## **Agony Of Victory:**

*Faith is Stranger Than Fiction* Steve Halliday, 2001 A fascinating collection of true stories proving the omnipotence and immutability of God He calls His people to live by faith placing full trust in Him In practice this often means that our Lord wants us to take a step away from actions that the world considers logical and prudent and instead trust Him to work things out in unexpected ways that better glorify Him Our God cannot be placed in a little box always doing what we want Him to do or acting exactly the way we want Him to act He is sovereign and will respond in His own way That s part of the awesome magnificence of God Job said that God does great things past finding out and wonders without number Steve Halliday says the same thing through these stories After reading you will agree that truly Faith Is Stranger Than Fiction **Gateway**

**English** ,1968 The Final Days of Jesus Mark D. Smith, 2018-01-01 In *The Final Days of Jesus* Mark Smith brings his experience as a classical historian to bear on the life of the historical Jesus piecing together the volatile political context of first century Judaea as well as the lives of Pontius Pilate Annas and Joseph Caiaphas The claim that the Jews crucified Jesus has spawned a long and tragic history of Christian anti Semitism Smith challenges this claim through detailed exploration of Roman Jewish and Christian written sources and a broad range of archaeological evidence such as the ossuary of Caiaphas the Hidden Gate and the rich vein of research devoted to the archaeology of ritual purity The result is an earthy and nuanced portrait of Jewish life under Roman rule From his discussion of the multiplicity and brutality of Roman executions to the intricate personal relationships among elites that provided the means of collaboration and redress Smith details the complex push pull of forces between Rome and the Temple as they collided in one history changing week *I Saw a New Earth* Paul S. Minear, 2003-09-04 From the Preface There are indeed few books in the Bible where the modern student does not need deft guidance if reading is to prove profitable In the case of the Book of Revelation that need becomes absolutely essential When the average student takes up this book almost without exception the going is tough the language baffling the sense of profit minimal This situation represents a curious reversal for in earlier centuries no other part of Scripture so greatly intrigued the imagination of Christendom or so greatly fascinated its painters and musicians The book at hand is designed to restore the Apocalypse to its rightful place in Christian thinking The title asserts a continuing conviction John as a prophet actually saw a new earth The ordinary ways of perceiving reality had been radically altered by his faith in Christ Even moderns in their traffic with the earth have accessible a greater diversity of visions than they suppose The ancient prophet may still have power to enable us to see a new earth Such at least is the premise that prompted the publication of this book

**Kingdom Theology** G. Carlton Moore, 2024-06-18 What this book argues for in today's twenty first century church was a hallmark doctrine of old school Presbyterianism of the nineteenth century the doctrine of the spirituality of the church Which eschatological approach one uses will affect one's understanding of the nature and practice of missions Mission creep the expansion of the church's original objective's is a real concern for the contemporary church and how one understands eschatology affects one's focus on missions The mission of the church is narrow Matt 28:18-20 and the calling of individual believers is broad Rom 12:1-2 If we fail to make this crucial distinction the church's mission will lose its biblical emphasis And if the church's mission is lost then the authority structure instantiated in

the offices and officers of the church devolves into illegitimacy because the church is no longer advancing the kingdom ends she was mandated to do by King Jesus If the institutional church fails to do this we will be relinquishing and abdicating and abandoning our most singular and particular and peculiar kingdom of God vocation the harvesting gathering and perfecting of the saints
