of fighters in boxing history have been considered great over the years. However, it must be said that in some cases their respected claims to greatness do not stand up when closely scrutinised. The same cannot be said of Muhammad Ali. Now this man was a true great, no argument. Ali would often state when in his pomp that he was the greatest of all time. Many experts even today agree with that statement. Ali changed the way the general public viewed the sport. He in fact changed boxing, shook it up in a way that it had never been shaken before. Ali was different; he was special. He talked a good fight, making bold statements prior to his fights, which he backed up with his outstanding talent. The man was a master in the ring, a craftsman who often overcame the odds when in combat. Ali fought the very best fighters available; he dodged no man, a true champion in every sense of the word. He gave every contender their chance. Ali became the first boxer to win the world heavyweight crown on three different occasions. Whenever heavyweight boxing is discussed, the name Muhammad Ali is mentioned. How can it not be when considering his magnificent record? This book covers the many achievements of the fighter and those associated with him during his long career in an interesting way which fight fans will find informative.

Muhammad Ali Carrie Golus, 2006-01-01 Describes the life and accomplishments of the first boxer to win the world heavyweight championship three times.

I Shook Up the World Maryum Ali, 2003-12 Muhammad Ali's daughter describes how her father achieved his dream of becoming a champion boxer, refused to sacrifice his principles during difficult times, and became a positive role model for others.

The Greatest: My Own Story Muhammad Ali, Richard Durham, 2015-10-05 In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize winning novelist Toni Morrison. Growing up in the South surrounded by racial bigotry and discrimination, Ali fought not just for a living but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali: only he could render sports legend, unapologetic anti-war advocate, outrageous showman, and gracious goodwill ambassador, fighter, lover, poet, and provocateur an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance, living it?

Who Was Muhammad Ali? James Buckley, Jr., Who HQ, 2014-07-24 Cassius Marcellus Clay Jr. won the world heavyweight championship at the age of 22; the same year he joined the Nation of Islam and changed his name to Muhammad Ali. He would go on to become the first and only three-time in succession World Heavyweight Champion. Nicknamed The Greatest, Ali was as well known for his unique boxing style consisting of the Ali Shuffle and the rope-a-dope as he was for the catchphrase "float like a butterfly, sting like a bee." He was an uncompromising athlete who brought beauty and grace to a very rough sport and became one of the world's most famous cultural icons. Read **Who Was Muhammad Ali** and discover The Greatest.
