Agnes Browne:

Early Modern Witches Marion Gibson, 2005-10-07 This collection of pamphlets describes fifteen English witchcraft cases in detail vividly recreating events to give the reader the illusion of actually being present at witchcraft accusations trials and hangings But how much are we victims of literary manipulation by these texts The pamphlets are presented in annotated format to allow the reader to decide Some of the texts appear in print for the first time in three centuries whilst others are newly edited to give a clearer picture of sources **Agnes Browne** Brendan O'Carroll, 2006 *History of the County Buildings of Northamptonshire* Christopher Alexander Markham, 1885 **Agnes Browne mamma** Brendan O'Carroll, 2010-12-21T00:00:00+01:00 Agnes Browne trentaquattro anni bella proletaria simpatia irresistibile ha un banco di frutta e verdura al mercato del Jarro turbolento quartiere popolare di Dublino sette figli come sette gocce di mercurio e un autentica venerazione per Cliff Richard Purtroppo ha anche un marito che lascia i suoi guadagni agli allibratori per poi rifarsi con lei a suon di ceffoni Ogni mattina Agnes esce di casa alle cinque per incontrare l'amica Marion e iniziare insieme la giornata in allegria e il venerdì si gioca a bingo per poi finire al pub di fronte a una pinta di birra e a un bicchiere di sidro Non una gran vita a parte le risate con Marion e le altre al mercato Finch un bel giorno Rosso Browne muore lei rimane sola e comincia a godersi davvero l'esistenza l'inizio di un carosello di vicende esilaranti in coppia con Marion autentico genio comico e alle prese con i figli che le propinano dilemmi adolescenziali obbligandola a improvvisarsi consigliera con grande spasso dei pargoli o a vestire i panni dell'angelo vendicatore Insomma senza quel treppiede del marito attorno la nostra Agnes pare tornata la ragazza dublinese che stata tanto che non manca uno spasimante un affascinante bell'imbusto francese ignaro degli equivoci della e sulla lingua Intanto la vita continua nella Dublino di fine anni settanta tra gioie e dolori un colpo basso della sorte e un girotondo di risate con Marion i figli che crescono e in testa un sogno che sembra irrealizzabile Libro di freschezza strepitosa soprattutto nell'invenzione dei dialoghi Agnes Browne mamma non si fa intimidire dalla letteratura prende senza esitazioni le parti del volgare Una volgarità rivendicata con garbo sempre venata di tenerezza e incline alla battuta dissacrante che in tempi di letteratura addomesticata esercita un fascino irresistibile sul lettore **Stone Fidelity** Jessica Barker, 2020 Medieval tombs often depict husband and wife lying side by side demonstrating as in the words of Philip Larkin's poem An Arundel Tomb their stone fidelity This is the first book to address the phenomenon of the double tomb drawing the rich history of tomb sculpture into dialogue with discourses of power marriage gender and emotion and placing them in the context of ecclesiastical material culture of the time more broadly It offers new interpretations of some of the most famous medieval monuments such as those found in Westminster Abbey and Canterbury Cathedral as well as drawing attention to a host of lesser known memorials from throughout Europe In turn these monuments provide a vantage point from which to reconsider the culture of medieval marriage from wedding rings and dresses to the sacramental symbolism of matrimony and embodied ritual practices Whilst it is tempting to read these sculptures as straightforward expressions of

romantic feeling the author argues that a closer look reveals the artifice behind the emotion the artistic religious political and legal agenda underlying the rhetoric of married love
