Moody,1996 An upbeat look at one woman s experience with cancer that offers many personal details that medical personnel leave out and TV can t discuss Every three minutes a woman is diagnosed with breast cancer every 12 minutes a woman dies from breast cancer Offers from a survivor s personal experience hope to other women afflicted with the disease Serious subject matter treated with sensitivity and a touch of humor Courage Cancer is not only about cancer but also about transitions relationships with others and the struggle to make decisions Recounts 13 months of the author s life as she dealt with the simultaneous experiences of starting a new career sorting through her personal life and being diagnosed with breast cancer It offers hope to anyone who has ever been or is close to a victim of breast cancer **A Diary of Healing** Mary Ann Wasil,2013-03-20 A Diary of Healing is honest real scary and hysterically funny and I feel honored to have read it I know anyone who picks it up will feel the same way Jessica Podoshen The Oprah Magazine Mary Ann Wasil s hilariously touching account of her battle with breast cancer will have you laughing even as you re reaching for the tissue box Meg Cabot Author of The Princess Diaries and Size 12 and Ready to Rock At the time of my diagnosis I scoured the bookstores and internet for stories that would lift me up tell me this was do able I found very few My story is your story as long as your story is filled with unflinching hope Since I cant be right beside you to hold your hand and tell you you can do this I hope this book will be the next best thing **Love & Laughter** Marilyn R. Moody,2000-01-19 Love Laughter is the true story of the original American Online Cancer Survivors Support Group It was written to show the bonding between many courageous people who came together weekly in cyberspace to share their stories while going through their cancer experiences The title of the book is the essence of the story You may become teary eyed in places and for sure you will have many good laughs as these people bring lots of humor to the sessions The story is told in a two act play with two scenes each The period covered is from Halloween of 1994 through New Years Eve of 1995 There are some main characters and also people who drop in on occasion to participate in the cancer chat meetings You will probably find at least one person that you cant help falling in love with If you are a cancer survivor you will probably relate to what these people are experiencing and expressing in the group When the play was performed in Southern California it received excellent reviews People who never had cancer spoke about how much they learned about a cancer diagnosis Its informative sad funny and very very real Comments from audience members who had never touched a computer but who said theyd read about chat rooms in the newspapers stated that it gave them such a vision of what goes on in one that they now could understand what chat rooms are about One person who lives in the Midwest ordered a copy of the video tape of the play Shes not a cancer survivor and has never been in a chat room but she said watching the play made her feel like she was part of the group When you read the book you will probably wonder how cyberspace could be created on a stage but just let your imagination go with the story thats what I did when I wrote it Youll know whats going on and well Welcome to Cancer Survivors *Simple Pleasures*

Moody,2009-02-20 These quotes have been gathered from many different sources including other books magazines newspapers and internet sources such as various newsgroup lists The author has quoted those sources for the content and originators of quotes They are meant to be read enjoyed pondered and saved Some people are inspirational quote junkies as is the compiler of these quotes Whitaker's Books in Print ,1998 *The Journey Beyond Breast Cancer* Virginia M. Soffa,1994-05 Currently one out of every nine American women will be diagnosed with breast cancer at some time in her life Virginia Soffa who was diagnosed with breast cancer at age 38 takes a critical look at both conventional and alternative treatments and outlines a strategy to help women take an active role in preventing and treating the disease **Chicken Soup for the Cancer Survivor's Soul** Jack Canfield,Mark Victor Hansen,2012-08-28 More than 100 cancer survivors share their personal stories in this touching collection of Chicken Soup These heartwarming accounts of courageous people who found the power to battle cancer in their endless hope unwavering faith and steadfast determination will inspire you to adopt a positive attitude discover your faith and cherish every moment Just what the doctor ordered for healing your body mind and soul Strength Within: Overcoming Breast Cancer Leslie Wilson,2025-01-06 THE STRENGTH WITHIN OVERCOMING BREAST CANCER is a deeply personal and inspiring account of one woman s journey through the trials and triumphs of breast cancer This intimate diary chronicles the author s experiences from the moment of diagnosis through the grueling treatments and ultimately to the path of healing and recovery With raw honesty and unwavering courage she shares her fears hopes and the strength she discovered within herself This book is a testament to the resilience of the human spirit and a beacon of hope for anyone facing similar challenges After the Cure Emily K. Abel,Saskia K. Subramanian,2008-09 Chemo brain Fatigue Chronic pain Insomnia Depression These are just a few of the ongoing debilitating symptoms that plague some breast cancer survivors long after their treatments have officially ended After the Cure is a compelling read filled with fascinating portraits of more than seventy women who are living with the aftermath of breast cancer Having heard repeatedly that the problems are all in your head many don t know where to turn for help The doctors who now refuse to validate their symptoms are often the very ones they depended on to provide life saving treatments Sometimes family members who provided essential support through months of chemotherapy and radiation don t believe them Their work lives already disrupted by both cancer and its treatment are further undermined by the lingering symptoms And every symptom serves as a constant reminder of the trauma of diagnosis the ordeal of treatment and the specter of recurrence Most narratives about surviving breast cancer end with the conclusion of chemotherapy and radiation painting stereotypical portraits of triumphantly healthy survivors women who not only survive but emerge better and stronger than before After the Cure allows us to hear the voices of those who are silenced by the optimistic breast cancer culture women who live with a broad array of health problems long after therapy ends Here at last survivors step out of the shadows and speak compellingly

about their real stories giving voice to the complicated often painful realities of life after the cure BOOK JACKET

Moody, 2000-01-19 Love Fear and Other Things That Cry Out In The Night Moments Alone With Agoraphobia was written by Marilyn R Moody approximately 20 years ago At that time in her life she was diagnosed with this illness It was a difficult way to live Because she had young children she managed to keep working feeling responsible for their financial needs even though she was married to a very supportive man Writing was one of the ways she coped with the fears brought on by agoraphobia Ms Moody saved the writing from that time Over the years as she has grown healthier and stronger she would often take out the book that originally was written for her eyes only

to read again her thoughts from that time in her life She would then realize how far she had progressed Now she has included those writings into one book to share with others who might also be experiencing the devastating effects from agoraphobia She would like them to know that they are not alone No Less a Woman Deborah Hobler Kahane,1995 Addresses the emotional and psychological issues that face women with breast cancer especially those who lose one of their breasts to the disease Covers femininity sexuality intimacy and more Love Always John Charles Corrigan,2020-11-06 It started with a worrisome lump in Donna s neck It was May 2017 At the time John and Donna Corrigan were looking forward to the publication of John s debut non fiction title about the Red Knight John had spent twenty four years doing meticulous research on the Royal Canadian Air Force s legendary solo aerobatic jet performer But suddenly that lump plunged the couple into a race for a diagnosis and prayers for an effective treatment Love Always chronicles the many efforts and lessons learned on a journey that consumed the Corrigans for eighteen months During that period Donna endured two rounds of chemotherapy a radical mastectomy and twenty five radiation treatments followed by more radiation before she finally succumbed to Triple Negative Breast Cancer TNBC a rare and aggressive form of the disease Written with the hope of helping others on their breast cancer journey Love Always lays out the challenges and hopes for couples and families facing a potentially terminal breast cancer diagnosis It isn t pretty but it shows there is a community of loving support from family friends health care professionals and even strangers making it possible to move through the bleakest of times with love hope and the knowledge that we are never alone [http www facebook com booksbyjohncharlescorrigan](http://www.facebook.com/booksbyjohncharlescorrigan) **Forthcoming Books** Rose Army,2003
