Agrarian Structure And Peasant Mobilisation:

Agrarian Structure and Peasant Mobilisation Manabendu Chattopadhyay, 1996 Study restricted to eight villages of Silguri West Bengal Agrarian Structure and Peasant Revolt in India Amit Kumar Gupta, 1986 **Agrarian Structure,**

Movements & Peasant Organisations in India Gogula Parthasarathy, Sulabha Brahme, P. D. Shrimali, 2004 **Agrarian**

Movements in India Arvind N. Das, 2018-10-24 First published in 1982 In this volume we present a collection of original papers edited by Arvind N Das on agrarian movements in the populous Indian state of Bihar These movements are traced from the early twentieth century through to the Naxalite activity of the recent past their content and the forces which gave rise to them are examined and the response of the state both the colonial state and the post colonial state is identified Believed to be a significant contribution to the literature on agrarian movements which should be of considerable value to both specialists on India and to those with a more general interest in the agrarian question **The Political Mobilization**

of the European Left, 1860-1980 Stefano Bartolini, 2000-08-28 In an in depth comparative analysis Stefano Bartolini studies the history of socialism and working class politics in Western Europe While examining the social contexts organizational structures and political developments of thirteen socialist experiences from the 1860s to the 1980s he reconstructs the steps through which social conflict was translated and structured into an opposition as well as how it developed its different organizational and ideological forms and how it managed more or less successfully to mobilize its reference groups politically **Private Politics and Peasant Mobilization** Maria-Therese Gustafsson, 2017-09-13 This

book explores how different corporate governance strategies affect community mobilization and the scope for influence when an area's population is faced with the arrival of the extraction industry Drawing on ethnographic research into Peruvian mining localities the author analyses a series of relationships which are characterized by confrontations clientelism demobilization and strategic collaboration By presenting a detailed account of micro practices and showing how these processes are interpreted by different groups Gustafsson offers a refined understanding of the multiple layers and informal workings of power between transnational corporations and local communities **Commercialization of Hinterland and**

Dynamics of Class, Caste and Gender in Rural India Supriya Singh, 2017-05-11 There is a great deal of controversy and debate on land acquisition and transactions concerning the economic development of India particularly the rural parts of the country This book explicates from a sociological perspective the effect of increasing land transactions on social mobility based on a detailed study of selected villages in Lucknow India It argues that villages in modern India particularly those close to cities are no longer simple and integrated communities but are rather more heterogeneous complex and mobile as a result of urban expansion and globalization It contextualises land transactions in a political economic model describing in detail the differential relationship between land and the state from ancient times to the present day noting the different laws relating to land and their implications for rural life **Land Reform and Structural Adjustment in Sub-Saharan Africa**

Jean-Philippe Platteau,1992-01-01 **Changing Agrarian Structure and Labour Relations** G. Satyanarayana,1992

Political Mobilization of the Venezuelan Peasant John Duncan Powell,1971 In the first part of this pioneering study John Duncan Powell traces the formation of a successful alliance between the peasant masses who sought land reform and a small urban elite which desperately needed a political power base Part II is devoted to an empirical structural functional analysis of the alliance Institutional Origins of Islamist Political Mobilization Quinn Mecham,2017-02-07 This book

explores why Islam becomes politicized in some countries and not in others comparing diverse cases including Turkey Algeria and Senegal *Political Mobilisation and Democracy in India* Vernon Hewitt,2007-11-05 This book addresses the paradox of political mobilization and the failings of governance in India with reference to the conflict between secularism and Hindu nationalism authoritarianism and democracy It demonstrates how the Internal Emergency of 1975 led to increased support of groups such as the BJS and the RSS accounting for the rise of political movements advocating Hindu nationalism Hindutva as a response to rapid political mobilization triggered by the Emergency and an attempt by political elites to control this to their advantage Vernon Hewitt argues that the political disjuncture between democracy and mobilization in India is partly a function of the Indian state the nature of a caste class based society but also and significantly the contingencies of individual leaders and the styles of rule He shows how in the wake of the Emergency the BJP and the RSS gained popularity and power amid the on going decline and fragmentation of the Congress whilst at the same time Hindu nationalism appeared to be of such importance that Congress began aligning themselves with the Hindu right for electoral gains The volume suggests that in the light of these developments the rise of the BJP should not be considered as remarkable or as transformative as was at first imagined *Critical Perspectives on Agrarian Transition* B. B. Mohanty,2016-01-29 This book

evaluates the relevance of classical debates on agrarian transition and extends the horizon of contemporary debates in the Indian context linking national trends with regional experiences It identifies new dynamics in agrarian political economy and presents a comprehensive account of diverse aspects of capitalist transition both at theoretical and empirical levels The essays discuss several neglected domains in agricultural economics such as discursive dimensions of agrarian relations and limitations of stereotypical binaries between capital and non capital rural and urban sectors agriculture and industry and accumulation and subsistence With contributions from major scholars in the field this volume will be useful to scholars and researchers of agriculture economics political economy sociology rural development and development studies *Agrarian Evolution in a Multiform Structure Society* V. G. Rastyannikov,2024-12-06 India in the 1950s and 1960s with its diversity of economic structures and different levels of regional development offers a unique opportunity to explore a wide range of agrarian evolution within a multiform society Basing his study on an extensive survey of the existing literature as well as on fieldwork conducted in India the author analyses in his book *Agrarian Evolution in a Multiform Structure Society* first published in English in 1981 the roots of the Indian society and suggests future directions He argues that India like many

Asian countries exhibits tendencies peculiar to an economy evolving on the basis of dependent capitalist development The author goes on to show how the state in seeking to ease the teething problems of development has assumed a decisive role expressed in terms of the nationalisation of certain sectors of private exploitative property and in the supersession of private interests by public ones The historically inevitable progress of Indian society is therefore a paradoxical one because its economy exists on the periphery of its system moulding structure world capitalism it has special problems reconciled only by state intervention this in turn makes the development of a capitalist society impossible The result is a unique study of a society which has assumed increasing importance in world affairs

Peasant Mobilization and Solidarity Benno Franciscus Galjart,1976 Chile Monograph on sociological aspects of social participation of rural workers and their solidarity in rural worker organizations based on afield study carried out in 1970 analyses theory and obstacles in relation to peasant mobilization in Latin America describes setting up of rural cooperatives by small farmers membership and leadership of peasant movements and other rural area associations co operation and conflicts of interest etc Bibliography pp 127 to 130 and diagrams

Dhanagare,2015-12-22 This book traces the entire trajectory of the farmers movement in Western India especially Maharashtra from the 1980s to the present day It reveals the fundamental contradictions between populism as an ideology and as political power within the democratic state structure The volume highlights the ideologies of the movement its emergence in the wake of a perceived agrarian crisis how it conflates economics and populism the role of leadership stages of development from grassroots agitations rooted in civil society to the attempts to create space within structures of democratic politics the eventual formation of a separate political party and consequent implications It maps the linkages between populist ideology and mass participation and their contested successes and failures in the domain of electoral politics Further the author underlines the effectiveness of the movement in addressing class and gender equations in the region Rich in primary archival sources and informed field studies this book will interest scholars and researchers of agrarian economy rural sociology and politics particularly those concerned with social movements in India
