Bread Broken and Shared Paul Bernier, 1981 **Bread Broken and Shared** Paul Bernier, 1981 **The Eucharist's Biographer** Albert J.D. Walsh, 2012-11-06 Christians are not just called to be transformed into something better or even good but to be transfigured into a new creation ceasing to be what they are in order to become what they are not In The Eucharist's Biographer Albert Walsh proposes that the path to this distinctive Christian identity is through the power of the Holy Spirit as revealed in the unity of Word and Sacrament With this premise he unites two powerful traditions the Proclamation of the Word of the Protestant tradition and the Power of God's Grace in the Eucharist of the Roman Catholic and Eastern Orthodox traditions It is in what Walsh calls the eucharistic evangel as a whole that the individual and community are subject to the real presence of the Christ who in the power of the Holy Spirit is the force behind the transformation and maintenance of Christian identity *People of Bread* Wolfgang Vondey, 2008 Wolfgang Vondey contends that the story of the church is a story of the people of bread The image of bread is one of the richest and at the same time one of the most neglected biblical images that speak to an ecumenical understanding of the church Drawing from scripture from writers of the early church and from cutting edge debates in contemporary scholarship Vondey unfolds the social moral missiological ecumenical and eschatological dimensions of the church based on the story of bread that far exceeds a eucharistic interpretation People of Bread speaks to a growing interest in an understanding of the church by addressing the widespread revival of the theological imagination **BOOK JACKET** *On the Perception of Worship* Martin D. Stringer, 1999-01-01 No Marketing Blurb *A General Doctrine of the Sacraments and the Mystery of the Eucharist* Johann Auer, 1995 In A General Doctrine of the Sacraments Johann Auer aims to achieve a deeper understanding of the inner structure of the sacraments and of how they determine the structure of our Christian existence In The Mystery of the Eucharist Auer takes account of the biblical historical and theological aspects of the Church's teaching on the Eucharist
