

The Brave And Startling Truth

We, this people, on a small and lonely planet
Traveling through casual space
Past aloof stars, across the way of indifferent suns
To a destination where all signs tell us
It is possible and imperative that we learn
A brave and startling truth

And when we come to it
To the day of peacemaking
When we release our fingers
From fists of hostility
And allow the pure air to cool our palms

When we come to it
When the curtain falls on the minstrel show of hate
And faces rooted with scorn are scrubbed clean
When battlefields and coliseum
No longer make our unique and particular sons and daughters
Up with the bruised and bloody grass
To lie in identical plots in foreign soil

The Planet You Inherit Larry L. Rasmussen,2022-11-29 For the first time ever love letters consciously written by elders of one geologic epoch to the young of another Our children s and grandchildren s generation will face a different world one affected by climate instability mass uncertainty and breathtaking extinction In fact the next generation will face the reality that human activity is changing the planet from one geological epoch to another From this vantage point two generations across two geological epochs facing a fundamentally changing planet Larry Rasmussen writes to his grandchildren As a grandfather invested in a green earth and climate justice as well as a scholar of faith based earth

ethics Rasmussen bridges this gap between generations to write to the future about climate change global citizenship democracy and legacy In topics ranging from A Viable Way of Life and Democracy to Where We've Come From and Who We Are Now Rasmussen explores the large questions of justice meaning and faith encouraging us to speak to and look to the future generation and their future world *Aftermath* Preti Taneja, 2024-11-26 Winner of the 2022 Gordon Burn Prize Shortlisted for 2023 British Book Awards Book of the Year in the Discover category Usman Khan was convicted of terrorism related offences at age 20 and sent to high security prison He was released eight years later and allowed to travel to London for one day to attend an event marking the fifth anniversary of a prison education programme he participated in On 29 November 2019 he sat with others at Fishmongers Hall some of whom he knew Then he went to the bathroom to retrieve the things he had hidden there a fake bomb vest and two knives which he taped to his wrists That day he killed two people Saskia Jones and Jack Merritt Preti Taneja taught fiction writing in prison for three years Merritt oversaw her program Khan was one of her students It is the immediate aftermath Taneja writes I am living at the centre of a wound still fresh The I is not only mine It belongs to many In this searching lament by the award winning author of *We That Are Young* Taneja interrogates the language of terror trauma and grief the fictions we believe and the voices we exclude Contending with the pain of unspeakable loss set against public tragedy she draws on history memory and powerful poetic predecessors to reckon with the systemic nature of atrocity Blurring genre and form *Aftermath* is a profound attempt to regain trust after violence and to recapture a politics of hope through a determined dream of abolition Regional Integration Kenneth Hall, Myrtle Chuck-A-Sang, 2012 This publication contains a number of papers on issues which are key to Caribbean survival and prosperity They critically review the challenges facing Member States of CARICOM Written by a number of outstanding authors of recognized academic pedigree these analyses look at the Region across a spectrum of issues political economic social and environmental among others Attention is focused on efforts at regional integration as well as on the options to be pursued by CARICOM if it is to survive in the new political economic and social dispensation The book is replete with insightful presentations on the evolution of the Community at this point in its history The Myth of Forgiving Others Snigdha Mohanty, 2021-07-28 Just let it go and forgive others Heard it often When we forgive we not only forget and let go of our hatred and disappointment we are also supposed to start back on a clean slate and love them unconditionally Do we do that really Deep down in our psyche forgiving others in the above sense stays with us only as a myth not a reality And myths always trap us and entangle us in a maze of misinformation and especially misunderstandings so that it becomes virtually impossible for us to get out and see the road ahead until we take a pause look around very carefully marking the pointers through which we have already gone round and round Once we do that there is a possibility that wisdom finally dawns on us What then is the real meaning of forgiving others If we can't forgive should we continue to get stuck forever in the same negative energies of hurt hatred and pain The solution for pain is not more pain but understanding compassion and healing
