traditional tales of the Adirondacks and of Native peoples everywhere Joseph Bruchac has performed throughout the world That gift for narrative informs this revealing autobiography **Wheels of Her Own** Carla R. Lesh,2024-03-25 Women used

automobiles as soon as they had access to them Black Indigenous and White American women utilized the automobile to improve their quality of life and achieve greater freedom These women shared unique concerns and common aims as they

negotiated their way through a time when advocacy for social change was undergoing a resurgence The years that brought the automobile to the United States 1893 1929 also brought increased legal and social restrictions based on racism and

gender stereotypes For women the automobile was a useful tool as they worked to improve their quality of life The automobile provided a means for Black Indigenous and White women to pull away from limitations and work toward greater

freedom Exploring these key issues and more this book is a history and social exploration of women and the automobile

during the early automotive era Deepening Literacy Learning Mary Ann Reilly, Jane M. Gangi, Rob Cohen, 2010-09-01

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction, poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that while films can be used to complement print literature, they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language, including traditional elements as well as metafictional terms, enables readers to share in a literary conversation with their students and others when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Red Land, Red Power Sean Kicummah Teuton, 2008-06-03 A new interpretation of the literature of the Red Power movement that reconceives the role of identity in the political empowerment of Native Americans.

The Common Pot Lisa Tanya Brooks, 2008 Literary critics frequently portray early Native American writers either as individuals caught between two worlds or as subjects who even as they defied the colonial world struggled to exist within it. In striking counterpoint to these analyses, Lisa Brooks demonstrates the ways in which Native leaders, including Samson Occom, Joseph Brant, Hendrick Aupaumut, and William Apess, adopted writing as a tool to reclaim rights and land in the Native networks of what is now the northeastern United States.

Novello Amy Rogers, Robert Inman, Frye Gaillard, 2000 This anthology celebrates the tenth anniversary of the Novello Festival of Reading, one of the premier literary events in the country. All of the writers in the book have appeared at Novello, which is sponsored by the Public Library of Charlotte and Mecklenburg County, named National Library of the Year in 1995. This diverse collection of prose represents not only the best of Novello but also a sampler of some of the best writing of our time. Whether as journalists, columnists, war correspondents, or writers of fiction, memoir, and humor, the twenty-five contributors have won nearly every award a writer could covet. Some of the essays and stories in this anthology may be familiar to readers, but many appear here in print for the first time. Charles Kuralt reminisces about a time when old ways began to give way to modern life. Pat Conroy crafts a raw and wryly funny remembrance of his now deceased father, Donald Conroy, the inspiration for *The Great Santini*. In his selection, David Halberstam offers a look back at his early career when he covered the civil rights upheavals in Mississippi. Novelists Lee Smith and Nanci Kincaid introduce readers to their new works in progress, and Sandra Goven, a scholar and professor of

African American literature tells a true life story about her childhood bibliomania and where it led Alanis Obomsawin Randolph Lewis,2006-01-01 In more than twenty powerful films Abenaki filmmaker Alanis Obomsawin has waged a brilliant battle against the ignorance and stereotypes that Native Americans have long endured in cinema and television In this book the first devoted to any Native filmmaker Obomsawin receives her due as the central figure in the development of indigenous media in North America Incorporating history politics and film theory into a compelling narrative Randolph Lewis explores the life and work of a multifaceted woman whose career was flourishing long before Native films such as Smoke Signals reached the screen He traces Obomsawin s path from an impoverished Abenaki reserve in the 1930s to bohemian Montreal in the 1960s where she first found fame as a traditional storyteller and singer Lewis follows her career as a celebrated documentary filmmaker citing her courage in covering at great personal risk the 1991 Oka Crisis between Mohawk warriors and Canadian soldiers We see how since the late 1960s Obomsawin has transformed documentary film reshaping it for the first time into a crucial forum for sharing indigenous perspectives Through a careful examination of her work Lewis proposes a new vision for indigenous media around the globe a cinema of sovereignty based on what Obomsawin has accomplished

Child-sized History Sara L. Schwebel,2011 The classroom canon of young adult novels in historical context **The Tree That Time Built** Mary Ann Hoberman,Linda Winston,2009-10-01 A poetry celebration of nature science the environment and the wonder of it all from the Children s Poet Laureate The Tree That Time Built is a moving anthology of more than 100 poems celebrating the wonders of the natural world and encouraging environmental awareness With a focus on the outdoors this collection taps into today s environmental movement and also presents wonders of nature and science most especially Darwin s theory of evolution from which this collection gains its name Included is an exclusive audio CD of many of the poets reading their own work Including dynamic introductions to nine sections of poems plus brief introductions to many individual poems this collection reaches out to young people and stimulates their innate curiosity and idealism This rich collection showcases a wide range of poets including Theodore Roethke Dylan Thomas Carl Sandburg Douglas Florian Jeff Moss Jack Prelutsky Mary Ann Hoberman **American Indian Themes in Young Adult Literature** Paulette F. Molin,2005-04-20 This book analyzes American Indian characters and themes in young adult literature outlining plots and evaluating content from a native perspective Teachers librarians parents and young adult readers seeking information about American Indian themed literature for young adults will want to consult this resource It points out works that foster misinformation and stereotypes but examines the growing number of authors that counteract such messages as well The book also includes a bibliography that will lead audiences to further reading Rural Indigenousness Melissa Otis,2018-12-20 The Adirondacks have been an Indigenous homeland for millennia and the presence of Native people in the region was obvious but not well documented by Europeans who did not venture into the interior between the seventeenth and early nineteenth centuries Yet by the late nineteenth century historians had scarcely any record of their long lasting and vibrant existence in the area With

Rural Indigenousness Otis shines a light on the rich history of Algonquian and Iroquoian people offering the first comprehensive study of the relationship between Native Americans and the Adirondacks While Otis focuses on the nineteenth century she extends her analysis to periods before and after this era revealing both the continuity and change that characterize the relationship over time Otis argues that the landscape was much more than a mere hunting ground for Native residents rather it a location of exchange a space of interaction where the land was woven into the fabric of their lives as an essential source of refuge and survival Drawing upon archival research material culture and oral histories Otis examines the nature of Indigenous populations living in predominantly Euroamerican communities to identify the ways in which some maintained their distinct identity while also making selective adaptations exemplifying the concept of survivance In doing so Rural Indigenousness develops a new conversation in the field of Native American studies that expands our understanding of urban and rural indigeneity
