Agri-Dagh Mount Ararat Don Shockey,1986 **Agri-Dagh** Don Shockey,2018-02-28 In the summer of 1943 while a U S Army sergeant stationed in Hamadan Iran Ed Davis became friends with some local Kurd tribesman or Lourd in Davis s original account who told him of Noah s ark on Mount Ararat The ark and items from it were considered holy relics generally kept from outsiders but the patriarch s friendship with Davis made him an exception They showed him items from the ark including a cage door latches and shepherd staffs All the wooden items were described as petrified Tribal leader Abas Abas and seven of his sons led Davis up the northeast side of Ararat but bad weather prevented getting closer than half a mile to the ark But Davis did see it it was broken into three or four pieces of which Davis saw two the nearer had at least three floors Abas Abas supplied other details The living space for people is at the top the ark s door was hinged at the top construction was done with wooden pegs Dr Don Shockey received his B A in anthropology from the university of New Mexico and his O D from Pacific University College of Optometry Forest Grove Oregon Dr Shockey taught science in the public schools at Taos New Mexico and was an anthropology instructor at the Taos branch of the University of New Mexico He is co founder and co owner of the Governor Bent Museum in Taos and founder and president of the Foundation for International Biblical Exploration and Research F I B E R in Albuquerque New Mexico Dr Shockey has lectured widely throughout the western states and has made many television appearances He was a member of the 1984 expedition on Mount Ararat searching for evidence of the Ark of Noah The expedition was filmed by Turkish National Television The Unsolved Mystery of Noah's Ark Mary Irwin,2012-10 Ararat a behemoth of a mountain is 17 000 feet of pain for anyone who dares trespass upon its icy heights It is a place of dread where one wrong step can send climbers careening down a steep glacial field into the abyss known as the Ahora Gorge Many have died on those slopes and some have never been seen again So why do climbers come to this place on the far east of the Turkish Frontier It is not for sport alone in fact for most that is far from the real reason They come to Ararat flirting with death to find an old boat we all know as Noah s ark It is said that its rotting corpse is somewhere up there in the swirling clouds and slumbering silence of ancient ice Come with Mary Irwin one of the original ark aeologists as she travels to Ararat and back again uncovering many of the ancient secrets of Noah s ark You may be surprised what you find **Evangelicals and Science in Historical Perspective** David N. Livingstone,Darryl G. Hart,Mark A. Noll,1999 Comprising papers by such distinguished scholars as John Headley Brooke James R Moore Ronald Numbers and George Marsden this collection shows that questions of science have been central to evangelical history in the United States as well as in Britain and Canada Historical Genesis Richard James Fischer,2008-01-28 The beginning chapters of Genesis come alive with characters places and events almost totally unknown outside of the Bible itself except when illuminated by the fascinating history of the ancient Near East Did a man we call Adam actually exist Was someone known to us as Noah warned of a cataclysmic flood and instructed to build an ark Could the Tower of Babel incident actually

have happened When archaeological artifacts and literature began to surface from ancient Mesopotamia present day Iraq nearly 200 years ago only a handful of archaeologists dared to point out that there appeared to be a close relationship between Genesis and the ruminations of the Sumerians and Akkadians who once lived there Often enduring great personal hardships these archaeological pioneers produced copious translations and marvelous insights Cuneiform texts compiled from almost two centuries of exploration have added significantly to our understanding of the historical underpinnings of the Old Testament The reader will gain a new appreciation for the historical integrity of Genesis 2 11 and marvel at the evidence that the persons places and events depicted though long misunderstood could be real Please visit Richard J Fisher s web site at <http://www.historicalgenesis.com>

Farrara,2022-10-13 This book continues exploring the experiences trials and tribulations of both the Journalist Romano known here as the First Man Adam and his Celestial Guide Zarathustra while they travel to the remaining Limboland Arenas and Inferno witnessing the horror of the after world with the contemptuous Devil and his swaggering Three Crown Princes in their secret Offices in the lowest Infernal Ring Here the

disenchanted souls still struggle to survive with the interference of the narcissistic Devil and without the influence of God's help. The remaining Limboland Arenas include the Black Afrikan, the Primitives, Mini Limboland, the Russian Marxists, the Conspiracy Theorists, the Persians, the Ottoman Turks, the Filipino, Mini Limboland, and the Limbo Limbo Lands through the Gates of Hades. Each explorer conveys his unique experiences and insights regarding the search. **A New History of the Holy Bible** Thomas Stackhouse, 1748. The Ark Discoveries Richard Carl Bright, 2021-12-06. The Bible and Hebrew texts tell us. The Bible tells us in Genesis 8:4 that the ark rested upon the mountains of Ararat. Hebrew text tells us the ark came to rest on the mountains of Ararat. There are no vowels in original Hebrew text so Ararat translated to Urartu and later to Ararat. Research tells us the area extended from southeastern Turkey across the present border into Iran and north to include most of present-day Armenia to the southwest corner of Georgia then southwest to about the present city of Malatya and back southeast and south of Lake Van and southeast Turkey. It covered much of the eastern 1/3 of the present-day Turkey. Mount Ararat is within that general area. Additional research that includes the time when Genesis is understood to have been written by Moses 1400-1450 BC indicates that the Urartu Kingdom may have included the area into what is now Northern Iraq and to Historic Assyria. Additional research using Wikipedia tells us Assyrian sources from early 1300 BC have the Urartu Kingdom in the vast mountainous regions southwest of the Black Sea and Southwest of the Caspian Sea. Mount Ararat is within that general area. If the mountains of Ararat or Urartu has included such a large area or areas over the centuries then since there has been no verifiable discovery that has been proven to be a large structure of a great age. It can be understood why some researchers are of the opinion that Mount Ararat may not have been in the area of Urartu at the time of the writing of the book of Genesis or the ark did not land on Mount Ararat but on another mountain within the vast area. Some other

mountains suggested by those who have varied opinions are mentioned in chapter 17 There is also the belief by some that Mount Ararat is a post flood mountain This rationale is pursued despite the many reports more than 40 of an ark sighting on Mount Ararat A question here given regarding the landing place of the ark may be Was Mount Ararat in the Urartu Kingdom at the time Genesis was written You have read this book you know my position on the position of Mount Ararat when the ark landed and when Genesis was written It certainly was in the Urartu Kingdom in the 9th century BC which later succeeded to the Armenians in the 6th century BC but was Mount Ararat included in the mountains of Ararat Gen 8 4 when the book of Genesis was written Moses is understood to have written the book of Genesis Henrietta C Mears chapter 9 foot note 13 says the book of Genesis closes about 300 years before Moses was born Moses could have only received the information to write the book by a direct revelation from God or by historical records If historical records were involved where did the records come from She writes No doubt it was written long before by Abraham Noah or Enoch who knows Dr Henry Morris agrees also chapter 9 footnote 14 and adds that oral traditions handed down over the centuries may have been involved here too God shared the records with Moses in whatever manner he chose to do so The Word of God is truth As far as Mt Ararat being a post flood mountain as some seem to believe Dr John Morris Dr Tim LaHaye and other scientists tell us the mountain was pre flood and grew to its greatest height with all the geological activity that took place during the flood Chapter 9 Turkish geologist Dr Bayraktutan has located what are believed to be basement rocks that give proof that Mount Ararat was pre flood Who We Are section A question may be What area did the Urartu Kingdom occupy long before Moses arrived on the scene Wherever the area was I am of the belief that Mount Ararat was included in that area that would be known as the mountains of Ararat at the time the ark landed on it I have personally talked with at least 6 people who have seen or have personal knowledge of the ark on Ararat They are the Reverend Vince Will who saw it from an aircraft in WWII Ed Davis who during WWII was taken to see the ark by Kurds from his base in neighboring Iran two 2 Kurdish shepherds who told me they saw part of a large structure Dudley Thomas who held a top secret security clearance and saw satellite photographs and classified information in the Science and technology Highlights classified journal when in the navy and Saim Sahin who was taken to the ark and was able to touch it Their stories are in chapters 5 and 17 as well as in Who We Are and the Sketches and Photo Sections A complete study of the Urartu Kingdom can be seen here <https://www.noahsarksearch.com> Urartu_Ararat_Boundaries pdf **A History of the Holy Bible** Thomas Stackhouse, 1817
