"My knight in shining armor, you've returned! How did your journey through time go, darling? Did you save the damsel?"

"Damsel, I thought it would work this time!"

"Whatever do you mean? Why am I speaking like this? Oh my, I feel like a princess! Whatever has come over me!"

"Yeah, I didn't think it could get worse. So I doubled down and spoke to your parents again."

"Good Gracious, I remember now! My parents decided to raise me like a little princess and actually enrolled me into those Lady Etiquette Classes and Ballet Lessons. I'm practicing to play Cinderella for my next ballet recital! I can't stop acting like this, I've been practicing to be a princess my whole life!"

"Well at least you're not a maid this time! Hell, you look good! You almost look like you're enjoying yourself!"

"Awwe, thank you! You're lucky a lady never gets mad or I'd be so upset with you, and of course I'm enjoying this! It's been my dream since I was a little girl. That's not the point though, darling!"

"Right, from now on I'll avoid your parents. They were the ones who made you the lady you are today, correct?"

"Of course, ever since I was little I've been daddy's little princess!"

"I get it! Don't worry though, as soon as I figure out what point in time turned you into a girl, then everything should start getting back to normal. I'll be back in no time!"

"My hero!"

"Time Machine flashes and disappears"

"Goodness, did I just call him 'my hero'? I'm such a princess! Oh, I certainly do hope he saves me. Until then I guess it's back to practice."
