The Banner Boy Scouts Afloat George A. Warren, 2006-07 What are you limping for Bobolink Oh shucks I see there s no use trying to hide anything from your sharp eyes Jack Stormways Guess I just about walked my feet off today goin fishin with our patrol leader away over to the Radway River and about six miles up Have any luck Bobolink instantly demanded the third member of the group of three half grown boys who were passing after nightfall through some of the partly deserted streets on the outskirts of the thriving town of Stanhope and whose name it might be stated was Tom Betts Well I should say yes Between us we got seven fine bass and a pickerel By the way I caught that pickerel Paul he looked after the bass end of the string and like the bully chap he is divided with me and the boy who limped chuckled as he said this showing that he could appreciate a joke even when it was on himself

The Banner Boy Scouts Afloat George A. Warren, 2004-06 It s barely possible anyhow the one addressed went on doggedly And I was just trying to remember if I d heard of any robbery lately There was a store broke into over at Marshall two weeks ago and the thieves carried off a lot of stuff But seems to me the men got nabbed later on I m a little hazy about it though But supposin now that these four men had made a rich haul somewhere and wanted to hide their stuff in a good place could they find a better one than up here on Cedar Island The

The Banner Boy Scouts Afloat Illustrated George A Warren, 2020-06-17 A MEETING IN THE BARN All here now Paul Call the roll somebody won t you Keep quiet fellows please Shall I strike a match Paul Not on your life Bobolink That crowd of Ted Slavin s is out looking for us Somebody must have leaked or else Ted was tipped off We ve got to be mighty cautious I tell you if we want to give them the slip S s say d d don t you k k know we ve got a fi fine b b barn on our p p place fellows For goodness sake won t somebody please pound Bluff Shipley on the back and make him bite his twisted tongue so he can talk straight cried a pleading voice Listen There must have been a streak of authority in the tone used by Paul Morrison when he spoke this last word every one of the other six boys crouched there craning his neck and listening to catch the unusual sound that had apparently reached the trained ears of their leader The woods surrounded the boys on all sides gloomy and full of mystifying noises Yet Paul knew full well just what every one of the sounds meant An owl called

mournfully to its mate from a hollow tree Katydid and merry crickets added their shrill music to the chorus of that late summer night Even a colony of tree frogs solemnly chanted their appeal for more rain During the day just ended six fellows in the thriving town of Stanhope had received urgent telephone calls from Paul who was an only son of the leading doctor in the place And each boy had promised to meet him at the Three Oaks by the time the clock in the church steeple had struck eight It was even now booming out the hour When the last stroke died away the most impatient among the gathered boys moved restlessly Follow me fellows said Paul in a low thrilling tone Where are we heading for queried one who had as yet failed to express his feelings in the matter This was Wallace Carberry the sober member of the pair known far and wide as the Carberry Twins his mate William being his exact counterpart in every particular when he chose to repress the good natured grin that usually marked his fate To the Shipley barn single file and silence is the watchword Paul Morrison had long enjoyed the confidence of his comrades in most matters pertaining to outdoor sports A healthy lad both in mind and body he was never so happy as when studying the secrets of Nature in wood and meadow or in playing any of the various strenuous games to which all boys with red blood in their veins are addicted And when he sent out his mysterious request that some of his most intimate friends meet him on this night as he had a communication of importance to put up to them the greatest curiosity made itself manifest Paul never suggested ordinary things More than once he had engineered some game that brought honor and glory to the boys of Stanhope and remembering these satisfactory stunts of old it was no wonder these fellows had come to the place of meeting without a single exception With Bluff Shipley close upon the heels of the leader and Robert Oliver Link whose name had long since been corrupted into Bobolink bringing up the rear the seven lads trailed through the woods following some path with which they were evidently more or less familiar
