*How Should We Tax Farmland in the Rural-urban Fringe?* Frederick Doster Stocker, 1961      **Agricultural Land Preservation Report, 1981** Tri-county Regional Planning Commission (Pa.), 1981      The Encyclopedia of Taxation & Tax Policy Joseph J. Cordes, Robert D. Ebel, Jane Gravelle, 2005 From adjusted gross income to zoning and property taxes the second edition of The Encyclopedia of Taxation and Tax Policy offers the best and most complete guide to taxes and tax related issues More than 150 tax practitioners and administrators policymakers and academics have contributed The result is a unique and authoritative reference that examines virtually all tax instruments used by governments individual income corporate income sales and value added property estate and gift franchise poll and many variants of these taxes as well as characteristics of a good tax system budgetary issues and many current federal state local and international tax policy issues The new edition has been completely revised with 40 new topics and 200 articles reflecting six years of legislative changes Each essay provides the generalist with a quick and reliable introduction to many topics but also gives tax specialists the benefit of other experts best thinking in a manner that makes the complex understandable Reference lists point the reader to additional sources of information for each topic The first edition of The Encyclopedia of Taxation and Tax Policy was selected as an Outstanding Academic Book of the Year 1999 by Choice magazine Publisher s website      **Enhancing Climate Change Mitigation through Agriculture** OECD, 2019-10-16 Agriculture with its growing contribution to global greenhouse gas emissions and opportunities to mitigate emissions can help close the gap between existing global mitigation efforts and those that are needed to keep global warming to between 1.5 C and 2 C by the end of the century Global scale and farm scale analyses are used to evaluate both the effectiveness of different policy options to reduce agricultural emissions and the impact on competitiveness farm income food security and government finances In order to contribute to global mitigation efforts countries will need to design agricultural policy measures that can navigate these trade offs within the context of their national policy priorities and objectives As most countries have not yet implemented policies to reduce emissions from agriculture the analyses provided here come at an opportune time to inform this policy development      Identification and Preservation of Prime Agricultural Land , 1980      Technical Corrections Act of 1979 United States.
