Coventry David McGrory,1993-01-01 **The Book of British Topography. A Classified Catalogue of the Topographical Works in the Library of the British Museum Relating to Great Britain and Ireland** John Parker Anderson,2024-04-26 Reprint of the original first published in 1881 **The Book of British Topography** John Parker Anderson,1881 *Catalogue of the Reference Library* Birmingham Public Libraries,John Davies Mullins,1890 *Official Master Register of Bicentennial Activities. Jan. 1975* American Revolution Bicentennial Administration,1975 **Guide to the History and the Historic Sites of Connecticut** Florence S. Marcy Crofut,1937 **International Bibliography of Business History** Francis Goodall,Terry Gourvish,Steven Tolliday,2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians **Official Master Register of Bicentennial Activities** American Revolution Bicentennial Administration,1974

The Gentleman's Magazine, and Historical Chronicle, for the Year ... ,1852 New Coventry Guide; Containing the History and Antiquities of that City William Reader (of Coventry.),1824* **A Bibliography of British Industrial Relations 1971-1979** George Sayers Bain,J. D. Bennett,1985-12-05 The bibliography contains references to literature on British industrial relations published in the years 1971 to 1979 inclusive It includes books periodical articles theses government publications pamphlets and any other relevant publications As well as general material on industrial relations the bibliography includes material on employee attitudes and behaviour employee organisation employers and their organisation collective bargaining industrial conflict industrial democracy the labour market training employment unemployment labour mobility pay conditions and the role of the state in industrial relations It is cross referenced and has an author index It is a supplement to the volume compiled by George Bain and Gillian Woolven published by the Press in 1979 and for the years since 1980 is itself updated by annual articles in the British Journal of Industrial Relations The material is arranged by subject and chronologically within that framework *Tracing Your Coalmining Ancestors* Brian Elliott,2014-02-11 A meticulous mixture of social and family history Whether or not you have mining connections this is an interesting socio economic read Your Family Tree In the 1920s there were over a million coalminers working in over 3000 collieries across Great Britain and the industry was one of the most important and powerful in British history It dominated

the lives of generations of individuals their families and communities and its legacy is still with us today many of us have a coalmining ancestor Yet family historians often have problems in researching their mining forebears Locating the relevant records finding the sites of the pits and understanding the work involved and its historical background can be perplexing That is why Brian Elliott s concise authoritative and practical handbook will be so useful for it guides researchers through these obstacles and opens up the broad range of sources they can go to in order to get a vivid insight into the lives and experiences of coalminers in the past His overview of the coalmining history and the case studies and research tips he provides will make his book rewarding reading for anyone looking for a general introduction to this major aspect of Britain s industrial heritage His directory of regional and national sources and his commentary on them will make this guide an essential tool for family historians searching for an ancestor who worked in coalmining underground on the pit top or just lived in a mining community As featured in Who Do You Think You Are Magazine and the Barnsley Chronicle A
