**Agents of Influence** Mark Hollingsworth, 2023-04-13 There is no such thing as a former KGB man. A gripping story filled with remarkable revelations, Tom Bower, author of *Revenge*, *Agents of Influence* reveals the secret history of an intelligence agency gone out of control, accountable to no one but itself and intent on subverting Western politics on a near inconceivable scale. In 1985, 1,300 KGB officers were stationed in the USA. The FBI only had 350 counterintelligence officers. Since the early days of the Cold War, the KGB seduced parliamentarians and diplomats, infiltrated the highest echelons of the Civil Service, and planted fake news in papers across the world. More disturbingly, it never stopped. Putin is a KGB man through and through. Journalist Mark Hollingsworth reveals how disinformation, kompromat, and secret surveillance continue to play key roles in Russia's war with Ukraine. It seems frighteningly easy to destabilise Western democracy. *Agents of Influence* Pat Choate, 1991 In this highly controversial book, political economist Pat Choate reveals in startling detail how Japanese lobbyists in the US have influenced our politics and our economy. Included is the now famous Appendix A, the list of 200 former high-ranking government officials who represented foreign governments and corporations. **Agents of Influence** Dayton Ward, 2020-06-09 An epic new Star Trek saga by New York Times bestselling author Dayton Ward set during the original Five Year Mission. For years, Starfleet Intelligence agents have carried out undercover assignments deep within the Klingon Empire. Surgically altered and rigorously trained in Klingon culture, they operate in plain sight and without any direct support while collecting information and infiltrating the highest levels of imperial power. Their actions have given Starfleet valuable insight into the inner workings of Klingon government and its relentless military apparatus. After three of Starfleet's longest-serving agents fear exposure, they initiate emergency extraction procedures. Their planned rendezvous with the USS Endeavour goes awry, threatening to reveal their activities and the damaging intelligence they've collected during their mission. Tasked by Starfleet to salvage the botched rescue attempt, Captain James T. Kirk and the crew of the USS Enterprise must discover the truth behind a secret weapons experiment while avoiding an interstellar incident with the potential to ignite a new war between the Federation and one of its oldest adversaries. Agent of Influence Marian Horton, 2003-04-08 Jonathan Schmidt and Alex Carmichael through the Schmidt Foundation conduct studies on evolutionary politics. In examining the issue of a rising Hispanic community, they stumble on evidence that Carl Peters, the senior aide of Democratic vice-presidential nominee Paul Montenegro, may be a Russian imposter. Unwilling to disrupt the election, they initiate their own investigation. After reviewing Peters' personnel files, Alex begins a far-flung search into his background and becomes convinced the man is an illegal agent of long standing. Alex and his colleague Nicole Granville follow various leads that steadily confirm their suspicions. Having decided Montenegro is not suspect and that the agenda of the agent is to establish Soviet sympathizers in government positions that would enable them to influence policy, they decide not to inform the FBI until after the election. The Bureau chooses to continue the surveillance, allowing Peters to unwittingly pinpoint potential

subversives Confident their plans are well designed all parties involved in the undercover investigation are grievously stunned on Inauguration Day as they witness a deed of supreme perfidy an indelible image that burdens them with a deep sense of guilt and fear that in opting for containment they could be held accountable for the unimagined consequences

*Agents of Influence* Aaron Edwards, 2021-04-09 Recruited by British Intelligence to infiltrate the IRA and Sinn F in during the height of the Northern Ireland Troubles they were agents of influence With codenames like INFLICTION STAKEKNIFE 3007 and CAROL these spies played a pivotal role in the fight against Irish republicanism Now for the first time some of these agents have emerged from the shadows to tell their compelling stories Agents of Influence takes you behind the scenes of the secret intelligence war which helped bring the IRA s armed struggle to an end Historian Aaron Edwards the critically acclaimed author of UVF Behind the Mask explains how the IRA was penetrated by British agents with explosive new revelations about the hidden agendas of prominent republicans like Martin McGuinness and Freddie Scappaticci and lesser known ones like Joe Haughey and John Joe Magee Bringing to light recently declassified TOP SECRET documents and the firsthand testimonies of agents and their handlers Edwards reveals how British Intelligence gained extraordinary access to the IRA s inner circle and manipulated them into engaging with the peace process With new insights into the spy masters behind the scenes their strategies and tactics and Britain s international intelligence network in Northern Ireland Europe and beyond Agents of Influence offers a rare and shocking glimpse into the clandestine world of secret agents British intelligence strategy and the betrayal at the heart of militant Irish republicanism during the vicious decades of the Troubles
