Exploring Animal Encounters Dominik Ohrem,Matthew Calarco,2018-07-28 This collection of essays offers multifaceted explorations of animal encounters in a range of philosophical cultural literary and historical contexts Exploring Animal Encounters encourages us to think about the richness and complexity of animal lives and human animal relations foregrounding the intricate roles nonhuman creatures play in the always already more than human sphere of ethics and politics In this way the essays in this volume can be understood as a contribution to alternative imaginings of interspecies coexistence in a time in which the issue of human relations with earth and earth others has come to the fore with unprecedented force and severity Anne Williamson,Severn Williamson Anne Severn Williamson,2010-01 Anne Severn Williamson gallops into the realm of Popular Fantasy on the back of a real Mountain Horse from Ghost Horse Hollow Join Panther Dale and the eclectic MacKennon homesteaders of the Appalachian wilderness as they battle to restore the balance of Nature during the wake of dramatic Earth changes With refreshing humor vivid imagery and heartfelt concern for our planet her new series The Fairy Lore of Ghost Horse Hollow delivers a breathtaking nine part saga full of clever fairies brave woodland allies and legendary blue eyed horses As the Wheel of the Year spins round The Holly King Part I of the First Triad of the series launches the magical adventures and introduces the first three laws of the Fairy Lore wisdom destined to uplift both humans and magic kindred alike Never before have the cross roads between reality and fantasy seemed so tempting and so applicable to our time Grab your copy and enter the Fairylands but be forewarned readers of all ages will never want this wild ride to end **New Mexico's Continental Divide Trail** ,2001 The landscape of New Mexico inspires a sense of peace awe and grandeur unlike any other state and it contains some of the country s most remote and unexplored natural areas For day hikers campers or backpackers planning a long trek this guide is absolutely essential for charting your way through this rugged and dramatic landscape Well known writer Bob Julyan s precise and entertaining prose combined with Tom Till s extraordinary photographs lead the reader through hundreds of miles of breathtaking scenery *Societies of Wolves and Free-ranging Dogs* Stephen Spotte,2012-03-15 The first comprehensive assessment of societies of gray wolves and free

ranging dogs with an emphasis on behavioral ecology I Know It's Dangerous Lynnaire M. Sheridan, 2022-04-19 Migration from Mexico to the United States has become an increasingly volatile topic The news is filled with stories of deaths protests and amnesty debates With the constant buzz about migration in the political economic and legal spheres the migrants themselves easily become a dehumanized multitude I Know It's Dangerous Why Mexicans Risk Their Lives to Cross the Border strives to put a human face on the issue of migration and effectively turns the statistics we hear so often into individuals with real lives needs and desires As an Australian national Lynnaire Sheridan brings a refreshingly neutral voice to this hot button topic With data gathered over two years of living in Baja California Mexico Sheridan draws out individual stories motivations and conceptions of risk that ultimately allow us a deeper understanding of migration Sheridan enriches the migrants stories with examinations of popular songs graffiti art on the border analyses of newspaper articles and in depth interviews with migrants Together these narratives show us that risk has become a strong motivating factor for migrants and that stricter border policies have not necessarily stemmed the rates of migration they have merely changed how people migrate Sheridan's findings have broad implications for both those interested in migration from Mexico to the United States and international migration scholars This book will appeal to a range of disciplines in the humanities from anthropology and criminology to art and ethnic studies It will also resonate among legal professionals policy makers and social workers While numerous books have focused on the act of migration and its ripples across both the United States and Mexico this book is unique in its attention to migrants in Mexico and its ability to draw out their individual stories **Richard Linklater** David T. Johnson, 2012-03-30 This title provides an incisive analysis of popular American filmmaker Richard Linklater

Enantiodromia Rote Writer, 2010-01-01 In the middle of the very first night alone Tim hears an awful sound Not gnashing but a gnawing so loud it carries through the wall tent into the caretaker's cabin Now gnawing on its own in clear daylight with whomever or whatever visible in the act is acceptable It doesn't evoke any imagination You see it you believe it and after acknowledging it you move on or do something about it Gnawing in the middle of the night where many a bear rambles and ambles by even leaving a mark or two way up on the lodge's long legs holding up the large deck overlooking the lovely lake takes on a different sound A sound that when you wake up to well into the wilderness makes you wonder why you talk to yourself asking and answering questions What the hell is that Is it in the cabin No Is it just outside the cabin I don't think so but it's so hard to tell the way sound carries out here Maybe I'll check Maybe I'll just pull the bedcovers up more and hope it goes away Then you hear it again and again as if whatever is making the noise has no care or concern that first you're sleeping second you would like to go back to sleep and third you don't want to be woken up again But the sound doesn't stop I can't sleep now what the hell is that what makes that kind of sound Nothing's trying to get in through the window Nothing on the raft like deck I'll have to step outside and take a look He looks at the thirty eight six still sheathed in its scabbard by the door before stepping outside Tim's memories of The Yukon bring him back to his past and pave the way to his future
