Homelessness, AIDS, and Stigmatization Lois Takahashi, 1998 Homelessness AIDS and Stigmatization The NIMBY Syndrome in the United States at the End of the Twentieth Century argues that it is the rise in community opposition across race class and region that should be considered in terms of the changing social construction of stigma i e the ways in which people define those who are acceptable and those who are not Three particular themes underlie the arguments made throughout this book a the importance of economic welfare state and demographic restructuring in community response to homelessness and HIV AIDS b the significance of the social and spatial construction of stigma for ongoing and future community response and c the role of institutions such as municipal governments and the courts in defining and adjudicating local facility siting disputes To explore these themes the author uses both quantitative and qualitative data and methods Oxford Geographical and Environmental Studies aims to publish the best original research studies in the related fields of geography and environmental studies Its scope is international presenting a broad and diverse range of scholarly approaches from across the world Series Editors Gordon Clark Andrew Goudie and Ceri Peach Activism Against AIDS Brett C. Stockdill, 2002-12-31 AIDS has claimed the lives of more than 400 000 people in the United States becoming the focus of intense social activism Brett Stockdill reveals that people living with HIV AIDS are often multiply oppressed women of color for example and explores how interlocking oppressions fragment activism and thus impede AIDS prevention and intervention Demonstrating that a unified approach to issues of race class gender and sexuality can most effectively combat the AIDS epidemic he highlights the critical link between social analysis and public policy **Tangled Memories** Marita Sturken, 1997-02-28 Analyzing the ways U S culture has been formed and transformed in the 80s and 90s by its response to the Vietnam War and the AIDS epidemic Marita Sturken argues that each has disrupted our conventional notions of community nation consensus and American culture She examines the relationship of camera images to the production of cultural memory the mixing of fantasy and reenactment in memory the role of trauma and survivors in creating cultural comfort and how discourses of healing can smooth over the tensions of political events Sturken s discussion encompasses a brilliant comparison of the Vietnam Veterans Memorial and the AIDS Quilt her profound reading of the Memorial as a

national wailing wall one whose emphasis on the veterans and war dead has allowed the discourse of heroes sacrifice and honor to resurface at the same time that it is an implicit condemnation of war is particularly compelling The book also includes discussions of the Kennedy assassination the Persian Gulf War the Challenger explosion and the Rodney King beating While debunking the image of the United States as a culture of amnesia Sturken also shows how remembering itself is a form of forgetting and how exclusion is a vital part of memory formation *Global Responses to AIDS* Cristiana Bastos,1999-11-22 a coherent and fascinating social analysis of AIDS related knowledge examining the social facts of knowledge production and developments interior to communities of science Medical Humanities Review a multilayered composite approach that involves multisited ethnographic research in different spheres of the collective responses to AIDS Choice The response to AIDS from various groups in developing knowledge of and about this health crisis is the focus of this revealing work Rio de Janeiro serves as an observation point for the study of the intersecting worlds of activism clinical practice and biomedical research *Him/Her/Self* Peter G. Filene,1998 Peter Filene s path breaking study did both Elaine Tyler May from the Foreword **Violence in Gay and Lesbian Domestic Partnerships** Claire M Renzetti,Charles H Miley,2014-04-08 Violence in Gay and Lesbian Domestic Partnerships provides a comprehensive analysis of same sex domestic violence addressing the major theoretical and treatment issues for both its victims and perpetrators Its contents raise awareness among social service providers of the problem of same sex domestic violence and emphasize the need for special services for both victims and perpetrators The publication of Violence in Gay and Lesbian Domestic Partnerships signifies the growing official recognition of domestic violence within lesbian and gay relationships as a social problem worthy of serious attention and intervention Editors Renzetti and Miley begin by providing readers with an overview of the problem of same sex domestic violence and the responses of the domestic violence movement and other social service providers Chapters then move to discussions of the current scarcity of services available to lesbian and gay victims and perpetrators of domestic violence and then evaluate specific treatment modalities for these client groups Significantly the special needs of lesbians and gays of color and those with HIV AIDS are discussed Chapters contain an historical overview of the study of same sex domestic violence a review and evaluation of theoretical explanations of same sex domestic violence an analysis of major problems in service provisions to gay and lesbian victims of domestic violence suggestions for and evaluations of specific treatment modalities an analysis of how racism intersects with homophobia to exacerbate the consequences of domestic violence an analysis of the role of HIV AIDS in same sex domestic violence Contributors to this volume were actively addressing the problem of same sex domestic violence before it was officially discovered Some were motivated by their experiences as victims and survivors of same sex domestic violence others by their concern about domestic violence in general As a compilation of the writings of academics clinicians advocates and activists Violence in Gay and Lesbian Domestic Partnerships bridges disciplinary and occupational boundaries and promotes a dialogue across fields and

specialties Violence in Gay and Lesbian Domestic Partnerships is unique in that it is the only book available which comprehensively addresses the social service needs of gay and lesbian domestic violence victims and perpetrators Specific suggestions are offered for improving service providers responses to gay and lesbian victims of domestic violence Social workers counselors practitioners and clinicians will find it especially useful given that it addresses the effectiveness of particular treatment modalities for lesbian and gay victims and perpetrators

Couples Barbara Jo Brothers,1996 Couples Building Bridges shows therapists how to successfully apply basic principles of human interaction and communication to help facilitate intimate connections between people Using the approaches in this book you will see how the bridge between couples materializes naturally as a result of the combination of respect truth careful observations awareness and shared information Contributors in Couples Building Bridges encourage therapists to bring their own behavior into awareness to see themselves as the major instrument of change in the therapy process and to recognize that work must begin with themselves before starting to work with couples However the book stresses that therapy is not something performed on a couple but rather a process geared toward increasing the range of choice of behavior for clients Therapists working with couples or with individuals seeking therapy concerning their intimate relationships will find Couples Building Bridges a valuable reference for promoting healthy open relationships

AIDS: Activism and Alliances Peter Aggleton,Peter Davis,Graham Hart,2003-09-02 This book brings together specially selected papers addressing themes discussed at the Eighth Conference on the Social Aspects of AIDS held in London in late 1995

Queer Political Performance and Protest Benjamin Shepard,2009-09-10 From the birth of the Gay Liberation through the rise of the AIDS Coalition to Unleash Power ACT UP in 1987 the global justice movement in 1994 the largest day of antiwar protest in world history in February 2003 the Republican National Convention protests in August 2004 and the massive immigrant rights rallies in the spring of 2006 the streets of cities around the world have been filled with a new theatrical model of protest Elements of fun creativity pleasure and play are cornerstones of this new approach toward protest and community building No movement has had a larger influence on the emergence of play in social movement activity than the gay liberation and queer activism of the past thirty years This book examines the role of play in gay liberation and queer activism and the ways in which queer notions of play have influenced a broad range of social movements
