Country Wooing:

A Country Wooing Joan Smith, 2010-09-16 Anne Wickfield welcomed Alex Penholme's return from the Peninsular war but it was his older brother she'd given her heart Charles was dead now and as the evidence of his spendthrift ways mounted Anne realized she'd revered a spectacularly selfish man But her growing love for Alex was still threatened by Charles's legacy of debt Regency Romance by Joan Smith originally published by Fawcett Crest Japan and China as Charm Rivals Jing Sun, 2012-08-02 Two Asian powers compete for the goodwill of their neighbors The Roxburghe Ballads William Chappell, 1891 Publications Ballad Society, 1891 **Feminisms and Womanisms** Althea Prince, Susan Silva-Wayne, 2004 Feminisms and Womanisms brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women's social action The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination The terms also define the way gender often has been used to signify and support domination Given that feminism and womanism are interpretive concepts there is always a sense that knowledge making is in progress for there is nothing static or stagnant about feminism feminist theory and feminist action The formative nature of the feminist movement has of necessity a parallel interpretive theory This reader embraces both the formative nature of the movement and the accompanying interpretive theories It also pays attention to the chronological cultural geopolitical racial and ethnic landscapes and sites where women live carry out social action and theorize issues of equality For both the general and academic reader this book will be edifying while providing exposure to the feminist womanist voices that inform the scholarship , **Shakespeare's Library** William Carew Hazlitt, John Payne Collier, 1592 *Shakespeare's Library* , 1843 109 East Palace Jennet Conant, 2007-11-01 From the bestselling author of Tuxedo Park the extraordinary story of the thousands of people who were sequestered in a military facility in the desert for twenty seven intense months under J Robert Oppenheimer where the world's best scientists raced to invent the atomic bomb and win World War II In 1943 J Robert Oppenheimer the brilliant charismatic head of the Manhattan Project recruited scientists to live as virtual prisoners of the U S government at Los Alamos a barren mesa thirty five miles outside Santa Fe New Mexico Thousands of men women and children spent the war years sequestered in this top secret military facility They lied to friends and family about where they were going and what they were doing and then disappeared into the desert Through the eyes of a young Santa Fe widow who was one of Oppenheimer's first recruits we see how for all his flaws he developed into an inspiring leader and motivated all those involved in the Los Alamos project to make a supreme effort and achieve the unthinkable **Catalogue of the Central Lending Library ...** , 1898 History of Crawford and Clark Counties, Illinois William Henry Perrin, 1883 **New Hampshire.
