Hopkins,2008-07-14 Broken Under Interrogation by Jeffrey M Hopkins brings into stark perspective the lasting impact of war's painful legacy a world morally skewed by cruelty and twisted with self interest Through a series of

reminiscences scattered throughout a brutal interrogation Hopkins's jolting and austere portrayal of one man's crusade to mete out justice challenges pat notions of right and wrong good and evil and the sanctity of the American Dream Hopkins explores human nature in a context overflowing with moral ambiguity and ethical doubt where the lines between justice and degradation become blurred if not made thoroughly invisible With kick in the teeth style and a narrative voice that demands attention *Broken Under Interrogation* imparts a cautionary tale of what might be a story as chilling in its contemporary significance as it is ominous in its vision of the future

The Silver Bullet Solution James E. Gierach, 2023-11-21 What's been missing the past 30 years that prevented voters and leaders from hearing or acting upon the Gierach call and the Civil Society call for legalized controlled and regulated drugs and drug markets Why the public repulsion from the Silver Bullet Solution to the many tentacled drug prohibition monster Have you lost a child to fentanyl or heroin overdose Are you worried about losing a loved one to drug addiction or drug accident Is your neighborhood threatened by violent crime and gangs Is it safe for your child to get to school go to the park or play outside Do you live in a safe suburban neighborhood but yet feel like you need a firearm to be safe in your own home car or traveling on a big city expressway Do you believe the World War on Drugs 62 years old has been a dismal failure and ongoing drug seizures by the ton are evidence of that failure Regardless of color does it anger you that Blacks Latinos and poor Whites are sitting in American prisons for drug crimes at disparate rates Did you know that drug prohibition causes needless bullet holes and that bullet hole healthcare greatly contributes to an unaffordable healthcare system whether called Obamacare Trumpcare or Single Payer This book offers answers to these challenges and it broadcasts the idea that there is something YOU CAN DO about it You can help the new public opinion evolve

Billions to Bust and Back Thor Bjorgolfsson, 2014-11-27 Thor Bjorgolfsson is a self-styled adventure capitalist with an addiction to debt and an insatiable appetite for business deals who became Iceland's first billionaire After 10 years establishing his financial empire with alcopops and beer in the lawless Wild East of newly capitalist Russia in the 1990s he moved on to merging floating spinning off and privatising businesses from Finland to Sweden Poland Bulgaria Serbia Greece and the Czech Republic On his 40th birthday and worth 3.5 billion he was sitting on top of the world only 250 people in it were richer than him His most spectacular triumph was the takeover of Iceland's second largest bank Landsbanki he had expected his investment's value to double or treble in four years and instead it rose ten fold But when financial meltdown hit Iceland in October 2008 Landsbanki crashed and burned taking Bjorgolfsson with it Within 12 months he had lost 3.3 billion euros 98.5% of his wealth and was treated as a scapegoat in his native country for supposedly bringing about the disaster Faced with appalling debts Bjorgolfsson has made good on his promises to repay his creditors and at the age of 47 is now a billionaire once again

Banished to the Homeland David Brotherton, Luis Barrios, 2011 The 1996 U.S. Immigration Reform and Responsibility Act has led to the forcible deportation of tens of thousands of Dominicans from the United States Following

thousands of these individuals over a seven year period David C Brotherton and Luis Barrios use a unique combination of sociological and criminological reasoning to isolate the forces that motivate emigrants to leave their homeland and then commit crimes in the United States violating the very terms of their stay Housed in urban landscapes rife with gangs drugs and tenuous working conditions these individuals the authors find repeatedly play out a tragic scenario influenced by long standing historical injustices punitive politics and increasingly conservative attitudes undermining basic human rights and freedoms Brotherton and Barrios conclude that a simultaneous process of cultural inclusion and socioeconomic exclusion best explains the trajectory of emigration settlement and rejection and they mark in the behavior of deportees the contradictory effects of dependency and colonialism the seductive draw of capitalism typified by the American dream versus the material needs of immigrant life the interests of an elite security state versus the desires of immigrant workers and families to succeed and the ambitions of the Latino community versus the political realities of those designing crime and immigration laws which disadvantage poor and vulnerable populations Filled with riveting life stories and uncommon ethnographic research this volume relates the modern deportee's journey to broader theoretical studies in transnationalism assimilation and social control
