*Morgan - An English Enigma* Martyn Webb, 2023-12-19 This book tells the amazing story of the Morgan Motor Company from the primitive but very successful cyclecars of Edwardian times through to the iconic British sports cars of the Classic period in the 1960s. Morgan defied conventions, survived economic hardships, resisted take-over bids and carried on in its inimitable way, hand-crafting proper cars out of the historic row of workshops in the spa town of Malvern. Morgan: An English Enigma takes an in-depth look at the Morgan Motor Company during the Vintage and Classic periods, benefitting from access to previously unseen documents and drawings and featuring 500 images, over half of which have never before been published. This fascinating story will appeal to those with an interest in motoring history, the motor sport enthusiast and anyone who appreciates fine British sports cars.

**Midget Car Racing** Derek Bridgett, 2017-01-24 It was by chance that the author stumbled across a long lost programme for the opening meeting of Hanley Car Speedway for 21 July 1938. The programme had been hidden away in family papers for almost sixty years and it sparked an enduring interest in Midget Car Speedway. Motor sport had been the preserve of the rich and glamorous but now the ordinary man could build a car and race it on a shoestring budget. It was the start of motor racing as we know it today and without the development of midget car racing, we perhaps would not have seen the Formula Three, Formula Ford and other series that we take for granted today. Although a short-lived craze that hit the UK during the 1930s, midget car racing was an incredible motor phenomenon with some races and events attracting over 60,000 people from all over the country. Derek Bridgett's *Midget Car Racing* chronicles this bizarre but immersive little-known motorsport. Focusing specifically on the Belle Vue Speedway, this incredible book is profusely illustrated with photographs from the period.

A Race with Love and Death Richard Williams, 2020-03-19 A tragic age and a tragic character both seemingly compelled to destroy themselves a chilling reminder of how little control we have over our fates Damon Hill One of the greatest motor racing stories Nick Mason Timely vivid and enthralling it's unputdownable Miranda Seymour author of The Bugatti Queen Dick Seaman was the archetypal dashing motorsport hero of the 1930s the first Englishman to win a race for Mercedes Benz and the last Grand Prix driver to die at the wheel before the outbreak of the Second World War Award winning author Richard Williams reveals the remarkable but now forgotten story of a driver whose battles against the leading figures of motor racing's golden age inspired the post war

generation of British champions The son of wealthy parents educated at Rugby and Cambridge Seaman grew up in a privileged world of house parties jazz and fast cars But motor racing was no mere hobby it became such an obsession that he dropped out of university to pursue his ambitions squeezing money out of his parents to buy better cars When he was offered a contract with the world beating state sponsored Mercedes team in 1937 he signed up despite the growing political tensions between Britain and Germany A year later he celebrated victory in the German Grand Prix with the beautiful 18 year old daughter of the founder of BMW Their wedding that summer would force a split with his family a costly rift that had not been closed six months later when he crashed in the rain while leading at Spa dying with his divided loyalties seemingly unresolved He was just 26 years old A Race with Love and Death is a gripping tale of speed romance and tragedy Set in an era of rising tensions where the urge to live each moment to the full never seemed more important it is a richly evocative story that grips from first to last
