Wolfelt,2008-06-01 With empathy and wisdom this resource provides 10 essential touchstones for hope and healing when enduring a divorce while simultaneously dispelling common misconceptions associated with divorce Stressing the importance of the need to fully mourn the loss of a relationship before moving on this compassionate guide written with a warm direct tone will help divorcees reconcile and discover a happy healthy life An appendix with useful meeting plans for group sessions is also included Seizing the Future Michael G. Zey, Seizing the Future is a brilliant and exuberant antidote to the pessimistic poison being peddled by fashionable declinists Ronald Bailey author of *ECO SCAM* A thoughtful argument of how the next generation will focus on massive industrialization rather than create strictly an information based economy Teresa McUsic Morning Star Telegram Marked by verve vision and a thorough familiarity with the field this book buoy the spirit challenges conventional thinking and arms the reader as do few comparable works in futuristics Engagingly written and free of both jargon and pretentiousness it sets a high standard for twenty first century explorations Arthur B Shostak Just Marriage Andrew Kim,2023-06-01 It is not difficult nowadays to find books decrying divorce and defending the Christian doctrine that marriage is a permanent union Such a teaching by its very nature raises the problem of how to respond when marriages become destructive The response generally given by church officials is that if grave danger is present spouses may separate Some denominations even allow for divorce and remarriage This response however is not particularly helpful for spouses not in grave danger but nonetheless in destructive

marriages nor does it tell us anything about how to avoid destructive marriages in the first place This book argues that just conflict in marriage can both prevent marriages from becoming destructive and be a path toward reconciliation for those who find themselves already ensconced within a destructive marriage The criteria for just conflict are adopted and translated from the just war tradition Though conflict in war and in marriage is quite distinct in both domains conflict is just if ordered to unity and reconciliation and unjust when it devolves into mere antagonism whether cold or hot Just conflict then is a path of reconciliation for Christian spouses whose faith rests in the Christ who makes all things new *The courage to divorce* Janiene Wilson,1984 **The Haunting of Mr and Mrs Stevenson** Belinda Lyons-Lee,2025-07-01 Before Jekyll and Hyde there was someone else The Haunting of Mr and Mrs Stevenson is a gothic delight It tells the story of Robert Louis Stevenson s friendship with the charming Eugene Chantrelle and the murder mystery that contributed to Robert s need to create a novel focused on the dualistic nature of the psyche From a s ance with the Shelleys at Boscombe Manor to a haunted wardrobe made by an infamous Scottish criminal the novel is underscored by the story of two writers very much in love Fanny and Robert were married in 1880 when she was forty and he was twenty nine An American who divorced her philandering husband to marry Robert she was already the mother of children a self supporting writer and with intelligence and wit very much the rock in their relationship Brilliantly told in Fanny s voice this atmospheric novel is both the story of an unconventional literary relationship and a page turning mystery that reveals the truth about the people objects and events that inspired Stevenson to write The Strange Case of Dr Jekyll and Mr Hyde Praise for Belinda Lyons Lee s Writing It s an exhilarating ride and the writing is astute and often elegant Thuy On Sydney Review of Books Lyons Lee can absolutely craft a ripping yarn Jodie Sloan The AU Review Fully researched but never lets the learning dominate Rather the sense of a lost time is palpable Lucy Sussex The Australian *Torn Asunder* McCarthy,2017 A timely unsettling of old settled questions surrounding divorce Amid the current nationwide debate over what marriage is this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced Upholding the inextricable link between our personal identity and our origin in a union of two and more deeply in the Fatherhood of God the contributors to this volume reflect on the damage that divorce does to children opening up important questions for all of us What does it mean to be human What does it mean to love and to marry After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents a so called good divorce these authors theologians philosophers political scientists lawyers psychologists sociologists and cultural critics effectively unsettle conventional opinion *The Politics of the Personal in Feminist Family Therapy* Anne M.
