Torn From the Inside Out Sara Niles, 2024-02-19

Extreme Abuse Memoir Malignant Psychopathic Narcissists create warped tools of manipulation and control skillfully gathered from the wreckage of their own childhoods which they will use to sadistically torture and destroy you A violent abuser will win at all costs for what they eventually can no longer control they seek to destroy The legacy of such darkness is chaos and despair and too often death In 1973 when only sixteen years old and freshly baptized as a Jehovah's Witness Sara Niles married such a man in the visage of Thomas Niles The Mask of Sanity which he wore hung loosely for the least disruption revealed the evil behind the mask The surreal world of love and horror of elation and heart breaking despair capable of crushing hopes and dreams is a pain that tears the soul From the Inside Out Malicious Abusers will break not only bones of their victims but their spirit over time in a horrific attempt to dominate and control every facet of their victims lives The nightmare that began in 1973 lasted almost fifteen years but it did not start there Arkansas 1960 On a sunny morning a white haired eighty year old man walked up a steep hill deep in the countryside of Southern Arkansas and walked away with a three and one half year old little dirty girl child riding high atop his shoulders holding tightly onto the old man's bald head The little girl was scared hungry as always and she had no idea of the home she was going to The little girl had been given away by her biological mother to an elderly Great uncle the brother of her maternal grandmother That little girl was Me Sara Niles I lived a fairytale life on the Flower Bed of Eden at least that is how it all began Fast Forward February 13 1987 I am going to kill you DEAD screamed my husband and father of my five children Thomas Niles as I flew down the stairs of the townhouse two steps at a time running for my life Domestic Violence homicide had taken the lives of two local ladies that I knew well only a few years earlier murdered by their long time husbands each much like mine I was about to suffer the same fate I was going to die that night I knew it as the thunder storm raged outside a worse storm raged inside Every life carries a tale a backstory of origins choices successes and failures for a life is no small thing to live some lives are smooth like paved

roads while others are bumpy and fraught with danger An unconventional life one without the prerequisite cushions of predictability and stability is especially fraught with dangers as was mine The crisis created by unforeseeable events and circumstances as biblically stated Time and unforeseen occurrences befall them all befell me more times than I could count I lived a dangerous life with a dangerous barely escaping with my life Sara Niles From the Garden of Eden straight into Hell In 1973 Sara married Thomas Niles which negatively altered the outcome of Sara Niles life Saved from trauma as a child nurtured and trained in sound moral principles by loving relatives nothing prepared Sara for life with Thomas Niles The Fairy tale wedding in a Jehovah s Witness Kingdom hall packed to the four walls soon became a prolonged nightmare in which the hopes and dreams of a talented child were singularly shelved in favor of survival The Storm that ignited as an innocent marriage before man and God would last awhile because unbeknown to Sara she had married a monster in disguise I am a different Sara Niles than the young girl of my long gone youth I have the insight young Sara never had and I am much wiser and stronger than the infatuated young girl that I once was I will be your narrator as you journey with me across time and space back to where it all began

In *The Phantom Treasure* Harriet Pyne Grove crafts an enthralling narrative that deftly intertwines elements of mystery adventure and historical fiction Set against the backdrop of a crumbling estate in the English countryside the novel follows a group of young treasure hunters as they unravel clues that lead to a long buried family secret Grove employs a rich descriptive prose style that evokes a hauntingly atmospheric landscape drawing readers into the intricate tapestry of familial bonds and the weight of history The novel s exploration of themes such as loss loyalty and the passage of time resonates with the echoes of Victorian literature while remaining vibrant and accessible to contemporary audiences Harriet Pyne Grove an author known for her passion for history and storytelling draws inspiration from her own experiences of exploring her ancestors estates as a child Grove s academic background in literature and history informs her narrative as she meticulously intertwines fact with fiction resulting in a poignant reflection on how legacies shape identities Her previous works reveal a recurring interest in the past and its influence on present day relationships making *The Phantom Treasure* a compelling addition to her oeuvre I highly recommend *The Phantom Treasure* to readers who enjoy a multifaceted adventure that challenges the boundaries between myth and reality Grove s skillful character development invites readers to engage with the protagonists emotionally while the suspenseful plot keeps them on the edge of their seats This novel promises not only to entertain but to inspire a deeper contemplation of one s own heritage and the mysteries that lie within
