A World Made of Fire Mark Childress, 2011-03 Mark Childress is an artist with an ear comparable to Eudora Welty's which to me is the highest praise one can give I haven't read a Southern novel since *Losing Battles* that has given me such pleasure Harper Lee author of *To Kill a Mockingbird* The sense of reality with which Childress imbues his characters and their situation is remarkable He has the true novelist's ability to commit himself entirely to the people and events he envisions and this is rare the reader is certain at all points that the author is not playing with the subject but writing from deep within it A truly outstanding book is the result James Dickey *A World Made of Fire* is earthy adroit moving an excellent novel by a writer of great promise and talent Jesse Hill Ford Mark Childress is a young novelist who has written a memorable story out of the land and people of the Deep South that throughout its length is constantly intruiging with unexpected innovations The ever present undercurrent of mystical events will probably startle many readers by arousing and bringing forth unfamiliar emotions Erskine Caldwell A wonderful and powerful novel Childress's debut in the world of fiction is a cause to be celebrated he is the real thing Pat Conroy Mark

as Rechy who had based the novel on his own life was personally attacked by scandalized reviewers Nevertheless *City of Night* became an international bestseller and ushered in a new era of fiction More than fifty years later it remains a classic Bold and inventive in style Rechy is unflinching in his portrayal of one anonymous youngman and his search for self knowledge and love within a furtive neon lit world of male hustlers drag queens closeted cops and fetishists As the narrator moves from El Paso to Times Square from Pershing Square to the French Quarter and through the lives of an extraordinary collection of characters who dwell in this clandestine world Rechy delivers a portrait of the edges of America that has lost none of its power to move and exhilarate Rechy s tone rings absolutely true is absolutely his own and he has the kind of discipline which allows him a rare and beautiful recklessness He tells the truth and tells it with such passion that we are forced to share in the life he conveys This is a most humbling and liberating achievement James Baldwin
