Brad Cooneys Lets Talk Boxing:

Brad Cooney's Let's Talk Boxing Brad Cooney, 2005-05-02 This book is filled with interviews of some of boxing's greatest fighters, greatest minds and biggest hearts. I did my best to capture the mindset of each individual, how boxing perceives them and how they perceive their personal contributions to the sport. Boxing is a very old sport, as is baseball and football. If you compare the injuries by sport, you will see that boxing has the least amount of the three. Today's boxing still has some work to do, but in my opinion, the sport is doing well. There are a lot of very talented up and coming fighters climbing the ranks. I hope that more time and money will be spent on the amateur level of this great sport. The amateur level of boxing is where it all begins. Amateur boxing is the foundation; if the foundation is not sound, then the boxing house that the pros live in may come crashing down.

Sports Nicknames Terry W. Pruyne, 2002 When did Michael Jordan become Air Jordan? How did Earvin Johnson come to be known as Magic? Why is Juan Rodriguez called Chi Chi? These questions are answered in this reference work featuring about 20,000 nicknames of professional athletes from around the world. Part One is subdivided into sections for each sport: baseball, basketball, football, hockey, and miscellaneous sports, mainly individual sports or ones not listed in the four main sections, under which entries are alphabetized by players' given names. The entries in Part One tell the player's position, team, year of retirement, and in as many instances as extensive research could afford, how the player got his or her nickname. Part Two offers the opposite: access alphabetized by nickname, giving players' names and their sport.
