15 Plays By Sam Shepard 7 Plays Fool For Love And Other Plays:

15 Plays by Sam Shepard ,1987-06-01 **The Cambridge Companion to Sam Shepard** Matthew Roudané,2002-05-27

Few American playwrights have exerted as much influence on the contemporary stage as Sam Shepard His plays are performed on and off Broadway and in all the major regional American theatres They are also widely performed and studied in Europe particularly in Britain Germany and France finding both a popular and scholarly audience In this collection of seventeen original essays American and European authors from different professional and academic backgrounds explore the various aspects of Shepard s career his plays poetry music fiction acting directing and film work The volume covers the major plays including *Curse of the Starving Class* *Buried Child* and *True West* as well as other lesser known but vitally important works A thorough chronology of Shepard s life and career together with biographical chapters a note from the legendary Joseph Chaikin and an interview with the playwright give a fascinating first hand account of an exuberant and experimental personality

Mapping the Private Geography Gerri Reaves,2001-01-10 This study of autobiographical writing and its reflection of personal and national identity analyzes the different ways in which these authors balance individual American identity with collective identities and reinvent their familial cultural and national engenderings In each of the works discussed a private geography a psychological map a myth an ideology or a fiction is posited while its author explores claims to the ownership of memory history and the self

The Theatre of Sam Shepard Stephen J. Bottoms,1998 This comprehensive analysis traces Sam Shepard s career from his experimental one act plays of the 1960s to the 1994 play *Simpatico* *Curse of the Starving Class* *Buried Child* *True West* *Fool for Love* and *A Lie of the Mind* are all examined in depth Concentrating on his playwriting this book charts Shepard s various developments and shifts of direction and the changing contexts in which his work appeared Engaging informative and insightful *The Theatre of Sam Shepard* is the definitive source on the works of this innovative and original writer

Staging Masculinity Carla J. McDonough,2006-07-19 The men in plays such as Arthur Miller s *Death of a Salesman* or Sam Shephard s *True West* are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O Neill s play *The Hairy Ape* and the character Yank receive much attention
