Gordon,Diane R. Gordon,2001-07-01

The Bombing of Pearl Harbor Michael V. Uschan,Elizabeth Hudson Goff,2005-12-15 Depicts events leading up to and resulting from the December 7 1941 Japanese attack on American battleships at Pearl Harbor which brought the United States into World War II **Pearl Harbor Air Raid** Nick Veronico,2017 *Attack on Pearl Harbor* Bert Kinzey,Rock Roszal,2025-01-02 In 2010 Detail Scale published the original Attack on Pearl Harbor Japan Awakens a Sleeping Giant at the request of the USS ARIZONA Memorial Foundation now a part of Pacific Historic Parks The goal was to produce a reasonably priced book that covered the Japanese attack on Pearl Harbor in as much detail as possible while limiting the book in size so it could be sold in the Pearl Harbor Museum bookstore That book proved to be very popular and is now out of print In researching that book a significant amount of materials were collected that could not be included because of the limitations of the printing process Now to commemorate the 75th anniversary of the attack Detail Scale brings you this greatly expanded volume with significant new sections and more information on the attack including in depth coverage of the American response All of the original chapters have been expanded and entire new chapters have been added This digital publication is over four times the size of the original printed version and stands as the most profusely detailed and illustrated account of the attack ever published yet it is priced significantly lower than the original book from 2010 The book begins with a Why Pearl Harbor chapter that summarizes the political events of the previous decade which convinced many Japanese leaders that they had to go to war with the United States and examines why the Japanese chose Pearl Harbor as the location to launch their dramatic initial blow against the United States Navy in the Pacific The Japanese attack plan is then covered in the next chapter which is followed with a chapter that looks at the high level commanders on both sides of the attack Four chapters look at the six Japanese aircraft carriers that made up the First Air Fleet which launched the attack the various other ships that supported the strike force and what their roles were a detailed look at the Japanese aircraft that participated in all phases of the attack and the weapons they carried Information is next provided on all of the major and minor ships of the U S Pacific Fleet both those at Pearl Harbor on the day of the attack and those that weren t The opening of the attack in the pre dawn hours is covered next with a description of the initial Japanese attempt to infiltrate the harbor with five midget submarines and the American response which resulted in this part of the attack being a complete failure The air attack is then covered in a chapter that is basically a book within a book with the Japanese aerial torpedo attacks covered first followed by the bombing and strafing attacks Each geographic area of the harbor and the targeted airfields are covered separately with a detailed text and numerous photographs But unlike other publications this chapter is not limited to explaining only what the Japanese did Also included is how the Americans fought back against the attack with everything

they had and detailed accounts of the response of almost every ship present in Pearl Harbor that day are provided The American aircraft that rose in response to the attack are covered and the exploits of some of the pilots involved are given Chapters follow that summarize U S losses damage and recovery with photographs and information on every ship included on the Navy s official damage report Japanese losses and mistakes and a summary of the resulting wrath of the Awakened Giant showing how almost every Japanese ship that participated in the attack had been destroyed or damaged beyond repair less than four years later Attack on Pearl Harbor Japan Awakens a Sleeping Giant is the most detailed and profusely illustrated book on the Japanese attack ever published With over 440 photographs 12 maps and 58 illustrations created specifically for this publication it stands as the singularly distinctive book on the Day of Infamy **The Bombing of Pearl Harbor** John F. Wukovits,2011-02-23 For many Americans December 7th is a milestone date in the course of American history because it marks the formal entry of the United States into World War II With more than 2 300 sailors killed in action eight battleships sunk or damaged and over 100 planes destroyed the attack left the United States Navy severely crippled This was not an isolated act of aggression It was flashpoint at the end of a decade of worsening relations between the United States and Japan This compelling volume offers an analysis of the attack on Pearl Harbor to broaden student awareness of the event through accessible language maps and vivid pictures Chapters explore relevant topics including Japanese aggression in China the preparations the United States made for war the devastation of battleship row and the naval base reactions to the attack and moves toward recovery and the political and strategic aftermath **World War II Pearl Harbor** Hourly History,2018-05-23 World War II Pearl Harbor President Franklin D Roosevelt described December 7 1941 the date when the Japanese launched a surprise attack against the United States while the two countries were still officially at peace as a day that would live in infamy The action hurled the United States into the global conflict of World War II a violent conflagration that the nation fiercely isolationist had intended to ignore But the rising tide of militarism across the globe meant that American neutrality could not last War was contagious and sooner or later no matter how a nation tried to quarantine itself the infection would find it To the people of the United States the attack came as a complete surprise Perhaps Americans should have expected it Tensions between the U S and Japan had been steadily increasing throughout the year and American sanctions against Japan were hindering the efforts of the Japanese to become the dominant power in the Pacific Inside you will read about America Opens the Door to Japan Pearl Harbor Home of the Shark Goddess Air Raid Pearl Harbor This Is No Drill The Commanders The Story of a Survivor And much more Ironically a mock naval exercise the decade before the Pearl Harbor attack had foreshadowed the penalty of ignoring the base s vulnerability but the naval higher ups refused to believe it setting the stage for the real attack in 1941 The commander of Pearl Harbor Admiral Kimmel was convinced that the attack would be made against Wake Island But Japanese Admiral Yamamoto s shrewd planning was as devastating as he intended it to be as America s Pacific base lay in ruins over 2 403 dead 1 178 wounded and the fleet devastated Yet the day after the

attack while Japan rejoiced Yamamoto was despondent Japan he knew could not win a long drawn out war The Americans would be out for revenge *Air Raid Pearl Harbor* ,1991
