Basketball (and Other Things) Shea Serrano, 2017-10-10. 1. New York Times bestseller. Who is the greatest dunker of all time? Which version of the Michael Jordan was the best Michael Jordan? What is allowed and absolutely not allowed in a game of pickup basketball? Basketball and Other Things presents readers with a whole new set of pivotal and ridiculous fan disputes from basketball history, providing arguments and answers explained with the wit and wisdom that is unique to Shea Serrano. Serrano breaks down debates that NBA fans didn't even know they needed from the classic "How many years during his career was Kobe Bryant actually the best player in the league?" to the fantastical "If you could assign different values to different shots throughout basketball history, what would they be and why?" With incredible art from Arturo Torres, this book is a must-have for anyone who has ever stayed up late into the night debating basketball's greatest moments, what-if stories and legends, or for those who are discovering the mythology of basketball for the first time.
