Years At Hull House

Jane Addams

Years At Hull House:

Twenty Years at Hull-House Jane Addams,1990 One of the most important books ever written in the United States *Twenty Years at Hull House* remains a classic because it addresses large questions of human destiny and social justice in terms that are as relevant today as they were one hundred years ago Kathryn Kish Sklar author of *Catherine Beecher A Study in American Domesticity*

20 Years at Hull House Jane Addams,2013-03-26 Hull House is a settlement house in the United States that was co founded in 1889 by Jane Addams and Ellen Gates Starr Located in the Near West Side of Chicago Illinois Hull House opened its doors to the recently arrived European immigrants By 1911 Hull House had grown to 13 buildings In 1912 the Hull House complex was completed with the addition of a summer camp the Bowen Country Club With its innovative social educational and artistic programs Hull House became the standard bearer for the movement that had grown by 1920 to almost 500 settlement houses nationally

Twenty Years at Hull House Jane Addams,2020-04-12 It must have been from a very early period that I recall horrid nights when I tossed about in my bed because I had told a lie I was held in the grip of a miserable dread of death a double fear first that I myself should die in my sins and go straight to that fiery Hell which was never mentioned at home but which I had heard all about from other children and second that my father representing the entire adult world which I had basely deceived should himself die before I had time to tell him My only method of obtaining relief was to go downstairs to my father s room and make full confession *Twenty Years at Hull-House* Jane Addams,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification *Twenty Years At Hull House With Autobiographical Notes* Jane Addams The Macmillan company 1911 Political Science Public Policy Social Services Biography Chicago Ill Political Science Public Policy Social Services Social Science Social Work *Twenty Years at Hull-House* Jane Addams,1966 *Twenty Years at Hull House; With Autobiographical Notes* Addams Jane,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Twenty Years at Hull-House** Jane Addams,1981 **Twenty Years at Hull House** Jane Addams,2020-04-12 It must have been from a very early period that I

recall horrid nights when I tossed about in my bed because I had told a lie I was held in the grip of a miserable dread of death a double fear first that I myself should die in my sins and go straight to that fiery Hell which was never mentioned at home but which I had heard all about from other children and second that my father representing the entire adult world which I had basely deceived should himself die before I had time to tell him My only method of obtaining relief was to go downstairs to my father s room and make full confession

Twenty Years at Hull House Jane Addams,2008-06 While on a trip to East London in 1883 Jane Addams witnessed a distressing scene late one night masses of poor people were bidding on rotten vegetables that were unsalable anywhere else Their pale faces were dominated by that most unlovely of human expressions the cunning and shrewdness of the bargain hunter who starves if he cannot make a successful trade and yet the final impression was not of ragged tawdry clothing nor of pinched and sallow faces but of myriads of hands empty pathetic nerveless and workworn showing white in the uncertain light of the street and clutching forward for food which was already unfit to eat This scene haunted Addams for the next two years as she traveled through Europe and she hoped to find a way to ease such suffering Five years later she visited Toynbee Hall a London settlement house and resolved to replicate the experiment in the U S On September 18 1889 Jane Addams and her friend Ellen Starr moved into the second floor of a rundown mansion in Chicago s West Side From the outset they imagined Hull House as a center for a higher civic and social life in the industrial districts of the city Addams Starr and several like minded individuals lived and worked among the poor establishing among other things art classes discussion groups cooperatives a kindergarten a coffee house a lending library and a gymnasium In a time when many well to do Americans were beginning to feel threatened by immigrants Hull House embraced them showed them the true meaning of democracy and served as a center for philanthropic efforts throughout Chicago Hull House also provided an outlet for the energies of the first generation of female college graduates who were educated for work yet prevented from doing it In some respects however Addams s impressive work often hailed by historians as revolutionary was nothing of the sort She embraced the sexual stereotypes of her day and though she was clearly an independent woman soothed public fears by acting primarily in the traditional roles of nurturer and caregiver Hull House was a rousing success and it inspired others to follow in Addams s footsteps Though *Twenty Years at Hull House* is meant to be an autobiography it is Hull House itself that stands in the spotlight Addams devotes the first third of the book to her upbringing and influences but the remainder focuses on the organization she built and the benefits accruing to those who work with the poor as well as to the poor themselves At times Addams s prose is difficult to follow but her ideals and her actions are truly inspiring A classic work of history and a model for today s would be philanthropists back cover

Jane Addams - Twenty Years at Hull-House Jane Addams,2024-07-10 *Twenty Years at Hull House* was one of the several works written by Jane Addams in her lifetime and was published in 1910 This work is a powerful and revealing autobiography in which Addams narrates her journey as a social reformer and the founder of Hull House offering an intimate and profound

view of her life and the challenges faced during her advocacy for social justice Over time various biographies have been written and continue to be written about this iconic social worker and activist with increasing quality and scope However to understand the thoughts and character of a real person there is nothing better than hearing the story with all its circumstances mistakes and successes told by the one who lived it firsthand This is the purpose of Jane Addams's autobiography to bring to the public the determined and visionary woman who through her perseverance and dedication became one of the most influential figures in the fight for social reform and justice This work is part of the Voices of America collection which aims to highlight the life stories of important figures in American history told by themselves

Twenty Years at Hull House Jane Addams, 2021-09-26 *Twenty Years at Hull House Illustrated Version* by Jane Addams September 6 1860 May 21 1935 published in 1910 Jane Addams was a famous social activist living in Chicago at the turn of the 20th century She is perhaps most famous for introducing the Settlement movement to the United States and for founding Hull House a hugely influential settlement house in Chicago Settlement houses were founded on the idea of uplifting the poor working class by quartering the rich and poor together in close proximity By living together under the guidance of settlement workers the poor would

have access to communal education healthcare day care food and shelter allowing them to improve their positions in society instead of being ground under heel by the privations of poverty and the brutality of workhouses Immigrants in particular could take advantage of the settlement s safety net helping them naturalize more easily in their new country as they struggled to find stability while both working and raising children Hull House named after the house s original owner was Addams life work It brought together the urban poor mostly recently settled immigrants together into a vast thirteen building complex near the heart of Chicago s downtown In this book Addams describes the house its founding and its operations because running the house was such a major part of her life she considered this book to be her autobiography of sorts Hull House remained open until 2012 operating continuously for over 120 years For her work at Hull House and for her involvement in the Peace Movement of World War I Addams was awarded the Nobel Peace Prize becoming the award s first American woman recipient At the time of her death she was the most well known female public figure in America **Twenty Years at Hull-House** Jane Addams, Twenty Years at Hull-House (Illustrated) Jane Addams,2020-01-15 AN AMERICAN ACTIVIST b Twenty Years at Hull House is the story of Jane Addams an American activist She co founded the Hull House in an attempt to alleviate poverty T DETAILS Includes the Original Illustrations Twenty Years at Hull House Jane Addams,2018-08-12 Twenty Years at Hull House Jane Addams If the reader should inquire why the book was ever undertaken in the face of so many difficulties in reply I could instance two purposes only one of which in the language of organized charity is worthy Because Settlements have multiplied so easily in the United States I hoped that a simple statement of an earlier effort including the stress and storm might be of value in their interpretation and possibly clear them of a certain charge of superficiality The unworthy motive was a desire to start a backfire as it were to extinguish two biographies of myself one of which had been submitted to me in outline that made life in a Settlement all too smooth and charming We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **On Education** Jane Addams,2017-07-05 Jane Addams the founder of Hull House in Chicago may be best known as a social activist She was also a brilliantly critical intellectual Implicit in her many speeches articles and books is a view of education as a broad process of cultural transformation and renewal a view that remains as compelling today as when it was first presented Addams sees education as the foundation of democracy the basis for the free expression of ideas

Addams's writings on education are interpreted in an enlightening biographical introduction by Ellen Lagemann. After the initial publication of this work, Barbara L. Jacquette of the Delta Group Inc. in Phoenix wrote, "Professor Lagemann has brought life and immediacy to Jane Addams's work. Better, she has given us a context that shows us that some of our most pressing issues today are simply old problems in new guises—problems for which some of the old solutions may still be of use." Gerald Lee Gutek of Loyola University of Chicago commented, "Lagemann's insightful and sensitive biography reveals Addams's transformation from a reserved graduate of a small women's college into the Progressive reformer and pioneer of the settlement house movement. The essays collected here span a significant portion of Jane Addams's life from the time she spent in college to her founding of Hull House and beyond. Addams's constant interest in education is reflected in her writings. This book also reveals the many influences on Addams's life, including the philosopher and educator John Dewey. On Education is an important work for educators, women's studies specialists, social workers, and historians." Dancing Class Linda J. Tomko, 2000-01-22. This look at Progressive era women and innovative cultural practices blazes a new trail in dance scholarship. Choice Outstanding Academic Book of the Year. From salons to dance halls to settlement houses, new dance practices at the turn of the twentieth century became a vehicle for expressing cultural issues and negotiating matters of gender. By examining master narratives of modern dance history, this provocative and insightful book demonstrates the cultural agency of Progressive era dance practices. Tomko blazes a new trail in dance scholarship by interconnecting U.S. History and dance studies, the first to argue successfully that middle-class U.S. women promoted a new dance practice to manage industrial changes, crowded urban living, massive immigration, and interchange and repositioning among different classes. Choice 20 Years at Hull-House Jane Addams, 2011-10-02. 20 Years at Hull House by Jane Addams is a surprisingly compelling book, free of the ethnic racism and stereotyping that blight many similar works of her era. Addams' account of her groundbreaking community center in one of the worst parts of late 19th-century Chicago fairly overflows with compassion and almost unbelievable fairness. Jane Addams came from a conventional Middle American milieu but was radicalized by seeing the ravages of the Industrial Revolution both in Britain and Chicago. This timeless memoir of the years 1889-1909 documents her wide-ranging concerns embracing public health, pacifism, and feminism, as well as philanthropy, working-class education, and poverty alleviation. Many of the ideas implemented by Addams in her 20 Years at Hull House decades ahead of their time. While not light reading, this classic contains many gripping portraits of the desperation of immigrant life and the simple power of human decency. More than that, 20 Years at Hull House has inspired generations of U.S. social and political activists. For decades, a Hull House sojourn or at least a visit was virtually a pilgrimage for all kinds of progressive reformers. While Addams's reputation was damaged by her antiwar stance during World War I, it recovered enough for her to win the 1931 Nobel Peace Prize.

Recognizing the way ways to acquire this book **Years At Hull House** is additionally useful. You have remained in right site to begin getting this info. acquire the Years At Hull House belong to that we provide here and check out the link.
