Agrarian Unrest In Karnataka

**Sony Pellissery, Benjamin Davy, Harvey
M. Jacobs**

Agrarian Unrest In Karnataka:

Agrarian Change and Urbanization in Southern India Seema Purushothaman, Sheetal Patil, 2019-08-28 This book takes readers on a journey through the evolution of agricultural communities in southern India from their historical roots to the recent global neo liberal era It offers insights into a unique combination of themes with a particular focus on agrarian change and urbanisation specifically in the state of Karnataka where both aspects are significant and co exist Based on case studies from Karnataka in South India the book presents a regional yet integrated multi disciplinary framework for analysing the persistence resilience and future of small farmer units In doing so it charts possible futures for small farm holdings and identifies means of integrating their progress and sustainability alongside that of the rest of the economy Further it provides arguments for the relevance of small holdings in connection with sustainable livelihoods and welfare at the grass roots while also catering to the welfare needs of society at the macro level The book makes a valuable contribution to the scholarship of agrarian as well as peri urban transdisciplinary literature For agrarian academics students and the teaching community the book s broad and topical coverage make it a valuable resource For development practitioners and for those working on issues related to urbanisation urban peripheries and the rural urban interface this book offers a new perspective that considers the primary sector on par with the secondary and tertiary It also offers an insightful guide for policymakers and non government organisations working in this area

Social Movements in India Ghanshyam Shah, 2004-04-08 Social movements hasn t been a popular topic with researchers making up less than 3 per cent of all studies in history political science sociology and anthropology sponsored by the Indian Council of Social Science Research ICSSR up to the mid nineties The research has had an institutional or government skew in that the study of the politics of the masses has been largely ignored There are reasons of history behind this but what has been consistently lost sight of is the fact that in the absence of an understanding of the politics of the masses the functioning of the state can be understood only partially This volume is a revised and enlarged edition of the author s review of literature on social movements in India first commissioned by the ICSSR After careful deliberation on the ideal definition of a social movement the author adopts for this volume the loose idea of non institutionalised collective political action striving for social and political change On the basis of the socio economic characteristics of participants and the issues involved this volume makes a nine fold classification of social movements peasant movements tribal movements dalit movements backward caste movements women s movements working class movements students movements middle class movements and human rights and environmental movements added in this edition This book is important as much for filling a scholarly lacuna in social science studies as for proposing and executing an orderly classification of literature on social movements in modern India The original shorter monograph received an enthusiastic response from both scholars and laypersons and this volume is likely to be welcomed similarly

Agrarian Unrest, Peasant Struggles, and Social Change T. Papi Reddy, 1990

Caste, Society and Politics in India from the

Eighteenth Century to the Modern Age Susan Bayly, 2001-02-22 The phenomenon of caste has probably aroused more controversy than any other aspect of Indian life and thought Susan Bayly's cogent and sophisticated analysis explores the emergence of the ideas, experiences and practices which gave rise to the so-called caste society from the pre-colonial period to the end of the twentieth century Using an historical and anthropological approach she frames her analysis within the context of India's dynamic economic and social order interpreting caste not as an essence of Indian culture and civilization but rather as a contingent and variable response to the changes that occurred in the subcontinent's political landscape through the colonial conquest The idea of caste in relation to Western and Indian orientalist thought is also explored

Agrarian Unrest in Karnataka Murahari D. Naik, 1989 *Sociology and Social Anthropology in India* Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines *Socio-economic Profile of Rural India: South India* V. K. Agnihotri, 2002

Sociology of Indian Society CN Shankar Rao, 2004-09 The revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless A large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion [Index India](#), 1989 **Bibliography of Agriculture**, 1990 *Land Policies in India* Sony Pellissery, Benjamin Davy, Harvey M. Jacobs, 2017-08-10 This book examines how property rights are linked to socio-economic progress and development It also provides a theoretical analysis an economic social analysis of planning case studies of the implementation of planning and regulation instruments practices related to law and planning analysis of case laws in a particular segment The interconnection between property law and planning is a running theme throughout the book The land question has been central to South Asian development on two counts First although the majority of the population relies on agriculture and allied activities their livelihood landholding is highly skewed second urban planning is facing unprecedented challenges due to burgeoning property values as well as gush of migrants to cities seeking livelihood The response to these challenges in the form of laws and policies has been very large compared to the academic attention that is received However the measures emerging from planning and policies have had limited impact on the extent of the problems This paradox calls for serious introspection and academic engagement that this book undertakes The book further deals with the emerging discipline of planning law which determines property value and use and argues that regulatory issues of public policy determine the property valuation and property pricing

[International Bibliography of Sociology 1995](#), 1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Rural Development - Indian Context* Mr. Rohit Manglik, 2024-03-03 EduGorilla

Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

Rural Social Movements in Latin America Carmen Diana Deere, Frederick S. Royce, 2018-04-23 A remarkable collection The chapters provide extremely useful information on a range of social movements generally not well covered in academic work and the coverage is provided by people who are either activists within the movements themselves or long time supporters Wendy Wolford University of North Carolina An original unique and excellent collection The book has great theoretical value and political relevance Saturnino M Borras Jr Saint Mary's University Halifax All across Latin America rural peoples are organizing in support of broadly distinct but interrelated issues Food sovereignty agrarian reform indigenous and women's rights sustainable development fair trade and immigration issues are the focus of a large number of social movements found in countries such as Bolivia Colombia Mexico Nicaragua Brazil and Peru The contributors to Rural Social Movements in Latin America include academic researchers as well as social movement leaders who are seeking to effect change in their countries and communities As a group they are at the forefront of some of the most critical environmental social and political issues of the day This volume highlights the central role these movements play in opposition to the neoliberal model of development and offers fresh insights on emerging alternatives at the local national and hemispheric level It also illustrates and analyzes the similarities notably the struggle for sustainable livelihoods as well as the difference among these various peasant indigenous and rural women's movements

The Indian Farmers' Protest of 2020-2021 Christine Moliner, David Singh, 2024-08-21 The Kisan Andolan or the Indian farmers protest of 2020-2021 is one of the longest and biggest and victorious social movements in the history of independent India This book adopts a multidisciplinary approach to contextualise the movement in the long run It engages with the historical social and religious roots of the Andolan examining what makes it so unique and transformative for Indian polity It explores the discontinuities with previous resistance and contestation movements in India and globally and debates the role so far of regional religious and class caste gender identities Through interviews the volume also gives a specific voice and platform to grassroots activists and farmers from the movement Part of the Social Movements and Transformative Dissent series the book will appeal to scholars activists and a wider audience interested in social movements and dissent politics in India and the Global South It will also be of interest to students of economics political science anthropology sociology government agrarian studies Sikh and Punjab studies politics international relations and diaspora studies

Democracy, Development and Decentralisation in India Chandan Sengupta, Stuart Corbridge, 2013-10-28 Offering new insights into the political economy of contemporary India this book considers how and why unequal patterns of economic growth have taken shape within the context of a democratic and decentralising political system and how this has impacted upon the processes of economic development

Self Rule and Changing Rural Leadership M. P.

Jahagirdar,1992 Tibetans in India A. V. Arakeri,1998 Tibet is popularly known as the Roof of the World because of its great elevation and as Forbidden Land since nobody went there because of difficult terrain and entry to outsiders was generally opposed by its leaders The eco cultural situations of the Tibet had developed its own traditions customs institutions and beliefs and thus a typical society and culture The Tibetans were self contended and happy and had struggled hard to preservge their cultural identity institutions religion etc ever since the 6th century This valuable culture of Tibet which had developed preserving its peculiar qualities and differences from the rest of the world cultures was tremendously disturbed by China by flooding her own population and culture into Tibet The sinonization took place at various levels of Tibetan culture by force violence indoctrination and such other means Because Tibet remained isolated and so failed to impress the outside world about its independent existence The Chinese advent followed by the 1959 revolt in Tibet disturbed the calm and orderly society and resulted in the fleeing of H H the Dalai Lama along with about 80 000 Tibetan souls as refugees to India Nepal and Bhutan **Accessions List, South Asia** Library of Congress. Library of Congress Office, New Delhi,1991

Agrarian Crisis in India D. Narasimha Reddy,Srijit Mishra,2010-06-23 This volume provides a comprehensive analysis of the macro and micro level issues associated with agrarian distress It analyses structural institutional and policy changes highlighting the failure of public support system in agriculture The crisis manifests itself in the form of deceleration in growth and distress of farmers The case studies from Maharashtra Andhra Pradesh Karnataka Kerala and Punjab bring out the diversity of conditions prevalent in the states
