Bill Mosley, William Mosley

Courage For Today Hope For Tomorrow A Story Of The Revelation By Onstad:

Paradise Restored Bill Mosley, William Mosley, 2004 Bill Mosley believes the book of Revelation has had a bad rap while it has the reputation of being a gloomy diatribe about a terrible Day of Judgment and Wrath it is actually full of action and praise of God Paradise Restored is a set of 15 practical and positive meditations that invites readers to take a new look at this most misunderstood book in the Bible Focusing on how Revelation proclaims the cross and celebrates salvation rather than on dreary apocalyptic adventures these uplifting messages emphasize the message of Christ's redemptive power that lies at the core of all its colorful symbolism Paradise Restored provides a complete integrated preaching program that ties together the Lenten pilgrimage with the Easter celebration Seven sermons for Ash Wednesday and Lent examine each of the letters to the seven churches in Asia Minor that comprise the second and third chapters while additional messages for Good Friday and the seven Sundays of Easter are based on other texts from Revelation mostly lectionary pericopes John's vision thus moves from the practical considerations of the seven churches to the glorious sight of the New Heaven and the New Earth But this book isn't only for preachers it's also great for devotional reading or as a user friendly way to dip your toes in the book of Revelation Bill Mosley has pastored several congregations in Texas specializing in rural and small church settings Currently he serves Trinity Lutheran Church in Frelsburg Texas and St John Lutheran Church in New Ulm Texas Mosley is a graduate of Texas Lutheran University and Luther Seminary His writing has been published in Emphasis preaching journal Lutheran Digest Alfred Hitchcock's Mystery magazine Boy's Life and KiteLines magazine

The Seven Cities of the Apocalypse and Roman Culture Roland H. Worth Jr., 2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book The Seven Cities of the Apocalypse and Greco Asian Culture will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book

combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah [Courage for Today, Hope for Tomorrow](#) Esther Onstad,1993 [The Seven Cities of the Apocalypse and Greco-Asian Culture](#) Roland H. Worth,2019-05-07 The companion to The Seven Cities of the Apocalypse and Roman Culture this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties

and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome s general impact upon the region traced in the Roman Culture volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE The Cumulative Book Index ,1995 A world list of books in the English language **Weekly Record** ,1974 *A Guide to Biblical Resources* Iris V.
