Cowboy And A Gentleman:

A Cowboy & a Gentleman Ann Major, 2006-02-01 It's been eight years since rugged cowboy Anthony Duke shared one very special night with sassy Zoe Ryan. That night changed his life or did it? Zoe doesn't think so. She still believes that Anthony later cheated on her. But despite marrying Anthony's rich uncle on the rebound, inheriting millions upon his death and skipping town to escape the scandal, Zoe can't stop thinking about the man who crushed her heart. Now widowed and vulnerable, Anthony's not sure he'll ever be able to love anyone besides his little boy Noah. But when Anthony bumps into Zoe on vacation in Greece, he knows his meddling mother has duped him. Maybe this match made in Texas has got some staying power after all.

[Dating Diva Adventures](#) Lori Lemon-Geshay, 2011-03-01 *Dating Diva Adventures* begins with three BFFs in tow, and they created an online dating profile for Lori with a well-known social networking site. After over 3,286 hits in thirty days, Lori set out on a journey of self-discovery in hopes to learn about human behavior, her needs, her desires, and basic human interaction while on the quest for true love. During this process of first dates, she met some incredible individuals and learned about common dating faux pas and areas of opportunity that we all have. The book *Dating Diva Adventures* is meant to be lighthearted fun and introspective. It is not about the hunt for a man, nor is it about marriage or finding a rich sugar daddy. Lori says she'll leave that to the experts. She's a woman of substance, has her own financial means, and she doesn't need a man for that, nor do you. Nelson, 2017-11-01 The politics of popular westerns are surprising in substance and significance especially of late Cowboy Politics shows how westerns in literature cinema and television face the challenges of Western Civilization even more than the perils of American frontiers Its strategy is to compare key westerns with major theories of modern and postmodern politics So it analyzes novels from Owen Wister to Zane Grey and Larry McMurtry It focuses on films from the western revival beginning in the 1990s and featuring Clint Eastwood s Unforgiven while its interest in TV stretches from singing cowboys and Gunsmoke to David Milch s Deadwood Critics are apt to find in westerns the modern politics of Thomas Hobbes and John Locke They tap devices of individuality rationality contract sovereign enforcement and representation to overcome the chaotic violence of a wild zone Cowboy Politics examines how westerns often find such measures insufficient to tame the West as a culture of honor and anger that deteriorates into feudal vengeance Instead westerns see the West as the sunset land that is already growing old and moving on So westerns seek fresh starts informed by comparing civilizations more than demonizing savages Westerns worry that modern politics devolve

into exploitation oppression spectacle and terror So they pursue supplements in such postmodern politics as republicanism perfectionism populism feminism and environmentalism Especially westerns explore politics of persuasive speech in action in public doing beauty and self reliance in the modes of Hannah Arendt and Ralph Waldo Emerson The first two chapters of *Cowboy Politics* explain how westerns do political theory for popular audiences by making many of our myths the symbolic stories of individuals and communities which we live daily The next three chapters trace the initially modern theories of government in many westerns Then western turns to republican honor rhetoric response ability and character tracking occupy the following four chapters And these set the stage for another four chapters on western attention to postmodern terror mythmaking celebrity spectacle and forgiveness The final two chapters analyze how late satirical and transformative westerns develop realist defenses for their surprisingly postmodern politics
