Boy Trouble At Trebizon Trebizon Series:

Boy Trouble at Trebizon Anne Digby, 1981-05 *Thunder in the Glen* Simon Farrell, Jonathan Sutherland, Bill Houston, 1987 **Children's Literature** M.O. Grenby, 2014-04-14 Provides a thorough history of British and North American children's literature from the 17th century to the present day. Now fully revised and updated, this new edition includes a new chapter on illustrated and picture books and includes 8 illustrations, an expanded glossary, an updated further reading section. Children's Literature traces the development of the main genres of children's books one by one, including fables, fantasy, adventure stories, moral tales, family stories, school stories, children's poetry, and illustrated and picture books. Grenby shows how these forms have evolved over 300 years and asks why most children's books even today continue to fall into one or other of these generic categories. Combining detailed analysis of particular key texts and a broad survey of hundreds of books written and illustrated for children, this volume considers both long forgotten and still famous titles as well as the new classics of the genre, all of them loved by children and adults alike, but also fascinating and challenging for the critic and cultural historian. Key Features: Broad historical range; Coverage of neglected as well as well known texts; Focus on the main genres of children's literature; Thoroughly up to date in terms of primary texts and critical material.

International Companion Encyclopedia of Children's Literature Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization. The Whole Story John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences. *The Encyclopaedia of School Stories: The encyclopaedia of girls' school stories* Rosemary Auchmuty, Joy Wotton, 2000 This encyclopaedia covers the history, critical reception, authors, topics and critical analyses of girls' school stories from 1876-1999. An overview of the development of the stories is covered along with their influence on authors and publishers. Bookworm Lucy Mangan, 2018-03-01 A love letter to the joys of childhood reading from Wonderland to Narnia. When Lucy Mangan was little, stories were everything. They opened up new worlds and cast light on all the complexities she encountered in this one. She was whisked away to Narnia and Kirrin Island and Wonderland. She ventured down rabbit holes and wobble burrows into midnight gardens and chocolate factories. She wandered the countryside with Milly Molly Mandy and played by the tracks with the Railway Children. With Charlotte's Web she discovered Death and with Judy Blume it was Boys. No wonder she only left the house for her weekly trip to the library or to spend her pocket money on amassing her own at home. In *Bookworm*, Lucy revisits her childhood reading with wit, love and gratitude. She relives our best beloved books, their extraordinary creators and looks at the thousand subtle ways they shape our lives. She also disinters a few forgotten treasures to inspire the next generation of bookworms and set them on their way. Lucy brings the favourite characters of our collective childhoods back to life, prompting endless re-readings, rediscoveries and inevitably fierce debate and brilliantly uses

them to tell her own story that of a born and unrepentant bookworm Passionate witty informed and gloriously opinionated Jacqueline Wilson author of *The Story of Tracy Beaker* *A World of Women* Rosemary Auchmuty,1999 In this book Rosemary Auchmuty looks at school novels with popular female heroines such as the Abbey Girl books and the Chalet School series She questions their ability to portray strong independent women and asks why the female authors often resort to the conventions of society marrying the characters off into a life of domesticity **Lector** ,1987 The Bookseller ,1982 British Book News ,1984 **British Book News** British Council,1982 Includes no 53a British wartime books for young people *New Books for Boys & Girls* ,1981 **The British National Bibliography** Arthur James Wells,2003 **Bookseller and the Stationery Trades' Journal** ,1983 **Children's Book Review Index 1981 Cumulative** Gary C.
