Courage James A. Beers, 2018-06-18. The Church opposes any unjust treatment of homosexual persons, insisting on their equal dignity before God and firmly correcting anyone who in any way ridicules homosexual persons. It is also the duty of the Church in every diocese to provide adequate pastoral programs to help homosexual men and women live the Gospel to the full. Father John F. Harvey, Founder of Courage. For more than thirty years, Courage has been helping same sex attracted Catholic men and women to lead chaste lives. This book will relate not just the history of the apostolate but how and why it was founded. It will introduce readers to the numerous souls whose lives were changed by following the goals of Courage and who found peace, understanding, and joy in choosing a life of chastity. This book is an attempt to tell the story of Courage from the point of view of a member. Founded in 1980 in New York, Courage has grown into an international organization. Yet its very existence seems to defy the tide of the popular culture. In spite of pressure on all sides and even from inside the Church, Courage continues to stress the traditional teachings of the Church. While society's attitudes toward sexuality have changed, the teachings of the Church have not. It is possible that of all the Church's teachings, none has been more distorted and misunderstood than the teaching regarding human sexuality. Yet the Church could not be more clear: all of us, homosexual and heterosexual, are called to be chaste.
