Aging And Spirituality Spiritual Dimensions Of Aging Theory Research Practice And Policy:

Aging and Spirituality David O. Moberg, 2001 During the later years of life many people devote energy to a process of spiritual awakening and self discovery Yet their family friends clergy and the helping professionals who work with them are not always prepared to understand or deal with the spiritual concerns of their clients Aging and Spirituality provides a unique far reaching overview of this long neglected field **Ageing, Disability and Spirituality** Elizabeth

MacKinlay, 2008-02-15 This collection examines theological and ethical issues of ageing disability and spirituality with an emphasis on how ageing affects people who have mental health and developmental disabilities The book presents ways of moving towards more effective relationships between carers and older people with disabilities *Methods in Religion, Spirituality & Aging* James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the

need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation **Aging, Spirituality and Palliative Care** Rev Elizabeth Mackinley, 2006-10-24 Gain greater depth of understanding of end of life

spiritual issues for older adults The period of time when a person approaches death is always difficult both for the patient and the caregiver Aging Spirituality and Palliative Care discusses best practices in aged and palliative care while addressing patients diverse spiritual Religion, Spirituality, and Aging Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person s life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discusses the issues

of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen s principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars Belief and Ageing Peter G. Coleman, 2011 This book illustrates the variety of religious spiritual and other beliefs held by older people including British Christians Muslims Humanists and witnesses of the Soviet persecution of religion

Ageing and Spirituality

Across Faiths and Cultures Elizabeth MacKinlay, 2010 This book examines ageing in the context of the many faiths and cultures that make up Western society and provides carers with the knowledge they need to deliver appropriate care to people of all faiths Chapters are written by authoritative figures from each of the world's major faith groups about the beliefs and practices of their older people

Resilience and Aging Helen Lavretsky, 2014-10-20 Resilience is a key component in maintaining health and happiness in old age When aging adults struggle with social isolation financial instability or the difficult work of caring for a spouse with a chronic illness their levels of stress can be enormous But many older adults are living longer and are trying to make the best of their later years despite being more vulnerable to stress In Resilience and Aging renowned geriatric psychiatrist Dr Helen Lavretsky explains how enhanced resilience which involves positively adapting to adversity in a way that maintains a person's biological and psychological equilibrium can counter that vulnerability She describes how care practice and research all can be redirected toward emphasizing the positive aspects of aging and prevention Lavretsky summarizes the most up to date research on resilience neurobiology and preventive care She also describes novel interventions including yoga tai chi meditation and allopathic techniques that can help older adults improve their cognition and quality of life Finally she explores relevant clinical cases from her practice Designed for geriatric practitioners researchers and family caregivers this practical book offers critical information on measuring resilience the role of spirituality in reducing stress and incorporating resilience building procedures into clinical practice or everyday life Throughout the book's revolutionary integrative approach aims to amplify personal happiness by allowing aging adults to remain healthy and active while simultaneously reducing the cost of chronic disease to families and society

Aging and

Development Peter G. Coleman, Ann O'Hanlon, 2017-02-03 The psychology of aging usually focuses upon cognitive changes with a particular focus on dementia and other forms of cognitive decline But getting older is about more than simply changes to the brain and related health issues Changes to our social and emotional lives are also hugely significant as we adapt across

our lifespan The second edition of Aging and Development is the only textbook available that responds to the growing interest in social personal and emotional development in older age Ideally suited to complement texts on cognitive change the book provides a holistic developmental perspective on aging It highlights a range of issues including the development of personal meaning and spirituality improvements in emotional control uses of reminiscence and life review the importance of healthy attitudes to aging as well as the maintenance of close personal relationships It does not avoid the difficult issues of late life decline but illustrates how even in circumstances of physical and mental frailty a positive sense of self can be created and enhanced Fully updated to provide the most cutting edge overview on this burgeoning topic of interest Aging and Development includes a glossary and list of useful websites both on the study of gerontology and the psychology of aging It will be essential reading for all students of developmental psychology as well as anyone either training to work or already working with older people

Spiritual Growth and Care in the Fourth Age of Life Elizabeth MacKinlay, 2006-02-08 This book explores the spiritual dimension of ageing and investigates the role of pastoral and spiritual care in helping the frail elderly cope with end of life issues Focusing on the experience of nursing home residents and anecdotes gathered in interviews MacKinlay sensitively presents the struggles facing older people in need of care

Moving Toward Spiritual Maturity Neil Pembroke, 2012-11-12 Three windows to spiritual maturity How can a faithful Christian avoid stagnating in their spiritual development Moving Toward Spiritual Maturity Psychological Contemplative and Moral Challenges in Christian Living explores effective ways in which Christian discipleship can grow in spiritual maturity This thoughtful integrative roadmap explains the journey through three interrelated perspectives or windows psychotherapeutic psychology prayer and contemplation and moral theology The author uses numerous examples from everyday life to make the reflections interesting and practical Unlike other books on Christian spirituality this book is more challenging and sophisticated in its depth of thought Spiritual maturity is a process that begins when a person accepts Jesus Christ as Savior and progresses ongoing through a Christian's life Moving Toward Spiritual Maturity discusses in detail the challenges one must face including the sustained in depth and faithful attention to psychological wholeness conversion to the true self and interpersonal and social responsibility Effective strategies are given through example and personal story making understanding of the principles easier This reflection on Christian maturity helps readers to focus directly on the personal issues all must face when attuning to the Spirit of Christ Topics in Moving Toward Spiritual Maturity include reforming the wayward self moral or guilt based perfectionism achievement or shame based perfectionism the two types of conversion responsibility and accountability agape and the loving of oneself three virtues at the heart of the responsible life integrity courage and compassion virtues as habits the relationship between personal fulfillment and the Christian vocation Moving Toward Spiritual Maturity is a unique look at the path toward spiritual maturity and is challenging thoughtful reading for laypersons ministers priests and theological students

Living Spiritual Praxis Eric J. Kyle, 2013-10-24 Christian ministers working in congregations and with

nonprofits seek to discern what it is that God has been doing and where it is that the Spirit might be leading them In Living Spiritual Praxis Eric Kyle looks to address the lack of resources on the work and dynamics of Christian spiritual formation that actually develop a specific process for spiritual formation programs Kyle strives to provide a guide for spiritual formation by using the praxis oriented fields of action research and practical theology He explores a process for understanding the nature and dynamics of a situation discerning specific formative interventions assessing various approaches and continually assessing and modifying these understandings and approaches Living Spiritual Praxis will be an invaluable resource for all Christians leaders and laity alike who are challenged by the spiritual formation of church members communities groups and individuals Research in the Social Scientific Study of Religion, Volume 14 Ralph L. Piedmont,David O.

Moberg,2021-10-01 Research in the Social Scientific Study of Religion RSSSR publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation It is academically eclectic not restricted to any one particular theoretical orientation or research method Most articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion **Ministering to Older Adults** Donald Koepke,2013-10-18 Learn how to focus your ministry s programs and services on the elderly By 2030 20% of the people living in the United States will be age 65 or older with unique spiritual needs that can affect their physical and mental well being Ministering to Older Adults answers the critical need for a ministry that doesn t center primarily on youth and families in its outreach instead presenting a step by step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation This program has been used effectively with nearly 50 congregations both large and small to create a focused older adult ministry No two congregations are alike The resources perspectives and skills of each congregation are different as are the needs of its members Ministering to Older Adults provides a framework for use by planning groups within communities of any religious tradition The book presents a process that includes essential questions that allow planning groups to develop answers that fit the needs cultural history and structure of their individual congregations Ministering to Older Adults is divided into three sections The Fundamentalsdefining your audience your mission and the skills and existing programs that can be brought to the planning process Programming Possibilitiesspiritual needs based on the aging process continued learning for older adults opportunities to serve and be served providing quality pastoral care and community building Putting it All Togetherdeciding on a direction using desired outcomes for evaluation establishing target dates and ongoing evaluation Ministering to Older Adults also includes forms and charts to help in the planning process The book is an invaluable resource for clergy ministry committees and planning groups and staff persons responsible for older adult ministries **Research in the Social Scientific Study of Religion, Volume 15** Ralph L. innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation Various articles are presented covering psychological sociological and cross cultural topics relevant to religious spiritual researchers and academics Changing Cultures of Ageing and Spirituality Elizabeth MacKinlay, Ann Harrington, 2023-09-12 This book addresses important issues of ageing and spirituality and reflects on the impact of culture on both constructs The papers are contemporary in that they include excerpts of cultural impact on spirituality from New Zealand Singapore India United Kingdom Australia and the United States This book marks almost 20 years of international conferences on ageing and spirituality that commenced in January 2000 It opens the conversation to all who were part of this journey of ageing including older people practitioners in ageing and aged care researchers and those who reflect on the process of growing older Chapters feature diverse perspectives highlighting the need for inclusivity in conversations that surround ageing and recognize how development of cultures is influenced by the society where they emerge and by minority groups within larger society Chapters also note the occurrence of subcultures of ageing and aged care The conference was held shortly before the onset of the COVID 19 pandemic with the chapters being written often during times of lockdown Their content reflects the importance of spirituality in times of isolation and can show ways of reaching out to vulnerable older people of various faiths and cultures whatever their situations Changing Cultures of Ageing and Spirituality will be a key resource for academics researchers and advanced students of Theology Divinity and Religious Studies Gerontology Sociology Psychology Mental Health and Nursing The chapters included in this book were originally published as a special issue of *Journal of Religion Spirituality Aging* **Mental Health and Spirituality in Later Life** Elizabeth MacKinlay, 2014-01-02 Explore pastoral strategies for dealing with mental health problems Mental health is increasingly being recognized as an important issue in later life This valuable book will help you examine this dimension of aging in the context of pastoral spiritual and cultural issues It explores the relationship between mental health spirituality and religion in later life including the search for meaning cultural issues spiritual issues depression dementia and issues of suicide in older people The first part of *Mental Health and Spirituality in Later Life* focuses on theology ethics and cultural issues in mental health and aging The second part addresses issues of multidisciplinary practice including a challenging chapter written by a woman with early onset dementia Alzheimer s and other chapters that present perspectives on the uses and meanings of ritual and symbolism in mental health and pastoral approaches to care Part one of *Mental Health and Spirituality in Later Life* deals with issues of theology culture and mental health in later life focusing on the importance of a richly textured understanding of personhood as a prerequisite for constructing a picture of late life mental health in the context of theology the relationship between culture spirituality and meaning for older immigrants and their effects on mental health the adverse effects of a mental health system that reflects only the dominant culture of a society leaving minority cultures vulnerable to misdiagnosis and inappropriate treatments that can do more harm than good a wholistic picture of

aging that moves beyond the biomedical paradigm and demonstrates the power and potential of the human spirit in adjusting to and moving beyond suffering Part two of this valuable book addresses issues of concern to practitioners in mental health and spirituality for the aging including disruptive behavior among nursing home residents and common practices that fail to identify its causes or address the problem how some staff resident interactions can produce suffering for all concerned with case study outlines that illustrate the point memory loss and its effect on spirituality self worth and the faith community pastoral care for people suffering with dementia with practical information on helping them to make use of the power of prayer and to deal with loneliness fear and disempowerment an insightful look at a recent major study of residents in aged care facilities in Australia that explores the link between depression and spirituality risk and protective factors associated with suicide in later life and the treatment of depression pastoral interventions for depression and dementia

Psychology, Religion, and Spirituality James M. Nelson, 2009-02-17 Over a century ago psychologists who were fascinated with religion began to study and write about it Theologians and religious practitioners have responded to this literature producing a fascinating dialogue that deals with our fundamental understandings about the human person and our place in the world This book provides an introduction to the important conversations that have developed out of these interchanges The dialogue between psychology and religion is difficult to study for a number of reasons First it requires knowledge of both psychology and religion People with a background in psychology often lack a solid understanding of the religious traditions they wish to study and theologians may not be up to date on the latest developments in psychology Second it requires conceptual tools to organize the material and understand the basic problems involved in any attempt to connect the science of psychology with religion These concepts can be found in many places for instance in the writings of philosophers of science but they are complex and often hard to follow for those without a proper theological and philosophical background Finally authors who write on the topic come to the study of psychology and religion from a variety of academic and personal backgrounds This makes for wonderful diversity in conversations but it makes understanding and mastery of the material quite difficult
