Covenant Relationships A More Excellent Way:

Validating Committed Partnerships: a Still More Excellent Way Jim Bowden, 2012-12-21 Although written from a biblical Christian perspective, this book's theme has practical value for everyone. It presents a new relational paradigm supported by love, justice, mutuality, and other spiritual qualities. The author believes scripture teaches that all human beings are created to live in fulfilling relationships, even those who are homosexual. People of faith, family, however, nearly 50% of American citizens and church members do not support legalizing same gender marriage. This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined. Until the 20th century, procreation, be fruitful and multiply, was marriage's major purpose. While procreation remains important, mutuality has become the major emphasis. As written in Genesis 2:18 NRSV, God sought a partner for the man. In many marriages, partnership has replaced patriarchy, providing an enriching relational experience in family life. The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship. Marriage of male and female and the union of same gender couples will share the title, partnership, safeguarded by the same legal standards. For male and female, their title will be a marital partnership; for same gender couples, their title will be a same gender partnership. The More Excellent Way, 2006-10 This book investigates why, unlike in the early centuries, the ethical behavior of Christians today is so little different from that of non-Christians. It does this by first reviewing the teachings of Jesus about how Christians are to live and the positive response of early Christians to these teachings. The major portion of the book then documents how the rise of asceticism and the proliferation of church law came to eclipse Jesus' teachings of serving others through unselfish love. It reviews how Chrysostom, Augustine, Luther, and others tried to return the church to the New Testament way of life. The book reaches two conclusions: Christians today prefer to live by only avoiding the gross evils forbidden by the Ten Commandments rather than by Jesus' all-inclusive New Commandment of loving one another as he loved us. They are also willing to offer God the piety of churchly activity but what God also asks, a life of goodness serving one's fellowman, they feel is just asking too much. **The New Covenant as a Paradigm for**

Optimal Relations Pablo Polischuk, 2016-10-07 The New Covenant as a Paradigm for Optimal Relations regards the New Covenant primarily as a gracious and merciful redemptive deal springing from God's unilateral unconditional and proactive initiative. The New Covenant is adopted as representing both a salvific and an exemplary paradigm that displays God's gracious and merciful ways toward his children. Ten discrete yet interwoven principles are extracted from interpreted and abstracted from Scriptures pertaining to the promised New Covenant. These principles apply to those who as dearly beloved

children are invited to imitate God's loving ways. God's manner of love defines the foundational basis from which the author derives and elaborates the propositions that guide the considerations pertaining to thoughts, feelings, motivations, and behaviors that enter into play in relational transactions. In terms of style, an architectural design permeates the content of this book, offering and encompassing a metacognitive view of God's covenantal ways, a top-down perspective that applies to bottom-up endeavors of relational nature. The challenges posed by our cultural postmodern trends, devoid of absolute principles and lacking a moral compass, are countered and addressed by the author in insightful fashion, offering theologically based guidelines integrated to sound psychological principles applicable to psychotherapeutic and counseling endeavors, as well as to pastoral care.

A Most Excellent Way Christophe Chalamet, 2019-11-21 Faith, hope, and love are the three core realities of Christian existence. Far from being self-grounded, they are rooted in God's action and being in the gospel of Jesus Christ. Reflecting on the meaning these three realities have for us today, Christophe Chalamet argues that we gain a deeper understanding of them as we consider them in their interrelation rather than separately. The first disciples sometimes described their burgeoning tradition as the Way. The apostle Paul, who reflected on faith, hope, and love in his epistles, praised love as a most excellent way. This book, in constructive theology, drawing from a wealth of thinkers from the Christian tradition, broadly conceived, presents faith, hope, and love as the abiding response to God's faithfulness, God's justice, and God's love for the sake of this world.

A Faith Worth Living Chuck Queen, 2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like? Aimed at a wide audience, *A Faith Worth Living* provides one portrait. Chuck Queen weaves together biblical interpretations, theological reflections, and spiritual observations drawn from stories, movies, literature, and common life experiences in his argument for an inclusive Christianity. In a simple, though scholarly informed style, he addresses Christians, students of religion, and spiritual seekers. Key elements of the presentation include a transformative faith, holistic and non-dualistic God's dream for the world, kingdom theology, Jesus' nonviolent atonement, the church as a kingdom community, universal salvation, judgment, and the

cosmic Christ acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus *A Christian Directory* (Vol. 1-4) Richard Baxter, 2023-12-25 Richard Baxter's *A Christian Directory* is a monumental work of 17th century Puritan literature that seeks to provide a comprehensive guide for Christian living. Spanning four volumes, it encompasses a breadth of topics including moral theology, practical righteousness, and the roles of grace and faith in daily life. Baxter's literary style is characterized by clarity, didactic fervor, and an earnestness that resonates deeply with readers seeking spiritual guidance. Set against the backdrop of a tumultuous period in English religious history, this work reflects the tensions of its time, aiming to address both the spiritual and pragmatic needs of believers. Baxter, a prominent Puritan pastor and theologian, was profoundly shaped by the religious conflicts of his era, including the English Civil War and subsequent Restoration. His pastoral experiences and struggles with ecclesiastical authority deeply informed his writings, leading him to address the everyday challenges faced by Christians in a secular world. His profound commitment to the spiritual welfare of his congregation catalyzed the need for such a detailed directory. *A Christian Directory* is essential for anyone seeking a foundational text on Christian ethics and practice. Its practical wisdom and theological depth make it invaluable for both scholars and general readers interested in the evolution of Christian thought and the intricacies of living a life devoted to faith.

How to Break Curses & Covenant Yokes Off your neck Dr. Ikome S. Sako, 2010-12-16 The church of Jesus Christ is not sufficiently aware of the realities of curses, oaths, and covenants, and how some of these legacies affect the convert. Christians and even Christian leaders many today are deceived to think that the devil is only in the mind, equating the devil and all his wiles with mere psychological malfunctions. How can they believe in what they do not sufficiently understand? This book will attempt to bring the inquirer to the conclusion that negative spiritual legacies do exist and indeed affect many destinies adversely. It also prescribes a step-by-step scriptural solution on how to destroy oaths, covenants, curses, or negative genetic imports and altars affecting lives today.

How to Develop an Intimate Relationship with God Cedric Iglehart, 2021-08-20 Salvation is the greatest thing that can happen to any human. At the very moment that you wholeheartedly surrender everything to the Lord Jesus Christ, the old things pass away as you become a new creature and are truly set free from the bondage and dominion of

sin But salvation isn't the end it's only the beginning It's an entryway into the process of sanctification which is the means through which every Christian becomes transformed into the very image of Jesus Following the path from salvation to sanctification can only be done under the guidance of the Lord and His guidance is only made totally available to those who are close to Him This means that having a relationship with the Most High God is His intention for you it's the reason He extended His grace toward you in the first place This book will show you how to navigate from salvation into service and from there into sanctification by enlightening your understanding of what it means to be spiritually mature This book will take you through the truths of Scripture and reveal God's will for your life to you It will show you how to develop an intimate relationship with God by making you aware of your responsibilities in your interactions with Him and by showing you how to keep them through the practical application of the Word to your everyday life Ante-Nicene Christian Library Sir James Donaldson, Alexander Roberts, 1871
