It is for all those who enjoy good company and good food in the parking lot before the game as much and if not more than the food and company at a fancy restaurant. These things that we hold dear all true SEC fans know and love and look forward to each autumn. It's that time of year when the heated summer temperatures begin to fade and yield to colder days when the leaves begin to change color and when the youthful partisan spirit within us all crackles like the kindling of a well planned winter fire.

The Alcalde serves as an intellectual crossroads where UT's luminaries, artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate; the nickname of the governor who signed UT into existence was The Old Alcalde.

The Oklahoma Football Encyclopedia, Ray Dozier, 2006. The Oklahoma Football Encyclopedia is an historical description of every University of Oklahoma football game from the beginning in 1895 through 2004. Learn how the team got its start and how coach Bennie Owen laid the foundation for the Sooners to become one of the most respected teams on the college football scene. Bud Wilkinson, Barry Switzer, and Bob Stoops later directed the Sooners to college football's elite prize. Wilkinson was a great teacher of the Split T formation which guided the Sooners to three national championships, 72 consecutive conference games without a loss, and a major college winning streak, a record that may never be broken. Switzer, a master recruiter, implemented the Wishbone formation which brought another three national titles and 12 conference crowns to Norman. After the Sooner football program had dropped to mediocrity status, Stoops turned the program around and won the national championship in his second year at the helm. This book provides insight into Sooner Magic. Many OU football teams appeared to have a supernatural force carry them to victory when victory was not assured. Was it sleight of hand, smoke and mirrors, or just pure talent and inspiration helped push the Sooners to the overwhelming tradition the teams have displayed on the gridiron?
