Boys Of October:

October's Bad Boy Cullen Eve London, 2025-10-15 Her past tells her to run My heart begs her to stay Rose I don't do forever Growing up in foster care taught me that families fall apart and promises never last So when a local firefighter suddenly finds out he's a dad I agree to help but only until it's time to move on One month of nanny duty nothing more Then his daughter starts reaching for me like I belong and her gruff too hot for his own good dad kisses me like I already do Cullen I fight wildfires for a living but nothing has ever prepared me for the eight month old who shows up on my doorstep I'm one diaper blowout away from total disaster until Rose swoops in and saves us both She says she's not sticking around Fine But every late night feeding every laugh around my table every stolen kiss makes it harder to picture life without her She may think she's temporary but I'm ready to fight for forever Welcome to Mustang Mountain where rough roads lead to redemption In this rugged mountain town the Bad Boys of Mustang Mountain live by their own rules They're outlaws with code and conviction protecting their own against anyone who dares to cross them With troubled pasts and scars that run deep these men aren't afraid to live life their way But when fierce curvy women step into their lives they find themselves facing a different kind of challenge one that just might heal the hearts they thought were too far gone *The Boys of October* Doug Hornig, 2004-02 Against the backdrop of one turbulent summer The Boys of October celebrates baseball and the heroes who made it what it is This inspiring look at heroism and heartbreak takes readers back to 12 exhilarating days during the 1975 World Series 8 page insert the edinburgh review, or critical journal: for july 1819...october 1819, 1819

The October Boys Crystal Lake Publishing, Adam Millard, 2023-11-27 HALLOWEEN 1988 A gang of twelve year old boys are trick or treating in London Off in the distance they hear the discordant chimes of an ice cream truck It seems strange to hear on a cold autumnal night but their thoughts of maximizing their candy haul soon dismissed its incongruous melody until they saw the rusting hulk idling in the shadows at the end of the street its driver a faceless shadow That was the night he took one of them OCTOBER 2016 Years later Halloween is fast approaching and Tom Craven is still haunted by the events of that dark night especially the fact that their friend was never found Increasingly plagued by horrific visions Tom returns to the place where it all began only to discover he's not the only one who can feel it His friends have already arrived and are preparing for a battle which could get them all killed The Ice Cream Man is back and he's come for the ones that got away Proudly represented by Crystal Lake Publishing Tales from the Darkest Depths *Queer Clout* Timothy Stewart-Winter, 2016-02-16 Queer Clout weaves together activism and electoral politics to trace the gay movement's path since the 1950s in Chicago Stewart Winter stresses gay people's and African Americans shared focus on police harassment highlighting how black political leaders enabled white gays and lesbians to join an emerging liberal coalition in city hall
