Air Force Combat Units Of World War II:

Air Force Combat Units of World War II Maurer Maurer, 1961 **Air Force Combat Units of World War II** United States. USAF Historical Division, 1961 This book is concerned primarily with the combat or tactical groups that were active during the Second World War Although such groups had numerous designations nearly all fell within four major categories bombardment fighter reconnaissance and troop carrier The book covers both the combat groups that served overseas and those that remained in the United States It also covers combat organizations above the group level It does not deal with provisional organizations or with air base maintenance supply medical transport and other service or support organizations Although this book is devoted exclusively to organizations that were active during World War II its coverage of those organizations is not confined to the World War II period Instead each organization is traced back to its origin and forward to 1 January 1956 with later activations being mentioned if they took place prior to the time the draft of the book was prepared in 1957 1958 The organizations are presented under the designations they carried on 2 September 1945 For each organization there is information concerning insignia lineage operations assignments aircraft for groups only components stations commanders campaigns and decorations **Air Force Combat Units of World War II** Maurer Maurer, 1963 **Air Force Combat Units of World War II - Traces the Historical Lineage of Each Army Air Corps and U. S. Air Force Combat Group Active in the Second World War** U. S. Military, U. S. Air Force, Office of Air Force History, Maurer Maurer, Department of Defense, 2017-09-27 This is an important and comprehensive historical document traces the lineage of each Army Air Corps and U S Air Force combat group or higher organization active in World War II from its origins to 1956 It is a concise official record of those units their assignments subordinate organizations stations commanders campaigns aircraft and decorations But it is more than that As an important source of ready information this volume not only serves as a reference tool for historians and researchers but it also provides commanders with a corporate memory of vital statistics With these facts a unit documents its heritage the basis for unit esprit de corps Originally this volume had been printed in 1961 Its worth has been proven and the demand for it has been great With this reprint it will continue to serve the United States Air Force in all quarters in years to come Over a period of several years the USAF Historical Division has received hundreds of requests for brief histories of Air Force organizations Air Force units ask for historical data they can use for the orientation of new personnel and for building morale and esprit de corps USAF Headquarters and the commands need historical data for organizational planning Information officers throughout the Air Force want historical materials for public relations purposes Members and former members of the Air Force are interested in the units with which they have served Government agencies and private individuals for various reasons seek information about Air Force units and their histories As a result of the great demand for and the interest in such histories it appeared that a book containing brief sketches of Air Force combat organizations would be of value as a reference work The task of preparing such a volume was undertaken by

the USAF Historical Division as a phase of its work on World War II Scope This book is concerned primarily with the combat or tactical groups that were active during the Second World War Although such groups had numerous designations nearly all fell within four major categories bombardment fighter reconnaissance and troop carrier The book covers both the combat groups that served overseas and those that remained in the United States It also covers combat organizations above the group level It does not deal with provisional organizations or with air base maintenance supply medical transport and other service or support organizations Although this book is devoted exclusively to organizations that were active during World War II its coverage of those organizations is not confined to the World War II period Instead each organization is traced back to its origin and forward to 1 January 1956 with later activations being mentioned if they took place prior to the time the draft of the book was prepared in 1957 1958 The organizations are presented under the designations they carried on 2 September 1945 For each organization there is information concerning insignia lineage operations assignments aircraft for groups only components stations commanders campaigns and decorations [Air Force Combat Units of World War II](#) Office Of Office Of Air Force History,2015-07-13 Short histories of the U S Air Force combat units involved in World War II *Air Force Combat Units of World War II* Maurer Maurer,1983 *Air Force Combat Units of World War II*. obscure piece of World War II history the Tuskegee Airmen are now among the most celebrated and documented aviators in military history With this growth in popularity however have come a number of inaccurate stories and assumptions Misconceptions about the Tuskegee Airmen refutes fifty five of these myths correcting the historical record while preserving the Airmen s rightful reputation as excellent servicemen The myths examined include the Tuskegee Airmen never losing a bomber to an enemy aircraft that Lee Archer was an ace that Roscoe Brown was the first American pilot to shoot down a German jet that Charles McGee has the highest total combat missions flown and that Daniel Chappie James was the leader of the Freeman Field Mutiny Historian Daniel Haulman an expert on the Airmen with many published books on the subject conclusively disproves these misconceptions through primary documents like monthly histories daily narrative mission reports honor awarding orders and reports on missing crews thereby proving that the Airmen were praiseworthy even without embellishments to their story An Aerospace Bibliography ,1978 **Anything, Anywhere, Anytime** ,1991
