Aging Mothers And Their Adult Daughters A Study In Mixed Emotions:

Aging Mothers and Their Adult Daughters Karen L. Fingerman, PhD, 2001-01-04 As far as I am aware there is no other scholarly book on adult mother daughter relationships particularly one that incorporates data from pairs of mothers and daughters I believe that the contents provide useful material for instructors researchers and therapists alike Rosemary Blieszner PhD Professor of Gerontology and Family Studies Virginia Polytechnic Institute and State University The mother daughter tie is one that persists well past childhood and it takes on unique characteristics as daughter enter midlife and mothers enter old age Incorporating vivid descriptions by mothers and daughters about their relationships this book addresses both the rewards and the costs that mothers and daughters incur in maintaining their relationships into old age For psychologists gerontologists and sociologists as well as academics and researchers in women s and family studies

Mothers and Their Adult Daughters Karen L. Fingerman, 2003 Incorporating vivid descriptions by mothers and daughters about their relationships Fingerman human development and family studies Pennsylvania State University draws on interviews with 48 mothers over the age of 70 and their adult daughters to address the rewards and difficulties these women experience in maintaining their relationships She discusses the positive features of the mother daughter bond and theories about its social and psychological nature and looks at reactions of mothers and daughters to conflicts and communication problems Annotation copyrighted by Book News Inc Portland OR *Handbook of Assessment in Clinical Gerontology* Peter A. Lichtenberg, 2010-08-20 New trends in mental healthcare practice and a rapid increase in the aged population are causing an explosion in the fields of clinical gerontology and geropsychology today This comprehensive second edition handbook offers clinicians and graduate students clear guidelines and reliable tools for assessing general mental health cognitive functioning functional age psychosocial health comorbidity behavior deficits and more Psychopathology behavioral disorders changes in cognition and changes in everyday functioning are addressed in full and a wide range of conditions and disorders common to this patient population are covered Each chapter provides an empirical review of assessment instruments assessment scales in their totality a review of how these instruments are used with and adapted for different cultural groups illustration of assessments through case studies and information on how to utilize ongoing assessment in treatment and or treatment planning This combination of elements will make the volume the definitive assessment source for clinicians working with elderly patients The most comprehensive source of up to date data on gerontological assessment with review articles covering psychopathology behavioral disorders changes in cognition and changes in everyday functioning Consolidates broadly distributed literature into single source saving researchers and clinicians time in obtaining and translating information and improving the level of further research and care they can provide Chapters directly address the range of conditions and disorders most common for this patient population i e driving ability mental competency sleep nutrition sexual functioning dementia elder abuse depression anxiety disorders etc Fully informs readers regarding

conditions most commonly encountered in real world treatment of an elderly patient population Each chapter cites case studies to illustrate assessment techniques Exposes reader to real world application of each assessment discussed

Interpersonal Relations Across the Life Course Timothy J Owens, J. Jill Suitor, 2007-09-05 This volume number 12 is subtitled *Interpersonal Relations across the Life Course* It is inspired by the increased awareness in recent years of the way in which structural and psychosocial dimensions of the life course shape interpersonal relations Interest in this issue has included both the maintenance of long term relationships that may span many phases of the life course and the development of relationships that are specific to particular phases The volume is a combination of invited and author initiated papers all anonymously peer reviewed that seeks to present a cohesive source of information on the multiform nature and influences of interpersonal relations from a variety of perspectives theoretical frames and substantive areas Contributions reflect Macro micro linkages and interpersonal relations i e age structures social institutions and race ethnicity Parenting across the life course Parent adult child relations and transitions Transitions in non kin relationships Social relationships and well being

Growing Together Frieder R. Lang, Karen L. Fingerman, 2004 This edited volume integrates research on people s relationships from childhood to later adulthood

Routledge Handbook of Applied Communication Research
Lawrence R. Frey, Kenneth N. Cissna, 2009-07-21 The Routledge Handbook of Applied Communication Research provides a state of the art review of communication scholarship that addresses real world concerns issues and problems This comprehensive examination of applied communication research including its foundations research methods employed significant issues confronted important contexts in which such research has been conducted and overviews of some exemplary programs of applied communication research shows how such research has and can make a difference in the world and in people s lives The sections and chapters in this Handbook explain what constitutes applied communication scholarship encompassing a wide range of approaches and clarifying relationships among theoretical perspectives methodological procedures and applied practices demonstrate the breadth and depth of applied communication scholarship review and synthesize literature about applied communication areas and topics in coherent innovative and pedagogically sound ways set agendas for future applied communication scholarship Unique to this volume are chapters presenting exemplary programs of applied communication research that demonstrate the principles and practices of such scholarship written by the scholars who conducted the programs As an impressive benchmark in the ongoing growth and development of communication scholarship editors Lawrence R Frey and Kenneth N Cissna provide an exceptional resource that will help new and experienced scholars alike to understand appreciate and conduct high quality communication research that can positively affect people s lives

Annual Review of Gerontology and Geriatrics, Volume 29, 2009, 2009-11-01 It is increasingly recognized that an individual s experience of old age is fundamentally influenced by their earlier life experiences This volume of the Annual Review of Gerontology and Geriatrics begins with an overview of the theoretical underpinnings of

both the Life Span and the Life Course perspectives on health disparities in aging populations examining them in the context of a changing structure of society This volume focuses on morbidities in general as well as specific morbidities such as diabetes cardiovascular disease and hypertension giving special attention to life time influences on cognition and functional abilities Finally this new volume addresses broader policy issues with relation to Life Span and Life Course perspectives on aging Key Features Addresses an important topic of increasing relevance Addresses the issue of disparities from genes to geography Presents traditional and emerging scientific perspectives

Encyclopedia of Human Relationships Harry T. Reis, 2009-03-25 This encyclopedia provides a structure to understand the essential rudiments of human behaviour and interpersonal relationships Communication Among Grandmothers, Mothers, and Adult Daughters Michelle A. Miller-Day, 2004-09-22 This volume examines communication processes within the grandmother mother daughter relationship emphasizing an intergenerational perspective Using observations of and extensive interviews with six sets of middle income Caucasian female family members this book offers a heuristic account of intergenerational mother daughter relational communication Author Michelle Miller Day integrates and juxtaposes alternative experiences of social interaction situating readers in the world of grandmothers mothers adult daughters and granddaughters as they experience describe and analyze their family communication Miller Day incorporates aged mothers and younger mid life mothers and their adult daughters into the research to illustrate how this type of maternal relationship is experienced at different points in a woman's life With the inclusion of three generations of women Miller Day offers multigenerational perspectives on family and examines them for patterns of maternal interaction providing symbolic links across generational boundaries *Communication Among Grandmothers Mothers and Adult Daughters* enables readers to understand more completely the richly textured nature of maternal relationships It will be an invaluable resource for scholars and researchers in the areas of communication and relationships including family communication intergenerational communication women's studies family studies interpersonal communication and relationships as well as social workers psychologists and counselors who strive to understand family communication processes and their dynamics across generational lines Intergenerational relations Albert, Isabelle, Ferring, Dieter, 2013-06-27 Population ageing today affects most industrialised countries and it will have an impact on many facets of the social system Intergenerational relationships will play a key role in dealing with the demographical and societal change This book provides innovative views in the multidisciplinary research field of intergenerational family relations in society with a focus on Europe Different but complementary perspectives are integrated in one volume bringing together international scholars from sociology psychology and economics The book's chapters are grouped into three thematic sections which cover conceptual issues multigenerational and cross cultural perspectives as well as applied issues Implications for research policy and practice are addressed and suggestions for future directions are discussed By raising recent discussions on controversial issues this book will stimulate the current discourse at various levels

Intergenerational relations in society and family will be equally interesting for researchers advanced level students and stakeholders in the fields of social policy population ageing and intergenerational family relationships

Tending to Stories in Feminist Theologies Helena Kadmos, Katharine Massam, 2025-09-16 Tending to Stories in Feminist Theologies is interested in the place of story tellers in communities of hope Where some theologies wrestle for clarity of definition feminist and other theologies of liberation begin from experience and tend towards story as a vehicle for speaking of the Divine Ambiguity and precision both find their place This collection embraces different materials to explore the place of stories and narrative within feminist theology to explore how meaning happens to seek justice and to forge compassion As for theology so too with form This volume does not just discuss but actively demonstrates a variety of ways in which stories can be heard and held Between and within chapters the authors weave together artwork literature creative non fiction and poetic form with critically informed and academic exposition to invite reflection on the place of story in creating solidarity and enabling community The book contributes to scholarly conversations on feminist theological method on the relationship between the arts and theology and on the dialogue between secular and sacred in Australasia and elsewhere

Narratives on Becoming Emilie Clucas Leaderman, Jennifer S. Jefferson, Jo Ann Gammel, Sue L. Motulsky, Amy Rutstein-Riley, 2021-07-01 Learning and identity development are lifetime processes of becoming The construction of self of interest to scholars and practitioners in adult development and adult learning is an ongoing process with the self both forming and being formed by lived experience in privileged and oppressive contexts Intersecting identities and the power dynamics within them shape how learners define themselves and others and how they make meaning of their experiences in the world The series I Am What I Become Constructing Identities as Lifelong Learners is an insightful and diverse collection of empirical research and narrative essays in identity development adult development and adult learning The purpose of this series is to publish contributions that highlight the intimate and intricate connections between learning and identity The series aims to assist our readers to understand and nurture adults who are always in the process of becoming We hope to promote reflection and research at the intersection of identity and adult learning at any point across the adult lifespan The rich array of qualitative research designs as well as autobiographic and narrative essays transform and expand our understanding of the lived experience of people both like us and unlike us from the U S and beyond Narratives on Becoming Identity and Lifelong Learning Volume Three of the series explores a myriad of ways that authors personal and professional growth has influenced identity development These chapters provide insights into the intersectional identities and learning of writers Drawing from the multiple paths that comprise the journey of lifelong learning these authors present powerful stories that identify the ways relationships environments culture travel and values shape their identities use literacy teaching and learning as vehicles for experimenting with new identities negotiate multiple identities contexts and transitions involved in becoming and construct meaning Through their narrative essays and ethnographic autobiographical accounts the authors in this volume illuminate

the power of transformational learning during life changing events and transitions

Praise for Narratives on Becoming Identity and Lifelong Learning The third volume in the I Am What I Become series Narratives on Becoming Identity and Lifelong Learning invites readers into the lives of educators from around the world This book includes important narratives from students secondary educators and post secondary educators alike highlighting how race class gender and a wide range of other intersectional identities shape the diverse lived experiences of educators and their students This volume also serves as an important reminder for all of us that the learning process continues across a lifetime and transcends the limits of the traditional classroom

Brian Bicknell President Manchester Community College We all pay lip service to the importance of lifelong learning but what is it exactly and how does it come about The connections between identity and learning are intriguing and complex especially when it comes to adult learners In this very thoughtfully organized collection researchers present qualitative and narrative studies along with personal narratives to explore identity development in formal and informal learning environments Contributions from varied cultural contexts most with powerful and moving stories to tell provide insight into how identity meaning making and adult learning and development intersect and influence each other

Psychologists scholars and educators interested in identity development and meaning making will find inspiration and fresh understanding in this innovative and enlightening series

Ruthellen Josselson Author *Paths to Fulfillment Women's Search for Meaning and Identity* This innovative series on adult development is inspiring and substantive We hear voices from the margins and stories of courage We read identity formation narratives by young adults and experienced professionals who share impressive capacities for transparency vulnerability and self reflection Many of the narratives are embedded in rigorous qualitative research that highlights diverse ways that identity is shaped through social positionality lived experience the quest for individuation and willingness to encounter life as a dynamic learning process

Jared D Kass Lesley University Author *A Person Centered Approach to Psychospiritual Maturation Mentoring Psychological Resilience and Inclusive Community in Higher Education*

Widening the Family Circle Kory Floyd, Mark T. Morman, 2006 Widening the Family Circle New Research on Family Communication bridges the significant gap in family communication literature by providing a thorough examination of lesser studied family relationships such as those involving grandparents in laws cousins stepfamilies and adoptive parents In this engaging text editors Kory Floyd and Mark T Morman bring together a diverse collection of empirical studies theoretic essays and critical reviews of literature on communication to constitute a stronger more complete understanding of communication within the family

Handbook of Girls' and Women's Psychological Health Carol D. Goodheart, 2006 The Handbook of Girls and Women's Psychological Health presents a contemporary view of psychological health for girls and women that integrates psychology physiology society and culture A range of 50 chapters integrates current research scholarship and practice on the risks and protective factors that influence women's health and well being across the life span Within and biopsychosocial framework the Handbook explores mind and body risks and resilience

research and interventions cultural diversity and public policy This Handbook underscores the importance of gender in the lives of girls and women developmentally across significant phases of the life span Considering the importance of cultural context this book illustrates how gender socialization in female development and behavior affects self evaluation identity processes and the social roles that girls and women adopt Its chapters illustrate how externally induced risks such as poverty discrimination and violence present challenges to healthy development Significantly the chapters also draw attention to long overlooked and compelling strengths and capacities that provide a firm basis for growth and health BOOK JACKET

Sourcebook of Family Theory and Research Vern L. Bengtson, 2005 Now available in paperback for classroom use This comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students Another of the book's strengths is the emphasis on multimethod approaches in family research The book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few In summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on the family Philip Siebler Monash University Victoria Sponsored by the National Council on Family Relations the Sourcebook of Family Theory and Research is the reference work on theory and methods for family scholars and students around the world This volume provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research The Sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it An accompanying website offers additional participation and interaction in the process of doing theory and making science Editors Vern L Bengtson Alan C Acock Katherine R Allen Peggye Dilworth Anderson and David M Klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation The Sourcebook begins with a section that sets the context for future family research The subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces A concluding section discusses issues of teaching family theories and research Key Features Focuses on the process rather than the outcomes of family theory and research methods Emphasizes the value of multi methods approaches in family research by integrating theory development with the development of research methods Differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings The interactive Web site and the special feature boxes within the chapters engage readers with theory and methodology Boxed features include Case Studies Spotlights on Theory Spotlights on Methods and a Discussion and Extension sections Represents a Who's Who of family researchers with contributions from many of the best researchers in the family realm The Sourcebook will be an excellent addition to any academic library It is an authoritative reference for scholars and researchers in Human

Development and Family Studies Sociology Social Work and Psychology In addition the Sourcebook can also be used in graduate courses on family theory and methodology

The Wiley-Blackwell Handbook of Adulthood and Aging Susan K. Whitbourne, Martin J. Sliwinski, 2016-08-08 This exceptional collection draws on the most recent demographic data and combines classic research with cutting edge approaches to provide an invaluable overview of the developmental psychology of the adult years Covers a wide range of topics within adult development and aging from theoretical perspectives to specific content areas Includes newly commissioned essays from the top researchers in the field Takes a biopsychosocial perspective covering the biological psychological and social changes that occur in adulthood

Women's Group Therapy Vera Sonja Maass, 2002-06-12 Through the use of group therapy sessions conducted within a cognitive behavioural framework the author explores the cultural social and parental influences on women's lives In depth case studies and transcripts from the sessions illustrate women's actual step by step process in examining issues as motherhood divorce self determination etc The focus is on the individual woman and her situation

The Routledge Handbook of Family Communication Anita L. Vangelisti, 2012-11-27 With a synthesis of research on issues key to understanding family interaction as well as an analysis of many theoretical and methodological choices made by researchers studying family communication the Handbook serves to advance the field by reframing old questions and stimulating new ones The contents are comprised of chapters covering theoretical and methodological issues influencing current conceptions of family research and theory centering around the family life course communication occurring in a variety of family forms individual family members and their relationships dynamic communication processes taking place in families family communication embedded in social cultural and physical contexts Key changes to the second edition include updates throughout providing a thorough and up to date overview of research and theory new topics reflecting the growth of the discipline including chapters on singles as family members emerging adults and physiology and physical health Highlighting the work of scholars across disciplines communication social psychology clinical psychology sociology family studies and others this volume captures the breadth and depth of research on family communication and family relationships The well known contributors approach family interaction from a variety of theoretical perspectives and focus on topics ranging from the influence of structural characteristics on family relationships to the importance of specific communication processes

Female Subjectivity in African-American Women's Poetry Tanima Kumari, 2023-04-17 This book is aimed at constructing the Black female subjectivity of African American women through the works of chosen poets Marilyn Nelson Rita Dove Elizabeth Alexander and Patricia Smith The study delves into the intricacies of African American women's issues such as objectification rape motherhood and racism This work is unique as it takes up the study of African American women's poetry and studies different creative expressions and artistic genres in their struggle for identity It illuminates Black female aesthetics and the liberation of self thus celebrating their blackness By examining historical and contemporary issues the book invites the readers to re counter the dominance of

the established White Order and stimulates the question of the agency of Black women This book debunks the perceptions and offers a genuine contribution to the discourse on African American women s lives It goes beyond the customary reflections on women s experiences and addresses the poignant odyssey of women of color marking a shift to politics of survival

The Right to Home Tasoulla Hadjiyanni, 2019-09-05 This book explores how the design characteristics of homes can support or suppress individuals attempts to create meaning in their lives which in turn impacts well being and delineates the production of health income and educational disparities within homes and communities According to the author the physical realities of living space such as how kitchen layouts restrict cooking and the size of social areas limits gatherings with friends or how dining tables can shape aspirations have a salient connection to the beliefs culture and happiness of the individuals in the space The book s purpose is to examine the human capacity to create meaning and to rally home mediators scholars educators design practitioners policy makers and advocates to work toward Culturally Enriched Communities in which everyone can thrive The volume includes stories from Hmong Somali Mexican Ojibwe and African American individuals living in Minnesota to show how space intersects with race gender citizenship ability religion and ethnicity positing that social inequalities are partially spatially constructed and are therefore malleable
