Brambu Drezi Jake Berry, 2006 BRAMBU DEZI is a deep reading of late twentieth century mind Along with Black Mountain poetry Beat poetry is one of its antecedents and Beat poet John Wieners might well have been prophesying this poem when he wrote Poetry is a trance of make believe a condition of gradual loss of reality until there s only left this shattering of the world Not to know Berry s work is to miss something essential and stunningly beautiful about the late 20th Century what has been called a century of horror yet Berry in this great visionary work mirrors this millennium not only as an end but a beginning

Another South Bill Lavender, 2003 Gathers the best work of flourishing but often neglected avant garde southern poets Another South is an anthology of poetry from contemporary southern writers who are working in forms that are radical innovative and visionary Highly experimental and challenging in nature the poetry in this volume with its syntactical disjunctions formal revolutions and typographic playfulness represents the direction of a new breed of southern writing that is at once universal in its appeal and regional in its flavor Focusing on poets currently residing in the South the anthology includes both emerging and established voices in the national and international literary world From the invocations of Andy Young s Vodou Headwashing Ceremony to the blues informed poems of Lorenzo Thomas and Honor e Jeffers from the different voicings of John Lowther and Kalamu ya Salaam to the visual multi genre art of Jake Berry David Thomas Roberts and Bob Grumman the poetry in Another South is rich in variety and enthusiastic in its explorations of new ways to embody place and time These writers have made the South lush with a poetic avant garde all its own not only redefining southern identity and voice but also offering new models of what is possible universally through the medium of poetry Hank Lazer s introductory essay about Kudzu textuality contextualizes the work by these contemporary innovators Like the uncontrollable runaway vine that entwines the southern landscape their poems are hyperfertile stretching their roots and shoots relentlessly at once destructive and regenerative In making a radical departure from nostalgic southern literary voices these poems of polyvocal abundance are closer in spirit to speaking in tongues or apocalyptic southern folk art primitive astonishing and mystic
