Brazen And Burning:

The Tabernacle, Priesthood and Offerings of Israel. With Illustrations Frederick Whitfield, 1875 Christ in the Tabernacle Louis T. Talbot, 2014-08-30 WHEN God told Moses to build the tabernacle in the wilderness according to the pattern which He showed him in the mount He said Speak unto the children of Israel And let them make me a sanctuary that I may dwell among them Exodus 25 2 25 8 When the inspired apostle explained the spiritual significance of this God s dwelling place among His people Israel He said to the Hebrew Christians We have such an high priest who is set on the right hand of the throne of the Majesty in the heavens a minister of the sanctuary and of the true tabernacle which the Lord pitched and not man Hebrews 8 1 2 These words from the New Testament not only give us the Holy Spirit s commentary on the meaning of the tabernacle in the wilderness but they are the key that unlocks a vast treasure of spiritual truth regarding the earthly sanctuary which Moses built in order that God might dwell among His people If we would understand the New Testament teaching concerning this Jewish tabernacle which was a shadow of good things to come Hebrews 10 1 we should compare the Exodus record with the Epistle to the Hebrews especially chapters eight and nine which deal with the tabernacle in particular though primarily with the ministry of Christ our Great High Priest in the true tabernacle which the Lord pitched and not man This comparison of the Old Testament with the New will unfold to us The Glories of Christ As Foreshadowed in the Jewish Tabernacle Yea it will reveal to us the wonders of the prophetic Scriptures wherein the Holy Spirit testified beforehand the sufferings of Christ and the glory that should follow 1 Peter 1 11 In connection with the typical significance of the Jewish tabernacle we have one of the many clear proofs that the Old Testament is the New Testament concealed whereas the New Testament is the Old Testament revealed Jehovah of the Old Testament is Jesus of the New And the Triune God gave to Israel the tabernacle the priesthood and the offerings in order that sinful man might recognize the promised Saviour and understand the significance of His mission and death **THE EVOLUTION OF THE GOD**

ILLUSION Ir. Jim K K Wong, 2012-06-16 As one may have read Cicero in The Nature Of The Gods ancient people were vivid observers of the sky and the celestial bodies because of their livelihood they were mostly engaged in agriculture and animal husbandry The cycles of nature and seasons were the most important factors affecting farming civilizations The brilliant stars Jupiter Saturn Venus and the zodiac were also objects of great interest These heavenly bodies were regarded as deities even by learned philosophers Cicero and Socrates had a field day demolishing these strongly held prevailing ideas One popular god illusion of the West and Middle East began with patriarch Abraham who was an astronomer from Mesopotamia He studied Jupiter avidly and could predict its behavior which he used it to his advantage in his migration to the Fertile Crescent and in his encounters with hostile inhabitants Abraham had the delusion that Jupiter Yahweh was a deity who could be depended to assist him in troubled times The Yahweh Delusion was passed down from Abraham to son Isaac and grandson Jacob Jacob s 12 sons migrated to Egypt multiplied and eventually became slaves Moses a pariah Egyptian prince became the

rebel leader of the Hebrew slaves when he discovered his roots At the opportune moment c 1450 BCE Venus erupted from unstable fast spinning Red Giant Jupiter and shot into the inner solar system like a billiard ball along a highly elliptical orbit It had several close encounters with Earth Moon and Mars and created stunning phenomena or miracles such as the much exaggerated Ten Plagues parting of the Red Sea the rain of manna apparent stopping of the Earth s rotation and even the destruction of the mighty army of Sennacherib near Jerusalem Moses and his successors apparently knew and could predict more or less unusual celestial phenomena and attributed them to a tribal deity Yahweh who was connected with their deliverance and survival Every successful prediction or expectation resulted in augmenting the god illusion The god illusion evolved through stupendous sagas cross fertilized by neighbors and reformers roughly from 1500 BCE to 500 BCE However the Hebrews had a confused idea of this savior deity and its feminine aspects such as the Celestial Cow giving manna milk In the evolutionary process Yahwist patriarchs literally wrote off the influential Goddess and made Yahweh a lone male god of Judaism and Christianity The underlying motive developing this god illusion is Moses and Israel s covetousness of the fertile Holy Land Moses needed a justification to commit genocide to rob loot destroy and drive out people inhabiting the land of milk and honey The justification is a tribal god of Israelites who gives mandate to his chosen race to rob and steal the Promise Land from evil worshippers of false gods The underlying theory for this god illusion evolution hypothesis is based on Immanuel Velikovsky s bestseller of the 1950s Worlds in Collision This hypothesis met fierce opposition in academia and Establishment Science The AAAS Symposium 1974 was convened to address the serious challenge Here the author produces abstracts from various experts in various disciplines of sciences and arts to counter objections to the underlying theory The god illusion presented here is my own interpretation of the psychological impacts and aspects of these astounding celestial phenomena I am using appropriate knowledge in several disciplines to support my thesis such as radiation chemistry upper atmosphere chemistry and behavioral science My training as a stock analyst to read the underlying environment enables me to read in between the lines to speculate and connect the gaps and dots together and present a satisfying version of the god illusion
