Books in Print ,1994 **Focus On: 100 Most Popular 2010s Fantasy Films** Wikipedia contributors, *Blockbuster History in the New Russia* Stephen M. Norris, 2012-10-19 Seeking to rebuild the Russian film industry after its post Soviet collapse directors and producers sparked a revival of nationalist and patriotic sentiment by applying Hollywood techniques to themes drawn from Russian history Unsettled by the government s move toward market capitalism Russians embraced these historical blockbusters packing the American style multiplexes that sprouted across the country Stephen M Norris examines the connections among cinema politics economics history and patriotism in the creation of blockbuster history the adaptation of an American cinematic style to Russian historical epics **Educational Linguistics in Practice** Francis M. Hult, Kendall A. King, 2011 Reflecting and expanding on Nancy Hornberger s ground breaking contributions to the field of educational linguistics this volume presents new research by leading international scholars and cutting edge syntheses of the fields of bilingual education biliteracy and language policy *Blockbuster* Tom Shone, 2004-12-07 It s a typical summer Friday night and the smell of popcorn is in the air Throngs of fans jam into air conditioned multiplexes to escape for two hours in the dark blissfully lost in Hollywood s latest glittery confection complete with megawatt celebrities awesome special effects and enormous marketing budgets The world is in love with the blockbuster movie and these cinematic behemoths have risen to dominate the film industry breaking box office records every weekend With the passion and wit of a true movie buff and the insight of an internationally renowned critic Tom Shone is the first to make sense of this phenomenon by taking readers through the decades that have shaped the modern blockbuster and forever transformed the face of Hollywood The moment the shark fin broke the water in 1975 a new monster was born Fast visceral and devouring all in its path the blockbuster had arrived In just a few weeks Jaws earned more than 100 million in ticket sales an unprecedented feat that heralded a new era in film Soon blockbuster auteurs such as Steven Spielberg George Lucas and James Cameron would revive the flagging fortunes of the studios and lure audiences back into theaters with the promise of thrills plenty of action and an escape from art house pretension But somewhere along the line the beast they awakened took on a life of its own and by the 1990s production budgets had escalated as quickly as profits Hollywood entered a topsy turvy world ruled by marketing and merchandising mavens in which flops like Godzilla made money and hits had to break records just to break even The blockbuster changed from a major event that took place a few times a year into something that audiences have come to expect weekly piling into the backs of one another in an annual demolition derby that has left even Hollywood aghast Tom

Shone has interviewed all the key participants from cinematic visionaries like Spielberg and Lucas and the executives who greenlight these spectacles down to the effects wizards who detonated the Death Star and blew up the White House in order to reveal the ways in which blockbusters have transformed how Hollywood makes movies and how we watch them As entertaining as the films it chronicles Blockbuster is a must read for any fan who delights in the magic of the movies

Contemporary American Cinema Linda Williams, Michael Hammond, 2006-05-16 One of the rare collections I would recommend for use in undergraduate teaching the chapters are lucid without being oversimplified and the contributors are adept at analyzing the key industrial technological and ideological features of contemporary U S cinema Diane Negra University of East Anglia UK Contemporary American Cinema offers a fresh and sometimes revisionist look at developments in the American film industry from the 1960s to the present Readers will find it lively and provocative Chuck Maland University of Tennessee USA Contemporary American Cinema is the book on the subject that undergraduate classes have been waiting for Comprehensive detailed and intelligently organized and written in accessible and compelling prose Contemporary American Cinema will be embraced by instructors and students alike Charlie Keil Director Cinema Studies Program University of Toronto Canada Contemporary American Cinema usefully gathers together a range of materials that provide a valuable resource for students and scholars It is also a pleasure to read Hilary Radner University of Otago New Zealand Contemporary American Cinema deepens our knowledge of American cinema since the 1960s This is an important collection that will be widely used in university classrooms Lee Grieveson University College London UK Contemporary American Cinema is a clear sighted and tremendously readable anthology mapping the terrain of post sixties US cinema with breadth and critical verve Paul Grainge University of Nottingham UK This collection of freshly written essays by leading specialists in the field will most likely be one of the most important works of reference for students and film scholars for years to come Liv Hausken University of Oslo Norway Contemporary American Cinema is the first comprehensive introduction to American cinema since 1960 The book is unique in its treatment of both Hollywood alternative and non mainstream cinema Critical essays from leading film scholars are supplemented by boxed profiles of key directors producers and actors key films and key genres and statistics from the cinema industry Illustrated in colour and black and white with film stills posters and production images the book has two tables of contents allowing students to use the book chronologically decade by decade or thematically by subject Designed especially for courses in cinema studies and film studies cultural studies and American studies Contemporary American Cinema features a glossary of key terms fully referenced resources and suggestions for further reading questions for class discussion and a comprehensive filmography Individual chapters include The decline of the studio system The rise of American new wave cinema The history of the blockbuster The parallel histories of independent and underground film Black cinema from blaxploitation to the 1990s Changing audiences The effects of new technology Comprehensive overview of US documentary from 1960 to the present
