The Aging of the American Work Force Irving Bluestone, Rhonda J. V. Montgomery, John D. Owen, 1990 **Bulletin of the Bureau of Labor Statistics**, 1990 **Monthly Labor Review** United States. Bureau of Labor Statistics, 1989 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *Aging and Demographic Change in Canadian Context* David J. Cheal, Professor of Department of Sociology David Cheal, 2002-01-01 Contributors question whether an aging society is necessarily inferior or problematic compared with the recent past cautioning that exaggerated concerns about population aging can be harmful to rational policy making

Outlook 2000, 1990 Presents revised Bureau of Labor Statistics Employment projections for the year 2000

Unemployment Insurance and Active Labor Market Policy Günther Schmid, Bernd Reissert, Gert Bruche, 1992 This volume examines the impact that the financing and administration systems of labor market policy have on the design of national policies concerning the unemployed The authors investigated labor market policy in six countries Austria France Federal Republic of Germany Great Britain Sweden and the United States and determined that the distribution of responsibility for labor market programs the financing of these programs and the procedures for determining issues and expenditures differ markedly from country to country The authors explore how the same economic causes price changes technological rationalization new products can have very different labor market effects because of institutional factors such as the job search behavior of the unemployed the mobility of the employed the hiring practices of firms wage negotiations between trade unions and employers and the employment policies of different levels of government and their impact on the behavior of labor market forces Unemployment Insurance and Active Labor Market Policy answers the questions how much public funding do the unemployed receive in wage replacement benefits and for how long how much public funding is devoted for manpower programs and invested in active labor market policy and finally how are the necessary financial resources made available In summary the book investigates the relationship between the financing system and revenues and expenditures for labor market policy the role played by market policy in employment policy as a whole and the impact of the financing system for labor market policy on the classical goals of the welfare state The findings of this comprehensive study should contribute to the redeployment of financial resources from those funds currently being used to finance unemployment unemployment benefits unemployment assistance and public assistance to financing employment *Disciplining Old Age* Stephen Katz, 1996 The conference was organized cooperatively with the Surface Engineering Division of the ASM and as part of Materials Week and so was attended by a wider range of scientists from academia and engineers from industry than usual Funding cuts affecting travel budgets in many institutions however reduced the overall number those who were not able to attend can begin saving for the proceedings The 43 papers cover ultrahard coatings surface treatment and alternative processes corrosion resistant coatings characterizing coatings the surface engineering of powders laser processing vapor

Principles and Practice of Geriatric Psychiatry Mohammed T. Abou-Saleh, Cornelius L. E. Katona, Anand

Kumar, 2011-01-04 The renowned *Principles and Practice of Geriatric Psychiatry* now in its third edition addresses the social and biological concepts of geriatric mental health from an international perspective. Featuring contributions by distinguished authors from around the world, the book offers a distinctive angle on issues in this continually developing discipline. *Principles and Practice of Geriatric Psychiatry* provides a comprehensive review of geriatric psychiatry spanning both psychiatric and non-psychiatric disorders, scientific advances in service development, specific clinical dilemmas. New chapters on genetics of aging, somatoform disorders, epidemiology of substance abuse, somatoform disorders, care of the dying patient. Continuing the practice of earlier editions, the major sections of the book address aging, diagnosis and assessment, and clinical conditions incorporating an engaging discussion on substance abuse and schizophrenic disorders. Shorter sections include the presentation of mental illness in elderly people from different cultures, one of the most popular sections in previous editions. Learning and behavioural studies as well as models of geriatric psychiatry practice are covered extensively. This book provides a detailed overview of the entire range of mental illness in old age presented within an accessible format. *Principles and Practice of Geriatric Psychiatry* is an essential read for psychiatrists, geriatricians, neurologists, and psychologists. It is of particular use for instructors of general psychiatry programs and their residents. **Resources in Education**, 1996-08
