for equality She was a realist a wise person with a no nonsense approach kindly but clear eyed Solitary Courage begins with the story of Mona Winberg's life followed by a representative selection of 156 of her columns organized into 20 thematic chapters the best of Mona in her own words The last part of the book reflects upon Mona Winberg's legacy of lessons that still connect to programs and policies touching the lives of Canadians with disabilities today The subjects are wide ranging and engaging because Mona used personal examples of individuals with disabilities and news making issues raised by their plight She also reported on the street level outcomes of government policies This variety and approach to disability issues provides real education and genuine human interest whatever a reader's background or experience Theology and Down Syndrome Amos Yong, 2007 While the struggle for disability rights has transformed secular ethics and public policy traditional Christian teaching has been slow to account for disability in its theological imagination Amos Yong crafts both a theology of disability and a theology informed by disability The result is a Christian theology that not only connects with our present social medical and scientific understanding of disability but also one that empowers a set of best practices appropriate to our late modern context Publisher description The Audacity of Inclusion Dulcie McCallum, 2024-10-04 One beautiful surprisingly warm spring morning on the isolated islands of Haida Gwaii an insight smacked Dulcie McCallum in the face with the force of an unexpected tsunami at the heart of it all the law was the culprit Rather than promoting rights the law was itself the taproot of injustice For people with an intellectual disability the law is what defines their disadvantage not their disability For every child diagnosed with the label of intellectual disability there remains a certain lousy predictability to the way they will be treated by society and the prejudice that will haunt them Officially labelled with the r word they have also been tagged with imbecile or moron Often treated as objects of pity or charity segregated in special schools sheltered workshops and institutions they are consigned to the sidelines of society Their erasure as full persons reached unimaginable heights during eugenics which led to systemic sterilization and en masse extermination But fear is warranted as pervasive victimization remains a threat Their intentional exclusion has done and continues to do inestimable damage The Audacity of Inclusion will crack open the vault of injustices perpetrated against people who have an intellectual disability helping shatter preconceptions and opening new ways of seeing people who are forced to live with a legally sanctioned label In telling their stories Dulcie had the support and wisdom of self advocates Canadians Barb Goode Harold Barnes and Sir David Weremy and New Zealander the late Sir Robert Martin each of whom

made invaluable contributions **Disability Reader** Tom Shakespeare,1998-09-23 A collection of essays exploring the intellectual implications of a disability equality perspective Leading social scientists draw on current theory and research and offer an overview of contemporary debates **Deinstitutionalising Women** Kelley Johnson,1998-10-13 An ethnographic study of deinstitutionalisation explores the lives of women with intellectual disabilities **The Handbook of Intellectual Disability and Clinical Psychology Practice** Alan Carr,Christine Linehan,Gary O'Reilly,Patricia Noonan Walsh,John McEvoy,2016-04-12 The Handbook of Intellectual Disability and Clinical Psychology Practice will equip clinical psychologists in training with the skills necessary to complete a clinical placement in the field of intellectual disability Building on the success of the previous edition this handbook has been extensively revised Throughout the text references and website addresses and have been updated to reflect important developments since the publication the first edition Recent research findings on the epidemiology aetiology course outcome assessment and treatment of all psychological problems considered in the book have been incorporated into the text Account has been taken of changes in the diagnosis and classification of intellectual disability and psychological problems reflected in the AAIDD 11 and the DSM 5 New chapters on the assessment of adaptive behaviour and support needs person centred active support and the assessment of dementia in people with intellectual disability have been added The book is divided into eight sections Section 1 Covers general conceptual frameworks for practice diagnosis classification epidemiology and lifespan development Section 2 Focuses on assessment of intelligence adaptive behaviour support needs quality of life and the processes of interviewing and report writing Section 3 Covers intervention frameworks specifically active support applied behavioural analysis and cognitive behaviour therapy Section 4 Deals with supporting families of children with intellectual disability genetic syndromes and autism spectrum disorders Section 5 Covers issues associated with intellectual disability first evident or prevalent in middle childhood Section 6 Deals with adolescent concerns including life skills training relationships and sexuality Section 7 Focuses on residential vocational and family related challenges of adulthood and aging Section 8 Deals with professional issues and risk assessment Chapters cover theoretical and empirical issues on the one hand and practice issues on the other They close with summaries and suggestions for further reading for practitioners and families containing a member with an intellectual disability Where appropriate in many chapters practice exercises to aid skills development have been included The second edition of the Handbook of Intellectual Disability and Clinical Psychology Practice is one of a set of three volumes which cover the lion s share of the curriculum for clinical psychologists in training in the UK and Ireland The other two volumes are the Handbook of Child and Adolescent Clinical Psychology Third Edition by Alan Carr and the Handbook of Adult Clinical Psychology Practice Second Edition edited by Alan Carr Muireann McNulty **Disability Studies Quarterly** ,1994 **Disability And The Family Life Cycle** Laura Marshak,Milton Seligman,Fran Prezant,1999-06-02 Subtitle on cover Recognizing and treating developmental challenges The Sexual Politics of Disability Tom Shakespeare,Kath Gillespie-Sells,Dominic Davies,1996

While the civil rights movement has put disability issues centre stage there has been minimal discussion of disabled people's sexuality. This book based on first hand accounts takes a close look at questions of identity relationships sex love parenting and abuse and demolishes the taboo around disability and sex. It shows the barriers to disabled people's sexual rights and sexual expression and also the ways in which these obstacles are being challenged. Various moving angry funny and proud. *The Sexual Politics of Disability* is about disabled people sharing their stories and claiming their place as sexual beings. It is a pioneering work and essential reading for anyone interested in disability or sexual politics. Teaching Students with Mental Retardation Michael L. Wehmeyer, Deanna J. Sands, H. Earle Knowlton, Elizabeth B. Kozleski, 2002. Read and profit. You cannot do the former without achieving the latter. *The Facts of Life-- and More* Leslie Walker-Hirsch, 2007. This thorough and highly readable guide gives social workers teachers and direct support professionals the comprehensive information they need to educate people with disabilities about sexuality and help them make the best possible choices across the life.

Mosby's Resource Guide to Children with Disabilities and Chronic Illness Helen M. Wallace, 1997. Featuring a foreword by C. Everett Koop this book is the most authoritative and comprehensive resource guide on the market for therapists and other health care professionals who service children with disabilities and chronic illness. The book is organized into sections describing the affected population legal and administrative issues solutions and chronic conditions and contains an appendix with an up to date list of resources for health care providers who work with the children affected. Above all else it emphasizes solutions rather than problems. **The Cumulative Book Index**, 1996. A world list of books in the English language.

Developmental Disabilities Bulletin, 1994. *A Guide to Consent* Robert D. Dinerstein, Stanley S. Herr, Joan L. O'Sullivan, 1999. A guide that explores legal implications of consent in critical life events such as adult guardianship sexual activity and home ownership. **Book Review Digest**, 1996. **Mental Retardation Sourcebook** Joyce Brennfleck Shannon, 2000. Basic Consumer Health Information about Mental Retardation and Its Causes Including Down Syndrome Fetal Alcohol Syndrome Fragile X Syndrome Genetic Conditions Injury and Environmental Sources Along with Preventive Strategies Parenting Issues Educational Implications Health Care Needs Employment and Economic Matters Legal Issues a Glossary and a Resource Listing for Additional Help and Information.
