Ahead Of Its Time:

Ahead of His Time Erwin Bünning, 1989 **Ahead of Her Time in Yesteryear** Kibibi V. Mack-Shelton, 2010-11-16

Born into a relatively privileged family Geraldine Pierce Zimmerman earned a reputation as a maverick in her lifelong home of Orangeburg South Carolina a semirural community where race and class were very much governed by the Jim Crow laws Educated at Nashville's Fisk University Zimmerman returned to Orangeburg to teach school serve her community and champion equal rights for African Americans and women Kibibi V Mack Shelton offers a vivid portrayal of the kind of black family seldom recognized for its role in the development of the African American community after the Civil War At a time when separate but equal usually meant suffering and injustice for the black community South Carolina families such as the Tatnalls Pierces and Zimmermans achieved a level of financial and social success rivaling that of many white families Drawing heavily on the oral accounts of Geraldine Pierce Zimmerman Mack Shelton draws the reader into the lives of the African American elite of the early twentieth century Her captivating narrative style brings to life many complicated topics how skin color affected interracial interactions and class distinctions within the black community itself the role of education for women and for African Americans in general and the ways in which cultural ideas about family and community are simultaneously preserved and transformed over the span of generations Refreshing and engaging Ahead of Her Time in Yesteryear is a fascinating biography for any reader interested in a new perspective on small town black culture in the Jim Crow South

Famous Scientists Whose Work Was Ahead of Their

Time Ahmed Musa,2024-12-31 Some scientists were so ahead of their time that their ideas were only recognized decades or even centuries later This book profiles these visionary thinkers from Nikola Tesla to Rosalind Franklin exploring their groundbreaking contributions and the obstacles they faced Learn how their work paved the way for modern scientific discoveries and continues to inspire innovation Patrice Lumumba, Ahead of His Time Didier Ndongala Mumbata,2018 People in Europe and America and especially students know very little or not at all about Africa and its extraordinary political leaders At the Institute of Political Science in political leadership lessons the study is essentially about Great political leaders who shaped the world history Niccolo Machiavelli Napoleon Bonaparte Abraham Lincoln John Kennedy and so forth Nobody is mentioned from the continent of Nelson Mandela Patrice Lumumba Soudiata Keita and Leopold Senghor Political Leadership in Africa is a series of books which bring into focus extraordinary African political leaders and so that all the peoples of the world especially politicians journalists and students will pay new attention to Africa its history and its people Patrice Lumumba Ahead of his time is the first volume of the series The book is a detailed political analysis of an extraordinary politician who became Prime Minister when the Democratic Republic of Congo acceded to its independence in 1960 Although his life was cut short Patrice Lumumba was without any doubt an outstanding political leader The consequences of events leading to the liberation of the Democratic Republic of Congo would have been profoundly different if he certainly did not have a profound impact on political outcomes He is now described as a hero a martyr a prophet and the Abraham Lincoln of African politics **Ahead of Her Time: Abby Kelley and the Politics of Antislavery** Dorothy Sterling,1994-06-17 The author tells this remarkable story with honesty and compassion Readers will find a wealth of new information not only about Kelley s outstanding contribution to abolitionism but about the movements to bring about the end of slavery and to advance the cause of women Mari Jo Buhle Brown University In the tumultuous years before the Civil War a young white woman from a Quaker background came to embody commitment to the cause of antislavery and equal rights for black people Abby Kelley became the abolitionist movement s chief money raiser and organizer and its most radial member She traveled hundreds of miles to awaken the country to the evils of slavery braving hardship and prejudice as well as opening the way for other women black and white to take leadership roles Now the full story of this principled woman has been told in Dorothy Sterling s compelling biography Schrödinger's Killer App Jonathan P. Dowling,2013-05-07 The race is on to construct the first quantum code breaker as the winner will hold the key to the entire Internet From international multibillion dollar financial transactions to top secret government communications all would be vulnerable to the secret code breaking ability of the quantum computer Written by a renowned quantum physicist close **Ahead of Her Time** Judy Piatkus,2021-04-13 Inspiring memoir by entrepreneur Judy Piatkus who launched her startup at a time when mothers were not expected to be businesswomen and grew it into a highly successful international brand The story of a pioneer of female entrepreneurship values led management and the rise of personal development publishing Judy Piatkus did not come from a

monied background and began her career as a secretary after failing to achieve a university place. By the time she founded Piatkus Books from her spare bedroom she was married with a disabled small daughter and pregnant with her second child. Gradually she learned how to be both a publisher and a managing director and to combine that with her family life as she had become a single mother of three. A lot of mistakes were made but she also got a lot of things right. The company prospered thanks to the risks Judy took in tackling new subjects in the marketplace and also her approach to running the company which focused on transparency, honesty and trust and was rewarded by the loyalty of the staff, many of whom worked alongside Judy for upwards of twenty years. Throughout the book Judy describes her learning experience as an entrepreneur, what it really means to run a company, the many triumphs and the pitfalls, what worked and what didn't, how the company learned to reinvent itself through lean times and how it felt to finally strike gold.

Research Handbook on Feminist Political Thought Mary Caputi, Patricia Moynagh, 2024-05-02. Illustrating the collective power and relevance of feminist theory today, Mary Caputi and Patricia Moynagh have carefully selected a diverse international range of leading scholars and activists to critically assess key social and political challenges in the twenty-first century. This Research Handbook demonstrates a variety of feminist analyses that offer compelling insights into an array of topics including police brutality, the carceral state, racial and sexualised violence, trans rights, climate change and the denial of reproductive rights.

Ahead of the Curve? Louis Emmerij, Richard Jolly, Thomas George Weiss, 2001. Traces the history of ideas central to UN debates from its establishment in 1945 to the late 1990s. Analyses the four founding ideas of the UN: peace and negotiation in place of war, decolonization, human rights and economic and social development, and highlights the different phases of the UN's intellectual history: the focus on development in the 1960s, the challenge of employment and basic needs in the 1970s, UN global conferences in the 1970s and 1990s, the financial and social crises of the globalization era, the collapse of the Socialist bloc, widening income gaps and crises of national and global governance.

A Dictionary of Confusable Phrases Yuri Dolgoplov, 2016-02-01. Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual idioms, clichés and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.

The Essential Naturalist Michael H. Graham, Joan Parker, Paul K. Dayton, 2011-05-15. Like nearly every area of scholarly inquiry today, the biological sciences are broken into increasingly narrow fields and subfields, its practitioners divided into ecologists, evolutionary biologists, taxonomists, paleontologists and much more. But all these splintered pieces have their origins in the larger field of natural history and in this era where climate change and relentless population growth are irrevocably altering the world around us.

perhaps it's time to step back and take a new fresh look at the larger picture The Essential Naturalist offers exactly that a wide ranging eclectic collection of writings from more than eight centuries of observations of the natural world from Leeuwenhoek to E O Wilson from von Humboldt to Rachel Carson Featuring commentaries by practicing scientists that offer personal accounts of the importance of the long tradition of natural history writing to their current research the volume serves simultaneously as an overview of the field's long history and as an inspirational starting point for new explorations for trained scientists and amateur enthusiasts alike
